Runaway Magic:

My Next Life as a Villainess: All Routes Lead to Doom! Volume 13 (Light Novel) Satoru Yamaguchi, 2024-12-20
Katarina Claes thought she was finally done dodging the Catastrophic Bad Ends of the otome game whose doomed antagonist she reincarnated as but then she found out about the game's sequel While holding down a steady job at the Magical Ministry she's also sidestepping various risky events between the game's protagonist Maria and the cast of romanceable characters who work alongside them at the Ministry One day Katarina receives some shocking news Cezar Dahl prince of Ethenell and one of the hidden romanceable characters is returning to Sorci to learn more about the customs of such a prosperous kingdom Wouldn't it be a pity if Katarina had to avoid Cezar too They got along so well the last time they met But Cezar has come to investigate more than just Sorci's government and culture After all there's still a conspiracy of Dark Magic at large

Magic Systems Hugo Raines, AI, 2025-05-05 Magic Systems explores the art of crafting compelling magic systems in fantasy fiction arguing that a well-defined system is crucial for effective storytelling The book emphasizes the importance of internal consistency limitations and logical implementation to create immersive worlds and compelling narratives It examines how magic systems influence plot character development and world building highlighting that the most successful systems seamlessly integrate into the narrative For instance the book shows how carefully considered magic mechanics can drive character motivations and reflect the values of the fictional world The book progresses step by step introducing core principles like hard and soft magic while exploring how to define limits costs and consistent mechanics It uses examples from fantasy literature game design linguistics and cognitive science to provide a nuanced perspective on magic system design One interesting fact is that consistent magic systems contribute to a reader's suspension of disbelief The book offers practical strategies and exercises for writers and game designers to create their own systems enhancing the believability and narrative power of their stories

The Greek Magical Papyri in Translation, Including the Demotic Spells, Volume 1 Hans Dieter Betz, 1986 The Greek magical papyri is a collection of magical spells and formulas hymns and rituals from Greco-Roman Egypt dating from the second century B.C. to the fifth century A.D. Containing a fresh translation of the Greek papyri as well as Coptic and Demotic texts this new translation has been brought up to date and is now the most comprehensive collection of this literature and the first ever in English The Greek Magical Papyri in Translation is an invaluable resource for scholars in a wide variety of fields from the history of religions to the classical languages and literatures and it will fascinate those with a general interest in the occult and the history of magic One of the major achievements of classical and related scholarship over the last decade Ioan P. Culianu Journal for the Study of Judaism The enormous value of this new volume lies in the fact that these texts will now be available to a much wider audience of readers including historians or religion anthropologists and psychologists John G. Gager Journal of Religion This book shows care skill and zest Any worker in the field will welcome this sterling performance Peter Parsons Times Literary Supplement
