Rules Of The Wild A Novel:

Rules of the Wild Francesca Marciano, 1999-09-07 A mesmerizing novel of love and nostalgia set in the vast spaces of contemporary East Africa Romantic often resonantly ironic moving and wise *Rules of the Wild* transports us to a landscape of unsurpassed beauty even as it gives us a sharp eyed portrait of a closely knit tribe of cultural outsiders the expatriates living in Kenya today Challenged by race by class and by a longing for home here are safari boys and samaritans reporters bent on their own fame travelers who care deeply about elephants but not at all about the people of Africa They all know each other They meet at dinner parties they sleep with each other they argue about politics and the best way to negotiate their existence in a place where they don't really belong At the center is Esm a beautiful young woman of dazzling ironies and introspections who tells us her story in a voice both passionate and self deprecating Against a paradoxical backdrop of limitless physical freedom and escalating civil unrest Esm struggles to make sense of her own place in Africa and of her feelings for the two men there whom she loves Adam a second generation Kenyan who is the first to show her the wonders of her adopted land and Hunter a British journalist sickened by its horrors *Rules of the Wild* evokes the worlds of Isak Dinesen Beryl Markham and Ernest Hemingway It explores unforgettably our infinite desire for a perfect elsewhere for love and a place to call home It is an astonishing literary debut

Rules of the Wild ,2010

Rules of the Wild Bridget Levin, 2004-08-05

Rhyming text explores how proper behavior for young animals is different from what is expected of young children

Rules of the Wild Francesca Marciano, 1998 A mesmerizing novel of love and nostalgia set in the vast spaces of contemporary East Africa Romantic often resonantly ironic moving and wise *Rules of the Wild* transports us to a landscape of unsurpassed beauty even as it gives us a sharp eyed portrait of a closely knit tribe of cultural outsiders the expatriates living in Kenya today Challenged by race by class and by a longing for home here are safari boys and samaritans reporters bent on their own fame travelers who care deeply about elephants but not at all about the people of Africa They all know each other They meet at dinner parties they sleep with each other they argue about politics and the best way to negotiate their existence in a place where they don't really belong At the center is Esm a beautiful young woman of dazzling ironies and introspections who tells us her story in a voice both passionate and self deprecating Against a paradoxical backdrop of limitless physical freedom and escalating civil unrest Esm struggles to make sense of her own place in Africa and of her feelings for the two men there whom she loves Adam a second generation Kenyan who is the first to show her the wonders of her adopted land and Hunter a British journalist sickened by its horrors *Rules of the Wild* evokes the worlds of Isak Dinesen Beryl Markham and Ernest Hemingway It explores unforgettably our infinite desire for a perfect elsewhere for love and a place to call home It is an astonishing literary debut

George R. R. Martin Presents Wild Cards: House Rules George R. R. Martin, 2025-02-25

An original anthology centered around one very unusual house in Cornwall which serves as a nexus to the multiverse set in the Wild Cards universe created by the 1 New York Times bestselling author of *A Game of Thrones* An alien virus ravages the

