Fundamentals Of Rumi's Thought Sefik Can, 2006-01-01 This work attempts to present Rumi to the English speaking world and to shed light on his life as seen from within the Islamic mystical tradition The knowledge presented in this work comes from Sefik Can a great expert of Rumi and who used to be the highest authority Sertariq of the Mevlevi Sufi order in Turkey until he passed away on January 24 2005 Two aspects of this work make it unique The first is that the book was originally authored by a man who is ninety five years old and who has dedicated his entire life to the teachings of Rumi Such a Mevlevi's view of Rumi makes this work greatly valuable The second important contribution to the book is the foreword which was translated by from the original Turkish written by M Fethullah Gulen a prominent Muslim thinker and interfaith activist of Turkey **Translating Rumi into the West** Amir Sedaghat, 2023-02-28

Focusing on Rumi the best selling Persian mystical poet of the 13th century this book investigates the reception of his work and thought in North America and Europe and the phenomenon of Rumimania to elucidate the complexities of intercultural communication between the West and the Iranian and Islamic worlds Presenting tens of examples from the original and translated texts the book is a critical analysis of various dimensions of this reception outlining the difficulties of translating the text but also exploring how translators of various times and languages have performed and explaining why the quality of reception varies Topics analysed include the linguistic and pragmatic issues of translation comparative stylistics and poetics and non textual factors like the translator's beliefs and the political and ideological aspects of translation Using a broad theoretical framework the author highlights the difficulties of intercultural communication from linguistic semiotic stylistic poetic ethical and sociocultural perspectives Ultimately the author shares his reflections on the semiotic specificities of Rumi's mystical discourse and the ethics of translation generally The book will be valuable to scholars and students of Islamic philosophy Iranian studies and translation studies but will appeal to anyone interested in the cultural dichotomies of the West and Islam

*The Literature of Islam* Paula Youngman Skreslet, Rebecca Skreslet, 2006-09-20 This book introduces the literature of Islam as it is presented in English translation For scholars in other fields who need to understand the vast and complex

literary heritage of this erudite and vigorous faith community but are unable to devote years of their lives to achieving a reading proficiency in classical Arabic for faculty members called upon to teach introductory or survey courses outside their own disciplines and for graduate students in theology medieval studies world religions or related fields who need access to these primary sources in English translation The Literature of Islam is a welcome resource Even lay readers who are interested in understanding the modern Arab or Islamic world may grasp something of the currents of thought and belief through the centuries that produced these important works which continue to exert a powerful influence upon Muslims today The primary literatures of Islam are normally classified into several areas of study the canonical literature the interpretation of scripture and tradition law theology philosophy history and mysticism Entries here are organized into these areas of study and represent the most significant texts from important trends in the discipline The volume also includes an extensive bibliography that lists the editions of primary sources analyzed in each chapter There are also some suggestions for secondary reading which might be helpful to a student seeking additional information about each genre of literature

*A Rumi Anthology* Jalāl al-Dīn Rūmī (Maulana),1995      **The Penguin Dictionary of Islam** Azim Nanji,2008-04-24 Islam today is a truly global faith yet it remains somewhat of an enigma to many of us Each and every day our newspapers are saturated with references to Islam Quran Taliban Hijab Fatwa Allah Sunni Jihad Shia the list goes on But how much do we really understand Are we in fact misunderstanding The Penguin Dictionary of Islam provides complete impartial answers It includes extensive coverage of the historical formations of the worldwide Muslim community and highlights key modern Muslim figures and events Understanding Islam is vital to understanding our world and this text is the definitive authority designed for both general and academic readers      Speech And Power Of Expression M. Fethullah Gülen,2010-07-16 Emphasizing the esthetic concerns of the Islamic civilization as well as underlining the true nature of the religion this insightful opus contains a collection of essays on the art of language from a revered contemporary scholar of Islam Written separately as lead articles for the Turkish literary magazine Yagmur the volume eloquently articulates the author s approach to speech as well as his definitions of poetry history and beauty all of which are deeply embroidered around the lacework of Islam With powerful emphasis on belief in God each essay addresses an important matter of language that aptly relates to the current state of affairs in the Muslim world and the nature of human existence in the 21st century as a whole      The Road Within Douglas S. McCarron,      **The Future That Brought Her Here** Deborah DeNicola,2009-04-01 A dynamic blend of history science psychology dreams and visions Deborah DeNicola s memoir is a compelling account of self discovery that is provocative and humble A poet dream analyst and college professor DeNicola writes about her struggle to live in the ordinary world of academia while honoring the competing call of the creative and the spiritual DeNicola s memoir shows her range of intellectual pursuits and spiritual experiences as she battles an inner war between depressive cynicism and faith and shares her lifelong search to heal the trauma of her father s tragic death when she was a teenager Struggles between cynicism and

