Running Wide Open Lisa Nowak, 2011-06-02 Cody Everett has a temper as hot as the inside of a combustion chamber and it's landed him at his uncle's trailer a last chance home before military school But how can he take the guy seriously when he calls himself Race eats Twinkies for breakfast and pals around with rednecks who drive in circles every Saturday night The last thing Cody expects is for Race to become the friend and mentor he's been looking for all his life But just as he begins to settle in and get a handle on his supercharged temper a crisis sends his life spinning out of control Everything he's come to care about is threatened and he's forced to choose between falling back on his old familiar anger or stepping up to prove his loyalty to the only person he's ever dared trust Named one of BookBub's 6 Seriously Awesome YA Books Even Adults Can Get Into and praised by teachers as perfect for reluctant readers *Running Wide Open* is a feel good story you'll remember long after you finish the last page Great for fans of Chris Crutcher Laurie Halse Anderson and John Green Nowak capably depicts a realistic likable teenager with typical teenager flaws An endearing story about a teenager his mentor and what a difference true unselfish love can make Kirkus Reviews The roar of engines practically explodes off the page in this compelling heart thumping debut Cody Everett is a straight shooter with attitude smarts and whip cracking wit he doesn't pull any punches and neither does author Lisa Nowak The collision of Cody and the world of stock car racing makes for a great story one of the best I've read in a long time *Running Wide Open* is a book not to be missed Christine Fletcher author of *Tallulah Falls* and *Ten Cents a Dance* I thoroughly enjoy Lisa Nowak's books and have especially enjoyed using her *Full Throttle* series in working with my students The characters are all so believable and definitely relatable to adolescents I find that the lessons they learn are valuable and at times similar to things my students are dealing with In one student's case I was able to draw from situations in the books to use as comparisons and possible solutions It was great to not have to lecture Linda Ryan School Counselor Londonderry H S Book 1 in the *Full Throttle* Series

mother at age six and is encouraged to chronicle the major events of his life as they happen. As he grows in age, the harsh reality of life sets in, and the storyline takes a serious turn. Somewhere along the way he becomes overwhelmed and turns to God, seeking the strength and courage to endure. He soon realizes that his faith in God is about the only thing he can rely on with any consistency. This story is a testament to the human spirit and how resilient kids really are, especially poor ones. This is a Tour de Force on how God really can move mountains if you believe in Him. It doesn't matter if you're rich or poor, man or woman, boy or girl, young or old; there is something in this book for you. Join Reamus, his family, and his wild friends on this incredible journey through childhood and into adolescence. Along the way, you may discover that this story is as much about you as it is him.
