restored when nothing in life looks the same as it once was I will take you on a journey in which I travelled where God showed me that we can be whole while broken We live in a broken world and broken society and many of us are in broken homes marriages and even bodies But this doesnt mean we cannot live a life of faith and restoration as God has purposed for each of us I personally lived each chapter as it unfolds as it was in Railroad Crossings to Restoration A Childs Cry for Help and I talk about how God chose to reveal it to me Not realizing just how deep and how vast the truths would become a reality I accepted the call to step out into oceans unknown Gods plot Gods plan and Gods incredible story unfolding right before me like the waves of the sea Wave by wave deeper and deeper until all I have is entrusted to Him and I truly believe Take this journey with me and allow the peace of God rest in your soul

Living Resurrected Lives Veronica Mary Rolf, Eva Natanya, 2020-10-21 Winner of a 2021 Catholic Media Association Book Award for Contemporary Spirituality Christ s bodily resurrection is the foundation of Christian faith at least it is supposed to be But how often do we really consider what that means Living Resurrected Lives explores what it would take for Christians to understand and believe so clearly in resurrection both Christ s glorification and the promise of our own that our lives would be radically transformed by that faith right now We take a daringly integrated approach balancing careful consideration of sacred Scripture with attention to history theology and personal contemplative practice We offer arguments to re establish a firm bedrock for belief in the Gospel accounts suggest a new theological perspective that integrates scientific insights into quantum uncertainty with reflections on the malleable nature of identity and provide heart stirring guided meditations for daily practice We elucidate St Paul s teachings on the transformation of the body and grapple with age old conundrums about decaying corpses and the continuity of personal identity What dies What lives on We revisit early Christian intuitions about the sublime qualities of the glorified body and explore how we might cultivate such qualities through our own individual practice Thus we propose an embodied resurrection mysticism that can permeate every moment of our lives
