christening gifts could be bestowed upon her for her protection and character development The ladies surrounding Rupert also known as Rowan the Romantic and Rowan the Rake don't care about some baby and don't hear anything about the mission because they're too busy sighing over him Crowd control is an obvious problem as is extricating Rupert from more than one involuntary engagement When at last the two with the help of dubious questing companions including a love stricken pink and purple dragon arrive at the theocracy of Gorequartz where the baby had been fostered out to a queen they find themselves in trouble of a completely different complexion Their most deadly nemesis is none other than a giant crystal god seemingly created in Rupert's own image
