Winter's Stormy Rage Ralph Hunter, 2001-06-28 In *Autumns Dancing Leaves* we met Eddie an abused and neglected kid whose personality fractured to create Randy when he reached a point where he could no longer cope with the trauma in his life Randy defiant and determined undertook the crusade of becoming Eddies champion endeavoring to save him from his abusers and all who were a threat to him Because of Randys effectiveness Eddies mind decided it was possible to enjoy the life that Randy insured that being involved with the world was preferable to merely surviving the lifetime Eddies mind then developed Jesse from unused personality traits Jesse an aesthetic personality believed his goal was to interact with people and the world to find missing elements in Eddies life and use his experiences to bring balance to the life he shared with Eddie and Randy Randy and Jesse believed they were moving closer to what they saw as a normal life exposing Eddie to the things they thought determined quality of life But Jesse made a mistake he felt would be devastating for Eddie Randy responded by deciding to take them away from an environment he saw as detrimental *Winters Stormy Rage* picks up the story with Randy on the road looking for a new life a new place where they can settle down He travels to Kansas City to an old neighborhood where he is exposed to other runaway kids surviving on the streets and those he calls societys undesirables From there he makes his way west toward the coast stopping along the way for a time with a biker gang that picks him up alongside the highway A series of tragedies convinces Randy that they dont have a chance of success in trying to attain a new life With that realization he turns to drugs and alcohol which keep him numb and muddled preventing him from sorting out the truth When he hits a low point Jesse takes over to lead them for a time a role in which hes not comfortable Jesse catches a ride on the highway with Marcella a female impersonator who declares herself to be an entertainer Marcella takes him to San Diego where he meets the colorful crowd Marcella associates with While Jesse is struggling to cope with the role of directing their life Randy keeps showing up still wrestling with substance abuse problems Jesse fears Randy could be a threat to their existence He decides he must seek help for them but that would entail telling someone the secret of their life a secret they had always sought to conceal *Winter s Stormy Rage* follows the three facets of Eddie through their struggles through the setbacks and the successes in the complex life they shared from a bleak beginning to a promising conclusion Author Biography Communication with Readers PROLOGUE Prior *Autumns Dancing Leaves* Eddie was born not favoring anyone in his family which created problems between his parents His mother irrationally blamed him When he was five years old Evelyn sought to punish him by loaning him to pedophile men As a result he was abused by the companions and neglected by his mother Intelligent with heightened abilities in logic and reasoning little Eddie attempted to rationalize his situation in an effort to keep the abuse in an acceptable perspective that would allow him to cope with it He struggled with the increasing severity of the abuse but by age eleven he could no longer handle the circumstances of his life Gravely depressed he decided

his only escape would be to die that by conscious will he could simply resolve to give up life and cease to exist Eddie's mind alerted to his decision was determined to survive believing the ultimate goal for any entity was to continue regardless of the form or quality of life Panicked at the threat of cessation his mind made a desperate decision it fractured his personality and created Randy from traits that had been repressed in Eddie Randy a tough defiant **Stuck in the Country with You** Zuri Day, 2024-12-24 Good fences make good neighbors except when a scorching shared past makes things complicated in this delightful city meets country romance from Zuri Day She's packing her bags and her baggage Ten years ago Genesis Washington made a very poor decision At the time it seemed great Fantastic Explosive But the truth is your one night rebound should never be your younger brother's rival And he definitely shouldn't be someone who allegedly only slept with you to gain the upper hand even if the sex was amazing Now Genesis is blindsided when the farm she's inherited just happens to be right next door to Jaxson King the regrettable one night stand she's still painfully attracted to This man has aged like the finest of wines and what's worse he's now a thoughtful and responsible father Good thing Genesis has a cough long distance cough boyfriend