faith depression and hope independence and attachment creativity and financial security in the midst of spiritual searching motherhood teaching and writing are inextricably woven into the fabric of her story Sharing the process of her awakening and how dreams and visions guide her DeNicola stirs readers to listen courageously to their own inner voices Her visionary quest takes her to the American West Israel and Southern France Along the way she weaves together references from the Bible and the Gnostic Gospels the story of Mary Magdalene medieval history the Templar Knights the Black Madonnas String Theory and quantum physics to find the repeated linkage between divinity and humanity *Reliving Karbala* Syed Akbar Hyder, 2008-09-01 In 680 C E a small band of the Prophet Muhammads family and their followers led by his grandson Husain rose up in a rebellion against the ruling caliph Yazid The family and its supporters hopelessly outnumbered were massacred at Karbala in modern day Iraq The story of Karbala is the cornerstone of institutionalized devotion and mourning for millions of Shii Muslims Apart from its appeal to the Shii community invocations of Karbala have also come to govern mystical and reformist discourses in the larger Muslim world Indeed Karbala even serves as the archetypal resistance and devotional symbol for many non Muslims Until now though little scholarly attention has been given to the widespread and varied employment of the Karbala event In *Reliving Karbala* Syed Akbar Hyder examines the myriad ways that the Karbala symbol has provided inspiration in South Asia home to the worlds largest Muslim population Rather than a unified reading of Islam Hyder reveals multiple sometimes conflicting understandings of the meaning of Islamic religious symbols like Karbala He ventures beyond traditional scriptural interpretations to discuss the ways in which millions of very human adherents express and practice their beliefs By using a panoramic array of sources including musical performances interviews nationalist drama and other literary forms Hyder traces the evolution of this story from its earliest historical origins to the beginning of the twenty first century Today Karbala serves as a celebration of martyrdom a source of personal and communal identity and even a tool for political protest and struggle Hyder explores how issues related to gender genre popular culture class and migrancy bear on the cultivation of religious symbols He assesses the manner in which religious language and identities are negotiated across contexts and continents At a time when words like martyrdom jihad and Shiism are being used and misused for political reasons this book provides much needed scholarly redress Through his multifaceted examination of this seminal event in Islamic history Hyder offers an original complex and nuanced view of religious symbols *The American Institute of Iranian Studies* Erica Ehrenberg, 2025-06-17 The American Institute of Iranian Studies is devoted to fostering research in the field of Iranian studies and promoting scholarly exchange between the United States and Iran This collection of essays addresses the history and development of Iranian studies in the United States and the pivotal role of the Institute in furthering research in the field The purview of the Institute is vast covering Iranology the study of Iranian peoples and cultures both within and across regions of Central and South Asia and the Middle East where various forms of the Persian language are spoken In keeping with the Institute s dedication to facilitating research in Iran the chapters in this volume

represent fields of inquiry that have benefited from direct access to materials in the country The essays describe the founding and work of the Institute the emergence of Iranian studies in American universities the Encyclopaedia Iranica early archaeological research in Iran by the University of Pennsylvania and the University of Chicago the birth and development of American museum collections of art from Iran and case histories of areas of Iranian Studies that have been the traditional focus of Institute sponsored research including art history history philology religion and sociology The contributors to this volume are Ahmad Ashraf Shiva Balaghi Medhi Bozorgmehr Elton L Daniel Erica Ehrenberg Carl W Ernst Stephen C Fairbanks Prudence O Harper Linda Komaroff Judith A Lerner Franklin D Lewis Beatrice Forbes Manz Alessandro Pezzati Holly Pittman D T Potts Richard L Spees Mathew W Stolper Keyvan Tabari and Christopher Thorton

