Rushmore Monument For The Ages:

Gypsy Escape Bobbie Altschul,2009-07 Beth and Alex Frey both leave their jobs in Michigan on a sabbatical to travel around the United States for an undetermined time They try to pretend that they left their jobs for the fun of adventure but the underlying reason was that Beth had been stalked by a mad man and Alex wanted to get her away from the threat Leaving their jobs and family behind does not eliminate their problems or fears The stalker seems to be following them on their travels How does he know where they are Why does he think he has to pursue his harassment of Beth now that she is no longer involved with his case Each time the couple thinks the past is behind them and they get involved in their travels something happens to shake their peace of mind As if they didn't have enough to worry about their best friends Joyce and Kevin seem to be bringing their own problems into the Frey's life There is also an underlying secret that Alex and Joyce share that could rock the foundation of his and Beth's relationship The threats start escalating and where there were just innuendoes before now the threats are getting physical and deadly Putting the pieces together it finally dawns on Alex that the stalker is not who they were so sure it was By the time he figures this out he knows that Beth is alone in a remote place with the stalker who he now knows intends to be a killer Can he get to her in time *Congressional Record* United States.