world with effects as random as a hand of cards Those infected either draw the black queen and die draw an ace and receive superpowers or draw the joker and become bizarrely mutated But whether joker or ace or a bit of both few turn down an invite to Keun The island of Keun lies off the coast of Cornwall connected to the mainland only by an ancient tidal causeway It is a magical place where anything can happen The mansion crowning the island is owned by Lord Branok a mysterious billionaire who is also a wild card of some sort but whether he is an ace a joker or a knave no one is quite sure Parties at Loveday House are legendary for adventure for intrigue for love for danger and guests may take on whatever personae and masks they choose when they attend Parts of the house seem to exist out of time and the Wild Hunt is reputed to ride the island And haunting the house is its original owner a woman determined to regain control over her domain by any means necessary With stories by Stephen Leigh Mary Anne Mohanraj Caroline Spector Kevin Andrew Murphy Peter Newman and Peadar Guil n *Law, Fiction and Activism in a Time of Climate Change* Nicole Rogers, 2019-08-14 The book examines the narratives of climate change which have developed and which are currently evolving in three areas law fiction and activism Narratives of climate change generated by litigants judges writers of fiction and activists are having and will have a profound effect on the way we respond to the climate change crisis Acknowledging the prevalence of unreliable narrators this book explores the reliability and significance of different forms of climate narrative The author analyses overlapping themes and points of intersection considering the recurrent motif of the trickster the prominence of the child the significance and ongoing viability of the rights discourse and the increasingly prevalent emergency framing with its multiple implications for law s empire She asks how law fiction and activism measure up as textual and performative fora for telling the story of climate change and anticipating a climate changed future And in addition how can they help foster transformative narratives which empower us to confront the climate change crisis This highly topical cross disciplinary work will be of interest to anyone concerned about the growing climate emergency and makes a valuable contribution to climate law environmental law the environmental humanities and ecocriticism **Exploring Wild Law** Peter Burdon, 2011 From cover Wild law is a groundbreaking approach to law that stresses human interconnectedness and dependence on nature It critiques existing law for promoting environmental harm and seeks to establish a mutually enhancing human Earth relationship For the first time this volume brings together voices from the leading proponents of wild law around the world It introduces readers to the idea of wild law and considers its relationship to environmental law the rights of nature science religion property law and international governance **The Transatlantic Gothic Novel and the Law, 1790-1860** Bridget M. Marshall, 2016-02-17 Tracing the use of legal themes in the gothic novel Bridget M Marshall shows these devices reflect an outpouring of anxiety about the nature of justice On both sides of the Atlantic novelists like William Godwin Mary Shelley Charles Brockden Brown and Hannah Crafts question the foundations of the Anglo American justice system through their portrayals of criminal and judicial procedures and their use of found documents and legal forms as key plot devices As gothic villains from Walpole s

Manfred to Godwin's Tyrrell to Stoker's Dracula manipulate the law and legal system to expand their power readers are confronted with a legal system that is not merely ineffective at stopping villains but actually enables them to inflict ever greater harm on their victims By invoking actual laws like the Black Act in England or the Fugitive Slave Act in America gothic novels connect the fantastic horrors that constitute their primary appeal with much more shocking examples of terror and injustice Finally the gothic novel's preoccupation with injustice is just one element of many that connects the genre to slave narratives and to the horrors of American slavery

Wild Bunch Gang Story Verna Bulkey, 2025-07-13 Step into the untamed West and meet the outlaws who rewrote the rules of crime Wild Bunch Gang Story pulls back the curtain on Butch Cassidy the Sundance Kid and their ruthless band of desperadoes from daring train heists to bloody standoffs and ultimate betrayal This is more than legend it's the raw violent truth behind the most feared gang of the American frontier Don't miss your chance to uncover the real story behind the Wild Bunch before it disappears into folklore forever *The Sacrificial Laws of Leviticus and the Joseph Story* Calum Carmichael, 2017-08-18 In this study Calum Carmichael offers a new assessment of the Joseph story from the perspective of the biblical laws in Leviticus 1-10 These sacrificial laws he argues respond to the many problems in the first Israelite family Understanding how ancient lawgivers thought about Joseph's and his brothers' troubling behavior leads to a greater appreciation of this complicated tale The study of the laws in Leviticus 1-10 in relation to the Joseph story provides evidence that all biblical laws over 400 constitute commentary on issues in the biblical narratives They do not as commonly thought directly reflect the societal concerns in ancient Israelite times Through close reading and analysis Carmichael reveals how biblical narrators and lawgivers found distinctive and subtle ways of evaluating a single development in a narrative from multiple perspectives Thus the sacrificial laws addressing idolatry keeping silent about a known offense confessing wrongdoing and seeking forgiveness become readily understandable when reviewed as responses to the events in the Joseph story

