 The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike

 writers In Volume IV of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and  
 1889 readers will find Augustines writings defending the Catholic church against the Manichaeans and the Donatists  
 Manichaeism was a religion developed in Persia by the prophet Mani According to this religion creation has two parts  
 darkness and light Light is God and has ten attributes Opposing this and coeternal with it is darkness and its five attributes  
 Saint Augustine was originally a Manichaean so his defense of Christianity against this religion comes from a deep  
 understanding of its nature Donatists were a group of believers who refused to forgive those who had renounced their faith  
 during a time of persecution which caused a schism in Christianity In opposing these men Augustine attempted to mend the  
 rift Those with an interest in ancient religions will find Augustines writings on Manichaeism one of the most important
