Conwell and His Work Agnes Rush Burr,2018-01-10 Excerpt from Russell H Conwell and His Work One Man's Interpretation of Life How others have solved the problem is often enlightening Particularly do the records of those whose lives have been greatly useful to the world have much in them of help especially when they began life with none of the aids considered necessary to achievement yet have achieved Such is the career of Russell H Conwell He started life as a penniless boy on a rocky New England farm He had neither money nor influence to help toward success Yet he has achieved success in great measure a success that ranks higher than the gaining of wealth or fame though these have been won in that its finest power is great service to his fellow men The road he hewed for himself may prove both interesting and helpful to trace This record of it is offered with the hope that the sign posts along the way may be of use to others in striving toward their goal About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Russell H.