**John Hick** John Hick, 2014-10-01 From Yorkshire schoolboy to philosopher and theologian of International renown John Hick tells his life story in this warm and absorbing autobiography Painting a vivid picture of Twentieth century society from 1950s America to racial tensions in England and in apartheid era South Africa he recounts the events that have shaped his life including his early conversion to evangelical Christianity his role as a conscientious objector in the Second World War and his gradual often controversial move towards a religious pluralism embracing all the world faiths This thoughtful reflection on the changing face of religion and insight into one man's spiritual and intellectual journey will appeal to any concerned with the great human questions from belief in the Transcendent to the role of faith and the nature of death and beyond

**Muslims and American Popular Culture** Anne R. Richards, Iraj Omidvar, 2014-02-10 Offering readers an engaging accessible and balanced account of the contributions of American Muslims to the contemporary United States this important book serves to clarify misrepresentations and misunderstandings regarding Muslim Americans and Islam Unfortunately American mass media representations of Muslims whether in news or entertainment are typically negative and one dimensional As a result Muslims are frequently viewed

negatively by those with minimal knowledge of Islam in America This accessible two volume work will help readers to construct an accurate framework for understanding the presence and depictions of Muslims in American society These volumes discuss a uniquely broad array of key topics in American popular culture including jihad and jihadis the hejab veil and burka Islamophobia Oriental despots Arabs Muslims in the media and mosque burnings Muslims and American Popular Culture offers more than 40 chapters that serve to debunk the overwhelmingly negative associations of Islam in American popular culture and illustrate the tremendous contributions of Muslims to the United States across an extended historical period

**Nowhere Land** A.W. Hill, 2009-06-01 After a young member of the Jehovah's Witness Church is abducted in conjunction with a ritualistic triple homicide in the mountains outside of Los Angeles the church engages cult specialist Stephan Raszer to find her perilous trail Based on evidence that the girl may have been trafficked into a sex and terrorism ring with a Middle Eastern nexus Raszer soon unveils an inside out reality that begins on the Internet and ends in a fabled fortress on the borderlands of Turkey Iran and Iraq where a powerful figure known only as the Old Man is said to hold the strings With the dubious aid of the abductee's wayward sister along with a renegade CIA agent and a fraternity of sojourning gamesters Raszer journeys far from the rational world and deep into a dangerous and erotically charged netherland Piece by piece he gathers evidence of a world altering criminal conspiracy linked to an ancient Persian sect that uses an Internet role playing game to recruit its foot soldiers To solve the puzzle and find the girl Stephan Raszer must play the game and try to hold on to his soul and his sanity in a world turned on its head

**Beshara and Ibn 'Arabi** Suha Taji-Farouki, 2007-11-01 Investigating sufi inspired spirituality in the modern world this multi faceted and interdisciplinary volume focuses on Beshara a spiritual movement that applies the teachings of Ibn Arabi in a non Muslim context It traces the movement's emergence in sixties Britain and analyses its major teachings and practices exploring through this case study the interface between sufism and the New Age and the encounter between Islam and the West Examining from a global perspective the impact of cultural transformations associated with modernization and globalization on religion this timely volume concludes by tracing possible futures of sufi spirituality both in the West and in the Muslim world

**Mystics** William Harmless, 2008 Mystics are path breaking religious practitioners who claim to have experience the infinite word defying Mystery that is God Many have been gifted writers with an uncanny ability to communicate the great realities of life with both a theologian's precision and a poet's lyricism They use words to jolt us into recognizing ineffable mysteries surging beneath the surface of our lives and within the depths of our hearts and by their artistry can awaken us to see and savor fugitive glimpses of a God drenched world In *Mystics* William Harmless S J introduces readers to the scholarly study of mysticism He explores both mystics extraordinary lives and their no less extraordinary writings using a unique case study method centered on detailed examinations of six major Christian mystics Thomas Merton Bernard of Clairvaux Hildegard of Bingen Bonaventure Meister Eckhart and Evagrius Ponticus Rather than presenting mysticism as a subtle web of psychological or theological abstractions Harmless's

case study approach brings things down to earth restoring mystics to their historical context Harmless highlights the pungent diversity of mystical experiences and mystical theologies Stepping beyond Christianity he also explores mystical elements within Islam and Buddhism offering a chapter on the popular Sufi poet Rumi and one on the famous Japanese Zen master Dogen Harmless concludes with an overview of the century long scholarly conversation on mysticism and offers a unique multifaceted optic for understanding mystics their communities and their writings Geared toward a wide audience Mystics balances state of the art scholarship with accessible lucid prose
