from room to room helping us meet different aspects of our self our soul and our spirit preparing us for the ultimate encounter with God and our own divinity Through intense practices and methods of spiritual inquiry adapted for contemporary life she helps us to develop our personal powers of prayer contemplation and intuition and to ascend the seven levels of soul knowledge that build an ever stronger interior castle of our own a soul of strength and stamina As in all her books Myss also recounts stories of profoundly moving real life experiences of her own as well as of her students and of renowned spiritual figures that bring home the universal truth of her insights Presiding over the entire book and journey are the great mystics ancient and contemporary of Christianity Judaism Islam and Hinduism with their inspiring lives and discerning spirits And over all the benevolence truth and gentle and tough love of Teresa of vila shine through Doubtless Myss s most deeply personal revealing compassionate and transforming book yet *Entering the Castle* is a comprehensive guidebook for the journey of your life a journey into the center of your soul There peace God and a fearless bliss wait for you to discover them and claim them for your own
