*The New Conch Republic Volume I* Steve Godsey, 2014-04 *The New Conch Republic* by Steve Godsey is a tale of turmoil which began with World War II and continued for centuries as the world evolved and expanded into deep space. Now it is not only humans but aliens alike who engage in this struggle to survive. This story takes place in deep space but is being chronicled by a group secretly known as Time Walkers, ones who travel through time to any place or time in the galaxy appearing human in form. They are rumored to have first appeared on Earth to stop an alien assassination plot to kill Adolf Hitler before his rise to power. While the timeline moves all the way to A.D. 3304 in deep space, so much action takes over the centuries as the story recounts many historic events that played out here on Earth. However, now a corrupt and greedy Shadow Government has taken over everything. Will the various human and alien empires come together to overthrow this evil, or will the battle rage on until only the strongest survive? About the Author: Steve Godsey is a native of Ohio and currently resides in Cincinnati. His interests include travel and sightseeing as well as reading historical books and watching DVDs. The author's purpose in writing this novel was to encourage present and future generations to take an interest in our planet and its problems before it is too late. It is also his hope that space exploration will continue so that we might know if we are in this galaxy alone or are there others out there.

Time Watcher Edward Underwood, 2017-09-12 Back when there were no white men and when the Indians were free, there existed no forces, no posted signs, and no government. But for a Choctaw tribe in present-day Louisiana, the bonds of family and community would provide all the order and safety they needed. *Time Watcher* tells the story of a young Choctaw boy whose spirit was different than all the rest, and it's a story about a young man who must eventually risk it all to save his family and his tribe. Opening with the details of young Time Watcher's idyllic life living with the land and learning native skills from his parents, a story of love, friendship, and adventure begins to unfold. Time Watcher must save his mother and his sister Mourning Dove and Little Dove from a warlike tribe of Cherokee Indians, and his quest to eventually become a medicine man is beset with pitfalls and challenges that he must overcome with his knowledge, courage, and determination. Join young Time Watcher and his tribesmen, friends, and family as they live with the land and join together in spirit, even coming together as warriors to defend themselves and neighboring tribes in battle.

*Sucker Bet* James Swain, 2004-06-01 A hardened ex-cop, Tony Valentine, now nabs hustlers who rob casinos and the Micanopy Indian Reservation Casino in South Florida desperately needs his expertise. A blackjack dealer has rigged a game, dealt a player eighty-four winning hands in a row, and then disappeared. But the missing dealer is part of an even bigger, far deadlier scheme. Valentine's trail leads him to Rico Blanco, a ruthless gangster who once worked for John Gotti, his shady, elusive partner in crime, Victor Marks, and a bombshell named Candy Hart, a hooker with dreams of love, a combination tailor made to double-cross. It appears they have a con going down involving a cocky, filthy rich Brit and his millions of dollars. Valentine's challenge is to figure out how all the pieces of the seamy puzzle fit together before his luck runs out and his life goes bust.