Well sort of It's complicated Jaxson and his hotness should be easy enough to ignore But when city girl Genesis discovers there's a serious learning curve to her humble new home it's Jaxson who's there to lend a very skilled helping hand With every problem that arises Jaxson is seemingly making all the right moves both on the farm and when things heat up behind closed doors But surely that doesn't mean he's right for Genesis does it From showing up to glowing up the characters in Afterglow Books are on the path to leading their best lives and finding sizzling romance along the way Don't miss any of these other fun titles Frenemy Fix Up by Yahrah St John The Devil in Blue Jeans by Stacey Kennedy Out of Office by A H Cunningham Church Girl by Naima Simone **The Improvement Era**, 1907 **Improvement Era**, 1907 *Run Away Home* Lois Carroll, 2022-03-15 Cara directs the movers to pack everything in the penthouse so they can pick it up the next day Exhausted she falls asleep remembering forty years ago when she was a private investigator of white collar crime and took on an industrial theft case she could not forget She had been a childhood friend of the company owner's son James The year she entered college he left town without telling her Despite her trying to forget him she still cares deeply for him He returns to town but worries that her job is too dangerous Insisting on helping on the case at his company his actions put them in jeopardy when they face a gun in the criminal's hands When a gun goes off their lives are changed forever **Mr. Monk and the New Lieutenant** Hy Conrad, 2015-05-05 Welcome to the series of original mysteries starring Adrian Monk the brilliant investigator who always knows when something's out of place Monk and Natalie have finally settled into a new office routine but the detectives soon have another problem to deal with Captain Stottlemeyer's new lieutenant A J Thurman a man of limited skills whom Monk finds insufferable Despite Thurman's presence Monk and Natalie attend the funeral of Judge Oberlin and it's a good thing In typical fashion Monk examines the body in the casket and finds evidence of poison The judge was murdered When Captain Stottlemeyer shows the same symptoms the judge had shown

Monk detects the work of a diabolical killer who wants both men dead With his friend in danger and an enemy close Monk will have to put his reservations aside to crack the case in time God Bless Us, Every One! David R. Coombs,2024-06-18 Caution Literature purists may be offended God Bless Us Every One cannot be called a sequel to Charles Dickens A Christmas Carol because it s different from the classic in too many ways Yet it does use it as backstory The opening scene mirrors the first paragraphs of A Christmas Carol by reporting the death of Scrooge in a similar fashion to Dickens s announcement of the death of Marley Coombs extends the wordplay furthering the jokes Dickens makes to set the tone for the book And he borrows other tropes and style features from Dickens for comic effect surreal grotesque characters with suggestive names populate this novel rife with puns and malapropisms of all types The style of God Bless Us Every One might be described as faux Dickensian but the work draws inspiration from a long line of humorists right up to today s edgiest writers It s a trenchant satire that mocks cultural norms genre fiction predatory capitalism ethnic stereotyping and religion all through the vehicle of a ludicrous storyline of dark comic fantasy Tiny Tim is the atypical hero of the story Reduced to a vegetative state he becomes an empath with the magical ability of picking up emotions from others then radiating them out into the world Without a will of his own he becomes a tool of unscrupulous people who use him to manipulate markets and political sentiment often to disastrous ends Visions of Evil Charles L. Harris,2012-05 Visions of Evil The Whitehouse Conspiracy is captivating Once again Harris writing style has captured the shady side of Washington but this time he centers on the misuse of power by elected gatekeepers in the Whitehouse who were selected originally to be our protectors Ron McKinley Special Operations Offi cer Far East Retired Harris has another page turner His writing puts you in the middle of the action and keeps you there while taking you on a journey through rural South Texas where he grew up It leaves you anxiously waiting for the sequel K J Kane Editor Desert Winds **Lost in Willipaq** Rob Hunter,2008-09 Forays into the Fantastic Sci Fi and Fantasy Slipstream and Magical Realism Previously published stories by the author You are invited to browse the complete compendium of lovers losers and part time demons I m glad to have you as a reader Enjoy
