Rush To The Lake Poems:

Rush to the Lake Forrest Gander, 2019-10-01 With this extraordinary first collection Forrest Gander achieves the artful connection between head and heart and loins These are poems whose chronic desires are poised on a consciousness of equal caliber and force Line by line he detaches the familiar from old surroundings in language exquisitely cultivated to the edge of excess It is poetry that prompts us to exult in our intricacy In allowing us into the inner circle by the boathouse Rush To The Lake both disturbs our equilibria and restores us to the unflinching wonder of daily light **Rush to the Lake** Forrest

Gander, 1988-01-01 Poetry Forrest Gander's poems have life humor and a pleasant strangeness They speak of or rather from a Japan of the imagination and the American South in sweet and sure androgynous tones His book will make you laugh while the poems go about their business of printing after images on your memory William Corbett **The Lady of the Lake: a**

Edward Hirsch, 2021 We are not so much diminished as enlarged by grief by our refusal to vanish or to let others vanish without leaving a verbal record The poet is one who will not be reconciled who is determined to leave a trace in words to transform oceanic depths of feeling into the faithful nuances of art Poetry companions us Poems are written in solitude but they reach out to others which makes poetry a social act It rises out of one solitude to meet another Poems of terrible sadness and loss trouble and challenge us but they also make us feel less alone and more connected Our own desolations become more recognizable to us more articulate something shared We become less isolated in our sorrow and thus are befriended by the words of another There is something ennobling in grief that is compacted expressed and transfigured into poetry Book jacket **Original Poems of the Turtle Mountains** William Chelcie Striker, 1917 **Shorter English**

lifelong commitment to representing everyday black culture from the bottom up Migrating to New York he reinvigorated the English sonnet and helped spark the Harlem Renaissance with poems such as If We Must Die After coming under scrutiny for his communism he traveled throughout Europe and North Africa for twelve years and returned to Harlem in 1934 having denounced Stalin's Soviet Union By then McKay's pristine violent sonnets were giving way to confessional lyrics informed by his newfound Catholicism McKay's verse eludes easy definition yet this complete anthology vividly introduced and carefully annotated by William J Maxwell acquaints readers with the full transnational evolution of a major voice in twentieth century poetry
