Rural Landscapes And Communities Essays Presented To Desmond Mccourt:

Rural Landscapes and Communities Desmond McCourt, 1986 **The Ordnance Survey and Modern Irish Literature** C  il  n Parsons, 2016 The Ordnance Survey and Modern Irish Literature offers a fresh new look at the origins of literary modernism in Ireland Beginning with the archives of the Ordnance Survey which mapped Ireland between 1824 and 1846 the book argues that the roots of Irish modernism lie in the attempt by the Survey to produce a comprehensive archive of a land emerging rapidly into modernity Drawing on literary theory studies of space the history of cartography and Irish Studies the book paints a picture of Irish writing deeply engaged in the representation of the multi layered landscape and will appeal to students of Irish literature modernism Irish history mapshistory and theories of space and place A New History of Ireland, Volume VI W. E. Vaughan, 2010-04-01 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VI opens with a character study of the period followed by ten chapters of narrative history and a study of Ireland in 1914 It includes further chapters on the economy literature the Irish language music arts education administration and the public service and emigration **A New History of Ireland: Ireland under the Union, II, 1870-1921** Daibhi O. Croinin, William Edward Vaughan, 2005 **Negotiating the North** Sarah Semple, Alexandra Sanmark, Frode Iversen, Natascha Mehler, 2020-06-11 This book brings together the cumulative results of a three year project focused on the assemblies and administrative systems of Scandinavia Britain and the North Atlantic islands in the 1st and 2nd millennia AD In this volume we integrate a wide range of historical cartographic archaeological field based and onomastic data pertaining to early medieval and medieval administrative practices geographies and places of assembly in Norway Sweden Denmark Iceland the Faroe Islands Scotland and eastern England This transnational perspective has enabled a new understanding of the development of power structures in early medieval northern Europe and the maturation of these systems in later centuries under royal control In a series of richly illustrated chapters we explore the emergence and development of mechanisms for consensus We begin with a historiographical exploration of assembly research that sets the intellectual agenda for the chapters that follow We then examine the emergence and development of the thing in Scandinavia and its export to the lands colonised by the Norse We consider more broadly how assembly practices may have developed at a local level yet played a significant role in the consolidation and at times regulation of elite power structures Presenting a fresh perspective on the agency and power of the thing and cognate types of local and regional assembly this interdisciplinary volume provides an invaluable in depth insight into the people places laws and consensual structures that shaped the early medieval and medieval kingdoms of northern Europe A New History of Ireland, Volume II Art Cosgrove, 2008-11-06 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of

modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume II opens with a character study of medieval Ireland and a panoramic view of the country c 1169 followed by nineteen chapters of narrative history with a survey of Land and People c 1300 There are further chapters on Gaelic and colonial society economy and trade literature in Irish French and English architecture and sculpture manuscripts and illuminations and coinage

An Archaeology of the English Atlantic World, 1600 - 1700 Charles E. Orser, Jr., 2018-07-05 An Archaeology of the British Atlantic World 1600 1700 is the first book to apply the methods of modern world archaeology to the study of the seventeenth century English colonial world Charles E Orser Jr explores a range of material evidence of daily life collected from archaeological excavations throughout the Atlantic region including England Ireland western Africa Native North America and the eastern United States He considers the archaeological record together with primary texts by contemporary writers Giving particular attention to housing fortifications delftware and stoneware Orser offers new interpretations for each type of artefact His study demonstrates how the archaeological record expands our understanding of the Atlantic world at a critical moment of its expansion as well as to the development of the modern Western world

The Death of the Irish Language Reg Hindley, 2012-10-12 Using a blend of statistical analysis with field survey among native Irish speakers Reg Hindley explores the reasons for the decline of the Irish language and investigates the relationships between geographical environment and language retention He puts Irish into a broader European context as a European minority language and assesses its present position and prospects

The Cambridge History of Ireland: Volume 1, 600-1550 Brendan Smith, Thomas Bartlett, 2018-04-26 The thousand years explored in this book witnessed developments in the history of Ireland that resonate to this day Interspersing narrative with detailed analysis of key themes the first volume in the Cambridge History of Ireland presents the latest thinking on key aspects of the medieval Irish experience The contributors are leading experts in their fields and present their original interpretations in a fresh and accessible manner New perspectives are offered on the politics artistic culture religious beliefs and practices social organisation and economic activity that prevailed on the island in these centuries At each turn the question is asked to what extent were these developments unique to Ireland The openness of Ireland to outside influences and its capacity to influence the world beyond its shores are recurring themes Underpinning the book is a comparative outward looking approach that sees Ireland as an integral but exceptional component of medieval Christian Europe
