Rush To Us Americans Hail Rush Limbaugh:

Rush Limbaugh, "I Hope He Fails," Bailed out America. Ndyfreke Nenty, 2010-12-30 RUSH LIMBAUGH I HOPE HE FAILS BAILED OUT AMERICA is Rush's industry Rush Limbaugh's fingerprints are all over the book. The bulk of the book contains brilliant perspectives from Rush Limbaugh on the twenty-one months of the Obama presidency, the destructive liberalism ideology, and the bitter truth about racism and many more issues that we faced. The book also covers the 2008 general election, the scheduled 2010 midterm elections, and the effectiveness of the four words I hope he fails. About Barack Obama, Rush said, "Radicalism comes dressed in many ways. This time it's dressed up as Barack Obama. About the future of America, Rush said, 'And with nothing to stop him, Obama, there's nothing to stop him. And as there's nothing to stop him, he's going to continue to try to get away with as much as he can, and at some point people are gonna go. Wait a minute, I didn't think I was going to have to go to DMV to withdraw money from my bank.' Rush Limbaugh's comment, 'I hope he fails,' turned water into wine. It significantly transformed the Republican Party from a stale, near-extinct Party that lost the presidency and both houses of Congress to a Party brimming with confidence and with concrete signs of winning back both houses of Congress from the Democratic Party within 24 months of electing a Democrat as the first African American United States president. The impact of Rush's words also rendered some of Obama's radical agendas dead in the water. It remains to be seen if Obama and the Democratic Party will reverse the wine back to water. Rush has harsh messages for those Republican lawmakers who would rather compromise their core values than be subjected to withering and vile criticism by their opponent. After twenty-one months of a torrid reign as president, are Obama's salad days as president over? Has Obama finally turned the corner? It all remains to be seen. Rush Limbaugh's criticism of President Obama is not for political expedient. It's for the survival of this great country. We will find out why after 20 years, Rush continues to be America's last man standing. **The Dinosaur Artist** Paige Williams, 2015-04-08 This New York Times Notable Book recounts the true story of a Florida man's attempt to sell a dinosaur skeleton from Mongolia. In 2012, a New York auction catalogue boasted an unusual offering: a superb Tyrannosaurus skeleton. In fact, Lot 49135 consisted of a nearly complete T. bataar, a close cousin to the most famous animal that ever lived. The fossils, now on display in a Manhattan event space, had been unearthed in Mongolia, more than six thousand miles away. At eight feet high and twenty-four feet long, the specimen was spectacular, and when the gavel sounded, the winning bid was over 1 million. Eric Prokopi, a thirty-eight-year-old Floridian, was the man who had brought this extraordinary skeleton to market. A onetime swimmer who spent his teenage years diving for shark teeth, Prokopi's singular obsession with fossils fueled a thriving business hunting, preparing, and selling specimens to clients ranging from natural history museums to avid private collectors like actor Leonardo DiCaprio. But as the T. bataar went to auction, a network of paleontologists alerted the government of Mongolia to the eye-catching lot, resulting in an international custody battle and unraveling Prokopi's world. Paige Williams's *The Dinosaur Artist* is a stunning work of narrative journalism about humanity's relationship with nature.

history and a seemingly intractable conflict between science and commerce A story that stretches from Florida s Land O Lakes to the Gobi Desert it illuminates the history of fossil collecting a murky sometimes risky business populated by eccentrics and obsessives where the lines between poacher and hunter collector and smuggler enthusiast and opportunist can easily blur A Public Rebuttal to Rush Limbaugh Cecil Mahurin,1993 **Rushed to Judgment** David Christopher Barker,2002 This book systematically examines the manner and extent to which listening to talk radio results in persuasion The focus is on the medium s ringleader Rush Limbaugh the talk show host with the largest audience by far **All Hail the Messiah** Clinton L. Sprauve,2010-08-10 This book is a Retired U S Marines common sense plain language review of the 2008 2010 Historic U S Elections It is also a critical analysis of Conservatives who sarcastically crowned President Obama Messiah and The Anointed One but didnt realize that he was truly God sent This book explains the twelve 12 reasons why Conservatives couldnt t crucify him despite their character assassination attempts and the daily drumbeat of gloom and doom

The Myth of Voter Fraud Lorraine C. Minnite,2011-03-15 Allegations that widespread voter fraud is threatening to the integrity of American elections and American democracy itself have intensified since the disputed 2000 presidential election The claim that elections are being stolen by illegal immigrants and unscrupulous voter registration activists and vote buyers has been used to persuade the public that voter malfeasance is of greater concern than structural inequities in the ways votes are gathered and tallied justifying ever tighter restrictions on access to the polls Yet that claim is a myth In *The Myth of Voter Fraud* Lorraine C Minnite presents the results of her meticulous search for evidence of voter fraud She concludes that while voting irregularities produced by the fragmented and complex nature of the electoral process in the United States are common incidents of deliberate voter fraud are actually quite rare Based on painstaking research aggregating and sifting through data from a variety of sources including public records requests to all fifty state governments and the U S Justice Department Minnite contends that voter fraud is in reality a politically constructed myth intended to further complicate the voting process and reduce voter turnout She refutes several high profile charges of alleged voter fraud such as the assertion that eight of the 9 11 hijackers were registered to vote and makes the question of voter fraud more precise by distinguishing fraud from the manifold ways in which electoral democracy can be distorted Effectively disentangling misunderstandings and deliberate distortions from reality *The Myth of Voter Fraud* provides rigorous empirical evidence for those fighting to make the electoral process more efficient more equitable and more democratic **Rush Revere and the Brave Pilgrims and**

Alt-America David Neiwert,2017-10-17 This important piece of investigative reportage studies the roots of right wing extremism in American culture and history to understand its modern day resurgence in the Trump era Just as Donald Trump s victorious campaign for the U S presidency shocked the world the seemingly sudden national prominence of white supremacists xenophobes militia leaders and mysterious alt right figures mystifies many But the American extreme right has been growing steadily in number and influence since the 1990s with the rise of patriot militias Following 9 11 conspiracy theorists found fresh life and in virulent reaction to the first black U S president militant racists have come out of the woodwork Nurtured by a powerful right wing media sector in radio TV and online the far right Tea Party movement conservatives and Republican

activists found common ground Figures such as Stephen Bannon Milo Yiannopoulos and Alex Jones once rightly dismissed as cranks now haunt the reports of mainstream journalism Investigative reporter David Neiwert has been tracking extremists for more than two decades In Alt America he provides a deeply researched and authoritative report on the growth of fascism and far right terrorism the violence of which in the last decade has surpassed anything inspired by Islamist or other ideologies in the United States The product of years of reportage and including the most in depth investigation of Trump s ties to the far right this is a crucial book about one of the most disturbing aspects of American society
