Hay, 2006-11 Talks about Benedictine spirituality and the role of spiritual directors within UK church communities This book views the Rule and Benedictine notions of hospitality defines what hospitality is looks at hospitality and the Dynamism of Numinous Reciprocity Christ's teaching on the subject and how to become hospitable

**Practising Spirituality** Laura Beres, 2017-03-07 The steady increase in economic social environmental and political hardships experienced by many around the globe has led in recent years to a corresponding growth in the importance ascribed to finding meaning in life and to addressing the bigger questions As deliverers of care and assistance to people across many different faiths and cultures whose lives are impacted directly by these hardships current and future social workers must learn to apply concepts of spirituality in their own professional practice In this unique and inspiring book a diverse group of authors draws deeply on their own experiences of spirituality in practice providing a fascinating and often moving exploration of how meaning is derived in a variety of different contexts Topics discussed include Mindfulness meditation and the practice of Falun Gong The interaction between spirituality social justice and professional practice The role of spirituality in the provision of palliative care Indigenous spiritualities interconnectedness and human animal bonds The role of spirituality in providing hospitality and acceptance in practice Enriched by a wealth of case studies and a strong focus on critical reflection throughout Practising Spirituality is an important and thought provoking read for students and practitioners across the full range of health and social care disciplines from social work and counselling to nursing youth work and beyond

**The Homebrewed Christianity Guide to Church History** Bill Leonard, 2017-06-30 Amid the ferment of dissent and the protests of heretics the church developed most significantly This guide introduces that history by looking at those periods A variety of questions have preoccupied Christian communities throughout history Christians have attempted to determine who Jesus is and whether his life and teaching have global significance They've battled over the nature of salvation and the sources of authority for Christian belief and practice They've argued about the nature and purpose of the Christian church and how is it to be organized They've drawn swords over the relationship between church and state And they've taken votes on who should be sainted and who

should be expelled Focusing on sources of unity and division within the church throughout its history and some of the most and least savory characters in the history this guide provides an overview of Christian responses to those and other formative questions all with the trademark Homebrewed Christianity wit and wisdom *Being a Deacon Today* Rosalind Brown,2005-10-01 A theological explanation and practical handbook for those preparing for a diaconate in today s church All too often the time spent as a deacon is seen simply as the prelude to priestly ordination Yet the Bible defines three orders of ministry deacon priest and bishop each with its own distinctive characteristics and responsibilities In *Being A Deacon Today* Brown explores the three places where deacons minister the church the world and at the margins the three strands of their ministry in liturgy in pastoral care and as catechists and the three actions of their ministry praying loving and remembering This book excellent for classroom use and for transitional and permanent deacons will restore a fuller understanding of the diaconal ministry and nurture deacons in their work and spiritual life **Seasons of Love** Eleanor Sampeck,2004 Twenty five years ago an extended family made a return to nature move to the country This magical book is the record of their struggles and growth The book achieves its vividly realistic tone by covering the family s lived experience from joy to sorrow life and death and lofty to such mundane details as manure for the garden Its pages are populated by four generations unusual in a time when the nuclear family is everything Although the work is supported by sound theological and psychological theory it never lingers too long in these realms but continues to continue the daily drama of one family s risky living of the gospel **Saintly Women** Nancy Nienhuis,Beverly Mayne Kienzle,2017-12-12 This ground breaking volume assesses the contemporary epidemic of intimate partner violence and explores how and why cultural and religious beliefs serve to excuse battering and to work against survivors attempts to find safety Theological interpretations of sacred texts have been used for centuries to justify or minimize violence against women The authors recover historical and especially medieval narratives whose protagonists endure violence that is framed by religious texts or arguments The medieval theological themes that redeem battering in saints lives suffering obedience ownership and power continue today in most religious traditions This insightful book emphasizes Christian history and theology but the authors signal contributions from interfaith studies to efforts against partner violence Examining medieval attitudes and themes sharpens the readers understanding of contemporary violence against women Analyzing both historical and contemporary narratives from a religious perspective grounds the unique approach of Nienhuis and Kienzle one that forges a new path in grappling with partner violence Medieval and contemporary narratives alike demonstrate that women in abusive relationships feel the burden of religious beliefs that enjoin wives to endure suffering and to maintain stable marriages Religious leaders have reminded women of wives responsibility for obedience to husbands even in the face of abuse In some narratives however women create safe places for themselves Moreover some exemplary communities call upon religious belief to support their opposition to violence Such models of historical resistance reveal precedents for response through intervention or protection

*Prayer as Night Falls* Kenneth Peterson, 2013-10-01 This beautiful book allows you to experience and participate in the last of the daily cycle of fixed hour prayer Compline Kenneth Peterson has sung Compline at St Mark's Episcopal Cathedral in Seattle since the mid 1960s and tells the story of the history and themes of the office woven together with reflections from his own spiritual journey Links are included to musical selections that illuminate the book's chapters A comprehensive look at this ever popular contemplative prayer service at the end of the day Resources for Preaching and Worship-Year A Hannah Ward, Jennifer Wild, 2004-01-01 This is the third volume published in a three volume set of lectionary resources providing preachers and worship leaders of all denominations a host of written material for worship and reflection Designed to complement the three volumes in WJK's acclaimed *Texts for Preaching* this book weaves together a rich tapestry of quotations meditations poems and prayers With material from both classic and contemporary spiritual writings *Resources for Preaching and Worship* complements the lectionary readings for Sundays and important festival days in the church's year Biblical and thematic indexes are included Humility Christopher M. Bellitto, 2023-09-01 This cultural history of humility reveals this lost virtue as a secret defense against arrogance and incivility History demonstrates that when the virtue of humility is cast aside excessive individualism follows A person who lacks humility is at risk of developing a deceptive sense of certitude and at worst denies basic human rights respect and dignity to anyone they identify as the enemy Humility a cultural history and biography of the idea of humility argues that the frightening alternative to humility has been the death of civility In this book Bellitto explores humility in Greco Roman history philosophy and literature in the ancient and medieval Jewish Christian and Muslim scriptures and sermons in the Enlightenment and in contemporary discussions of education in virtue and citizenship The author encourages readers to recover and reclaim this lost virtue by developing a new perspective on humility as an alternative to the diseases of hubris arrogance and narcissism in society This book offers a fresh perspective on this lost virtue for readers interested in finding a path to renewed civility Benedictine Living Kate Ritger, 2014-01-01 Open up your everyday experiences by considering them through a Benedictine lens with this accessible collection of reflections Meaningful and insightful at any time of the year this companion offers Benedictine and scriptural wisdom to the timeless themes of our lives Each reflection is coupled with thoughtful contemplative questions and meaningful and integrative actions for daily life The reflections are organized by themes from the Rule of Saint Benedict and include Awareness of God Listening Hospitality Humility Moderation Community for Ordinary People Community Living Obedience Authority Peace Prayer Stability and Stewardship
