Johnstone,2016-06-28 Long before there was a mountain man called Preacher a young adventurer set off with a team of fur traders from St Louis for the time of his life On a wild frontier he sought a fortune Instead he found blood betrayal and the beginning of a legend Armed only with a knife surrounded by a fierce Blackfoot war party the young man was forced to kill a warrior chief in an act of audacious courage But when a grizzly bear attack left him half dead he could no longer protect himself By the time the Blackfeet found him again he had been abandoned and doublecrossed with only one last trick up his sleeve the ability to talk himself out of an impossible situation and into a battle for his life So began William Johnstone's masterful saga of the courageous loner who would become known as Preacher Because when he was alone and desperate he drew on a preacher's skills and a mountain man's cunning to give his enemies hell Two Trains Running Andrew Vachss,2006-06-06 In his most original and compelling book yet Andrew Vachss presents an electrifying tale of corruption in a devastated mill town It is 1959 a moment in history when the clandestine powerful forces that will shape America to the present day are about to collide Walker Dett is a hired gun known for using the most extreme measures to accomplish his missions Royal Beaumont is the hillbilly boss who turned Locke City from a dying town into a thriving vice capital But organized crime outsiders are moving in on Beaumont's turf so he reaches out for Dett in a high risk move to maintain his power at all costs Add a rival Irish political machine a deeply entrenched neo Nazi party the nascent black power movement turf disputing juvenile gangs a muck raking journalist who doubles as a blackmailer the FBI a covert observer and occasional participant which may itself be under surveillance and Locke City is about as stable as a nitroglycerin truck stalled on the railroad tracks Pulpit Themes, and Preacher's Assistant N.