Basic Illustrated Edible Wild Plants and Useful Herbs Jim Meuninck, 2023-05-01 For a generation the Basic Illustrated series has been as much a part of the outdoors experience as backpacks and hiking boots Information packed tools for the novice or handy references for the veteran these volumes distill years of knowledge into affordable and portable books Whether you're planning a trip or thumbing for facts in the field Basic Illustrated books tell you what you need to know Learn how to Forage for wild plants and herbs and identify edible berries Treat a variety of ailments and illnesses from colds to heart disease and more Distinguish between edible and nonedible parts of plants Moderate your intake of certain plants and herbs to avoid physical illness Make delicious desserts herbal teas and other healthy recipes

Law, Sensibility and the Sublime in Eighteenth-Century Women's Fiction Sue Chaplin, 2017-03-02 This work offers firstly a fresh historical philosophical and cultural interpretation of the relation between the eighteenth century discourse of sensibility the sublime and the theory and practice of eighteenth century law Secondly the work exposes and explores the influence of this combination of discourses upon the formation of gender identities in this period The author

argues that it is only through a study of the convergence of these key eighteenth century discourses that changing conceptualisations of femininity can fully be understood Thirdly it examines the presence within eighteenth century fiction by women of a new female subject Novels by women in this period Chaplin posits begin to reveal that the female subject position constructed through the discourses of law sensibility and the sublime gives rise for women to a feminine ontological crisis that may be seen to anticipate by two hundred years the trauma of the post modern male subject unable to present a unified subjectivity to himself or to the world This feminine crisis finds expression within a range of female fiction of the mid to late eighteenth century in Charlotte Lennox's anti romance satire Frances Sheridan's conduct book novels the Gothic romances of Radcliffe and Eliza Fenwick and the sensationalistic horror fiction of Charlotte Dacre Concentrating upon these writers Chaplin argues that their works speak of dread on behalf of women in this period and to varying degrees challenge discourses that construct femininity as a highly unstable barely tenable subject position Combining the works of Lyotard and Irigaray to formulate a new feminist reading of the eighteenth century discourse of the sublime this study offers fresh insights into the culture and politics of the eighteenth century It presents highly original readings of well known and lesser known literary texts that interrogate from fresh perspectives the complex theoretical issues pertaining to

Wild Law - In Practice Michelle Maloney, Peter Burdon, 2014-03-05 Wild Law In Practice aims to facilitate the transition of Earth Jurisprudence from theory into practice Earth Jurisprudence is an emerging philosophy of law coined by cultural historian and geologist Thomas Berry It seeks to analyse the contribution of law in constructing maintaining and perpetuating anthropocentrism and addresses the ways in which this orientation can be undermined and ultimately eliminated In place of anthropocentrism Earth Jurisprudence advocates an interpretation of law based on the ecocentric concept of an Earth community that includes both human and nonhuman entities Addressing topics that include a critique of the effectiveness of environmental law in protecting the environment developments in domestic constitutional law recognising the rights of nature and the regulation of sustainability Wild Law In Practice is the first book to focus specifically on the practical legal implications of Earth Jurisprudence

The Chronicles of the Old West - 4 Historical Books Exploring the Wild Past of the American West Emerson Hough, 2024-01-15 In The Chronicles of the Old West Emerson Hough invites readers into a vividly rendered tapestry of the American frontier exploring its triumphs tribulations and myths through four interconnected historical narratives Hough employs a rich descriptive literary style that reflects the ruggedness of the landscape and the indomitable spirit of its inhabitants weaving together personal stories with broader historical contexts The book captures the essence of the Wild West filled with cowboys outlaws and pioneers while maintaining a critical perspective on the complexities of American expansionism and cultural conflict of the time Emerson Hough a prominent American author and journalist of the early 20th century was deeply influenced by his experiences as a young man in the West which informed his understanding of its societal dynamics and struggles His extensive travels and firsthand observations provided him with a

wealth of material to draw from as he sought to convey both the romance and the harsh realities of frontier life Hough's dedication to historical accuracy and nuanced storytelling reflects a commitment to preserving the legacy of this vital chapter in American history This compelling collection is not only an essential reading for enthusiasts of Western literature but also for anyone seeking to understand the roots of American identity Hough's masterful storytelling combined with rich historical detail makes *The Chronicles of the Old West* a vital contribution to the literature of the American experience inviting readers to engage with the complexities of a bygone era
