BOOK JACKET *The Problems of ethnic female Adolescents as portrayed in Toni Morrison's "The Bluest Eye", Maxine Hong Kingston's "The Woman Warrior", Sandra Cisneros' "The House on Mango Street"* Anna Watorczyk,2005-09-26

Inhaltsangabe Abstract African American Chinese American and Mexican American female adolescents are representatives of minority groups in the United States The three groups of ethnic girls were assigned derogative stereotypes by many Euro American writers who did not portray their characters authentically The modern female ethnic authors undertake the battle with stereotypes that are the main source of girls problems They attempt to convince the reader that the lives of young girls cannot be interpreted according to offending images imposed on them This thesis aims to draw attention to the problems encountered by female ethnic adolescents in Toni Morrison s *The Bluest Eye* 1970 Maxine Hong Kingston s *The Woman Warrior* 1976 Sandra Cisneros *The House on Mango Street* 1984 and to portray their survival or collapse in American society Each of the books presented in the present study is a masterpiece of great literary value Toni Morrison was awarded the Nobel Prize for literature in 1993 Sandra Cisneros was the winner of the 1985 Before Columbus American Book Award Maxine Kingston won the National Book Critics Award with *The Woman Warrior* which was designated as non fiction in 1976 All of these books contribute significantly to the study of ethnic female adolescents The books chosen for the purpose of this thesis portray girls in an adolescent period The adolescents presented in this study are aged between ten and twenty one and are socially economically and politically dependent on their parents or guardians To further complicate matters the experiences of girls of colour are more complex than those encountered by white adolescents As the typical conflicts within the family problems with gender sexual development education and friends are juxtaposed with issues of racism and very often a lower social status In the light of these facts it does not come as a surprise that many ethnic adolescent girls have problems finding their self The first section of the initial chapter of this thesis takes into consideration the stereotypical image of Euro American adolescent girl as it often serves as a contradiction of the popular images of ethnic girls Furthermore the chapter examines stereotypes of African American Chinese American and Mexican American adolescents Despite their variety the stereotypes are the cause of girls victimisation in society The five following chapters analyse the problems more often *Murder in the Vatican* Lucien Gregoire,2008 *Murder in the Vatican* is two books in one book The

Revolutionary Life of John Paul the only existing biography of the 33 day Pope and The CIA Opus Dei and the 1978 Murders Why two books in one book Unless one understands the mystery of his life something the Vatican prefers to keep secret The Secret Life of John Paul one will never understand the mystery of his unwitnessed death This book is in its fourth edition In that time I have changed little of what I have said about this good man s life other than to expand my account in this new edition to include stories of his childhood and his young life as a seminarian and as a priest Yet the mystery of his death and the deaths of those around him has involved an investigative process that has taken me to Italy and elsewhere in the world many times and spanned many years I knew much more five years ago than I knew five years before that and I knew much more two years ago than I knew five years before that and I know much more today than I did then Here for the first time is the proof How John Paul and those around him fell victim to twentieth century capitalism as it was jointly embraced by the Vatican and the United States BEWARE OF THE USED BOOK MARKET 2003 2005 and 2006 editions do not include the complete biography or the solution to the murders Only this 404 page 2008 edition includes both compete books
