Run Before the Rain Michael Vetter, 2012-10-16 Sixteen hundred years before the Earth changes forever a zoologist receives an important message from God that a supernatural event is imminent God is angry with mankind's evil and will destroy every breathing creature on Earth Told by God to build a ship that will carry him and his family safely away from a global deluge of water Noah struggles to warn civilization to no avail Unfortunately he is up against the evil Emperor Anak and his Cainite officials who are determined to stop the construction of Noah's ark at all cost Under God's ever watchful presence Noah his grandfather Methuselah and his son Japheth devote their lives to completing the massive project even as the water vapor canopy suspended above the atmosphere begins its steady inevitable plunge downward The Book of Adam which contains sacred prophecies of God's work to come and proves that what Noah is preaching is true appears to be lost forever unless Japheth can continue the search his grandfather started ages ago and find the book before time runs out In this fast paced Christian adventure a biblical family must put into practice unforgettable lessons of courage faith and self sacrifice as they attempt to escape an evil world with nothing more than an ark and a promise from God *Salt Run*

Christopher Gallen, 2003-04-29 Luke Fisher surfs by morning and attends classes at Flagler College by day He passes out at the ghastly sight of what he finds on the beach one morning and quickly becomes the prime suspect in a crime that rocks the college and the small town community of St Augustine Florida When former Maine state judge Rick Derlax's do the crime do the time philosophy catches up with him he escapes to the small coastal town to begin a new career as a professor The Judge has a passion for teaching justice at all costs but instead is handed his own sentence in a crime against humanity Salvador Deaz a released convict who is frustrated by his small time drug trafficking finds himself dealing with a madcap cast of characters that only the backdrop of northern Florida culture can provide Gallen keeps handing you plot lines that keep you guessing and laughing at the same time Colorful characters fast paced dialogue and memorable absurdities make this dark comedy of errors a great read If you like the works of Carl Hiaasen Tim Dorsey and John MacDonald you'll love this intensely fun read from new author Chris Gallen **Mia North FBI Suspense Thriller Bundle: See Her Run (#1), See Her Hide (#2), and See Her Scream (#3)**

Rylie Dark, 2022-04-21 A bundle of books 1 SEE HER RUN 2 SEE HER HIDE and 3 SEE HER SCREAM in Rylie Dark's Mia North FBI Suspense Thriller series This bundle offers books one two and three in one convenient file with over 100 000 words of reading Special Agent Mia North is a rising star in the FBI until in an elaborate setup she's framed for murder and sentenced to prison When a lucky break allows her to escape Mia finds herself a fugitive on the run and on the wrong side of the law for the first time in her life She can't see her young daughter and she has no hope of returning to her former life The only way to get her life back she realizes is to hunt down whoever framed her In SEE HER RUN Book 1 a diabolical killer that Mia once put behind bars is freed on parole He taunts her while she's in prison now on the other side of the Visitor glass and boasts of a murder he is about to commit Mia locked in jail will be helpless to stop it

With time running out Mia must use her sharpest instincts to escape evade the law and stop him before he claims his next victim Can she hunt down the killer and save the victim and herself Will she find herself back in jail Or worse at the mercy of a killer without any backup In SEE HER HIDE Book 2 Mia s former partner desperately needs her help high school soccer players are turning up dead in neighboring towns with no rhyme or reason Mia may be the only one who can solve it But her position is tenuous and she has no one to back her up Might she working alone and racing against the clock stumble right into the killer s hands Can she find and stop the killer and figure out who framed her before she is caught by the U S Marshals In SEE HER SCREAM Book 3 Mia still on the run is summoned by her ex partner when a new apparent serial killer surfaces The new case will lead her working in the shadows to a creepy commune in the Southwest where red herrings abound Mia knows her only hope of getting answers is to infiltrate the commune but its members aren t exactly welcoming Worse Mia is desperate to contact her daughter but the U S Marshals are getting closer As she turns up a shocking revelation and inches close to figuring out who framed her the noose is closing in Can Mia solve the case in time to escape herself An action packed page turner the MIA NORTH series is a riveting crime thriller jammed with suspense surprises and twists and turns that you won t see coming Fall in love with this brilliant new female protagonist and you ll be turning pages late into the night Books 4 6 in the series SEE HER VANISH SEE HER GONE and SEE HER DEAD are now also available

Creative Fitness Henry B. Biller, 2002-05-30 Biller integrates research about exercise nutrition and health within an applied developmental psychological framework Readers are presented with ways of making fitness an enjoyable and positive force in their daily lives Although a major focus is on how to get in shape Biller's primary mission is to encourage a healthy lifestyle that enriches self awareness and personal growth The goal is not just to facilitate physical fitness but to enhance overall life satisfaction The book's uniqueness accordingly lies in its ability to help individuals develop a creative playful approach to fitness in all spheres of their lives While some readers are just beginning to think about fitness because of a desire to lose weight and improve their appearance others are more interested in refining their athletic skills or achieving a greater balance in their daily activities Dedicated exercisers often are striving for new routines and ways to prevent burnout Many parents moreover are searching for activities to help their children as well as themselves become more fit Older individuals are especially likely to be concerned about staying healthy and avoiding physical dependence as they age Biller speaks to all these concerns and all these groups by providing an approach to getting in shape that enriches self understanding and mental vitality

**Set a Course for Freedom** William K. Lewis, 2000-03-27 Set A Course For Freedom is a story of young America on the threshold of revolution Though the story itself is fictional it is woven into the fabric of actual historic events The characters are meant to portray the differing personalities and attitudes of those living in that period and the conflicts and difficult choices they had to make Christopher Hall the twenty one year old son of a Maryland fisherman finds himself drawn into the conflict as his homeland drifts further and further away from Mother England In this book the first of a series Christopher sets out in May of 1774 to find his missing brother in law who is a member of the Maryland Committee of Correspondence Before he can succeed Christopher is captured by a press gang and is forced to serve in the British Navy The following year when war between England and the Colonies appears inevitable Christopher realizes he cannot remain on the British ship With the aid of a sympathetic shipmate he makes his escape but nearly loses his life in the process He is saved by Captain Pierce a blockade runner and is nursed back to health by the captain's family Christopher accompanies Captain Pierce on his next run in an attempt to work his way home However a tragic encounter with a British warship forces Captain Pierce to put into port at Newport There an old friend convinces him to arm his vessel and take up privateering Christopher joins him in this endeavor which leads to the capture of a British mail packet and information that his brother in law Thomas is being held prisoner in Boston They return to Squansett and with the help of local patriots an ingenious rescue is planned and executed As Christopher is drawn into both adventure and romance he finds he must grapple with several conflicts between his loyalty to the King and the land of his birth between his family's needs at home and the need to go search for his brother in law and between his passions and his upbringing Subsequent

books will describe Christopher's adventures in America's infant navy and his growth as a naval officer. Although the U.S. Navy got off to a rather shaky start, it was in the period 1774 to 1812 that we were engaged in our War of Independence, the Quasi War with France, the war with Tripoli, and the second war with Great Britain, the War of 1812. It was this period that produced our first naval heroes and many of the naval traditions still celebrated today. It is my hope the reader will develop an increased appreciation for the people of that period, their struggles, and their sacrifices. They set the course for freedom.
