Running From The Deity:

Running from the Deity Alan Dean Foster, 2005-10-25 From science fiction legend Alan Dean Foster comes a thrilling Pip and Flinx adventure wherein a certain red haired green eyed young man blessed or cursed with strange powers finds himself and his mini dragon sidekick on a top secret mission concerning deep space alien worlds and a primordial horror intent on devouring all of it In the outer depths of the universe lies the Great Emptiness where something dreadful lurks hidden behind a great gravitational lens of dark matter Something horrific that howls and writhes and rages across three hundred million light years of space and is now heading straight for the Commonwealth and moving faster all the time One slim chance exists to avert catastrophe and only Flinx can take it Roaming the galaxy is a conscious planet size weapons system the legacy of a long extinct race As Flinx is the only one who has ever experienced mental contact with the machine it is his job to find the powerful alien artifact and coax it into joining the battle against the behemoth from beyond So Pip and Flinx valiantly sail into the unknown aboard their little spaceship which is immediately forced down for emergency repairs on planet Arrawd home to less advanced sentients and therefore off limits to space travelers But what with Arrawd being very beautiful and Flinx being Flinx this particular rule doesn't stand a chance Now Flinx is no stranger to murderous attacks and stalking assassins evading them occupies most of his waking hours but to be besieged by hordes bent on worshipping him as a god Worse still escaping this fate is going to be as impossible as fulfilling his dire mission What's a deity to do **Luther's Outlaw God** Steven D. Paulson, 2021-02-16 In this third of three volumes addressing Luther's outlaw God Steven D Paulson says that readers will embark on the deepest hardest and most glorious of all God's ways of hiding God hiding a third time in the preached word or sacraments The third time is the charm not because humans finally awaken and get the essence of God God's preached word is not an act of human understanding It is a purely passive experience of receiving God wholly and completely in the absolving word that comes through the lowliest means of a sinful preacher Not only does this word come through a creature to a creature but through a sinner to a sinner The difficulty with grasping all of this is that God works entirely outside his divine law an outlaw God Luther is the one who saw this more clearly than any other because it happened to him just this way The preacher got a preacher and the sacraments that had once been organized by a legal scheme were set free to reveal and bestow God in the most hidden place of all How much more hidden could God be than in water bread wine and the mouth of a preacher Paulson's grasp of historical theological and hermeneutical scholarship is on full display in this volume but always in service of proclamation of the gospel Readers and proclaimers prepare to be provoked enlightened and inspired **The Theosophical Path** Katherine Augusta Westcott Tingley, Gottfried Purucker, 1926 **God'S Thunder in the Sky** Max Roytenberg, 2011-11-28 Gods Thunder in the Sky presents a collection of poems offering a wide ranging exploration of the nature of faith in our contemporary environment from the point of view of octogenarian Max Roytenberg They in part represent his struggle to better understand the world around him He seeks to communicate his perceptions to

his fellow man in the hope that they strike responsive chords and represent some truths about our world that others can identify with

Written over a period of fifty years these verses sometimes challenge God sometimes offer appeals to God for his attention and sometimes offer warning about the cataclysm humanity faces through the absence of faith Throughout the collection the poetry seeks to command new ways of looking at life It focuses on the conflict in thought between the undeniable beauties and wonders of human existence and the horrors of the same as well as squaring this with the idea of the existence of a deity closely involved in human affairs

Gods Thunder in the Sky offers challenge humor puzzles to solve and rhymes to delight the ear as well as the mind

Unit 2 Water Like food insecurity water insecurity threatens human life and the earth s species of plants and animals Scripture uses the water motif in many ways Water is dangerous as it represents a metaphor for chaos historical enemies God s judgment devastation of drought stricken land and personal distress As well water is a gift from God for the flourishing of all creation refreshment for body and soul and source of eternal life embodied in Jesus Thirst for water and provision of water are metaphors for the human relationship with God Bible lessons in this unit are based on Genesis 21 Exodus 17 Psalm 42 John 7 and Matthew 25 Spiritual Practice Creation Care

Unit 3 Shelter In major cities and small towns across the country

many people have lived experience with homelessness One of the major causes of homelessness is rooted in childhood trauma Mental illness sometimes stemming from such trauma is another contributing factor among others Exploring the theme of shelter in Scripture cannot find ancient analogies for what today is becoming a crisis compounded by economic and social vulnerabilities Even so we can imagine and extrapolate based on related themes and texts that the physical security of home is a relevant theological construct then as now Although various texts may make it easy to rush to focus our attention on spiritual shelter in God s presence those who experience such a home in God find resources to extend hospitality and care through various means with those who today are experiencing homelessness Bible lessons in this unit are based on Exodus 29 Psalm 27 Deuteronomy 8 and John 1 Spiritual Practice Hospitality Visit AdultBibleStudies.com and sign up for the weekly newsletter to automatically receive the FREE Current Events Supplement and other information about these resources and more
