Look What's Missing! David W. Daniels,2011 Publishers are removing things from new Bibles Publishers of modern Bible versions have been removing words phrases and even whole verses but their readers are often unaware of it Few people know the Bible well enough to notice when something has been taken out But the results are hard to believe The removal of one tiny word turns Jesus into a liar Callers into Christian talk shows have even used this to say that it s okay for a Christian to lie After all they say Jesus did it A verse that s completely missing from some of the most popular Bibles available today completely removes one of the basic doctrines found in every evangelical church When David Daniels shows this one to people they just stand with their mouths open and say I can t believe it In another case Jesus own words are removed taking out a famous phrase in which Jesus explains why He came to earth People react with They took out Jesus words How can they do that This information has been right under our noses for years but no one has ever taken the time to cull through this many Bible versions and find the missing parts Author David Daniels did the research and now releases his results for the Christian world to see what is really missing How about your Bible Is it on the list of Bibles with pieces taken out You might be surprised when you look at what s missing

Remix and Life Hack in Hip Hop Michael B. MacDonald,2016-07-15

Many hiphoppas labour to sustain Hiphop Kulture in their communities far from the big stages world tours and hit singles enjoyed by a shockingly few American hiphoppas The creative labour of these few mega stars is calculated in billions of dollars But for most hiphoppas their creative labour may never get expressed in economic terms Instead it is expressed in social capital the production of collective and individual subjectivities the bonds of love that build and hold communities together and the healing of broken hearts broken homes and broken neighborhoods in broken cities Hiphop Kulture is NOT a music genre it is MUCH more and exploring how the sharing of aesthetic resources builds community and how situated learning plays a necessary role in cultural sustainability draws out questions that may lead to a model of community located cultural education and a starting point for a critical pedagogy of music I ain t going to front academics talking about hiphop scares me and often pisses me off I m protective about this culture like it s my own baby because it s meant so much to me

and my close friends In my less angry moments I do appreciate the fact that this culture still has so much to give to the rest of the world and that the next level is what we give back Well we need allies in this complex world to move things forward As I ve gotten to know Michael I consider him such an Ally and that his intent is firmly squared in empowering cats in the front lines I also really dig the fact that he is committed to helping document the histories of those who laid the groundwork in the Edmonton scene This is the respectful place to start I look forward to bearing witness to Grass roots Hip hop reclaiming its voice and being at the forefront with academics supporting their community efforts Stephen Buddha Leafloor Founder of the Canadian Floor Masters Founder of Blueprintforlife ca Ashoka Fellow Social Worker and an aging bboy Dr Michael B MacDonald s research into Hip Hop s pedagogical ingenuity have not only led us to the grassroots of Hip Hop s rich and vibrant global culture but to the very Ethos of Hip hop With bold examination this exciting research stands at the forefront of contemporary post colonial Hip hop literature Andre Hamilton aka Dre Pharoh Executive Director Cipher5 Hip hop Academy Temple of HipHop Canada [Comprehensive Calendar of Bicentennial Events](#) ,1976-02 [Comprehensive Calendar of Bicentennial Events](#) American Revolution Bicentennial Administration,1976-02 [Six in Green](#) Von Black,2010-09-22 Benji is a man who escapes from the grips of the law after a long run of illegal activity to a simple family life He marries the love of his life buys a home has a baby boy and starts a business Problem is he really needs to make one more deal in order to sustain his lifestyle On his way back out of the game though there are those who have other thoughts for all the money he raked in A plot to rob him comes to his attention but with all that he has established theres no way he can run He must take his stand and hope to survive Meanwhile his ex is stalking his wife and a rival street gang is bent on doing away with his whole crew All the while there are forces lurking in the background influencing events Benjis newborn becomes the focus of prophetic fulfillment and the target of these wicked spirits who become bent on doing away with him before he can ever grow up to fulfill anything How will Benji protect himself sustain his crew shield his wife and save his child God help him

Porfilio,Julie Gorlewski,Paul R. Carr,2014-06-20 Currently both the status quo of public education and the No Excuses Reform policies are identical The reform offers a popular and compelling narrative based on the meritocracy and rugged individualism myths that are supposed to define American idealism This volume will refute this ideology by proposing Social Context Reform a term coined by Paul Thomas which argues for educational change within a larger plan to reform social inequity such as access to health care food higher employment better wages and job security Since the accountability era in the early 1980s policy public discourse media coverage and scholarly works have focused primarily on reforming schools themselves Here the evidence that school only reform does not work is combined with a bold argument to expand the discourse and policy surrounding education reform to include how social school and classroom reform must work in unison to achieve goals of democracy equity and opportunity both in and through public education This volume will include a wide variety of essays from leading critical scholars addressing the complex elements of social context reform all of which address the need to re conceptualize accountability and to seek equity and opportunity in social and education reform *Reconnected Parenting* Emma Johnston,Eleanor Mann,2025-09-16 This book takes parents from feeling disconnected to reconnecting with their true authentic center so they can be free to respond the way they really want to and create a life of ease consciousness and enjoyment in their family life Most of us are self aware know a lot about parenting and already have a lot of tools in our toolbox We know our triggers and when they are triggered we know about regulation and we even have lists of scripts and are knowledgeable about what experts think we should do and say in those moments And yet when it comes down to it in the moment of stress we can t seem to actually make a difference in the way we respond Reconnected Parenting is a guide to help parents do better in the moments that count and it shows readers how understanding the nervous system and using our breath to rewire our reactions from our body up creates deep lasting change You will be taken on a journey through the science behind the nervous system and how this is holistically linked to connecting to our truest and most spiritual selves **Congressional Record** United States.
