Lords of Misrule Lords of Misrule (Theater group), **The Book of Days** Robert Chambers, 1864 *Shropshire* J. A. B. inspiration from classical and mythic sources Shows how myths can be linked to contemporary concerns Enables beginning writers to tap into the deeper resonances of myth Guides students to further critical and creative resources A secret that all writers know is that they are part of a long tradition of storytelling whether they call it mythic intertextual interactive or original And in the pantheon of storytelling myths those stories that tell us in often magical terms how the world and the creatures in it came to be are the bedrock a source of unending inspiration One can dress the study of literature in the finest critical clothing or intellectualise it until the cows come home but at its heart it is nothing more and nothing less than the study of the human instinct to tell stories to order the world into patterns we can more readily understand Exploring the mythic nature of writing by considering where the connections between instinct and art are made and where the writer is also seen as a mythic adventurer is a way of finding close links to what it is we demand from literature which is again something to do with the essences of human nature Further in the course of examining the nature of myth Adrian May provides a very practical guide to the aspiring writer whether in a formal course or working alone on how to write stories myths of their own from how to begin how to develop and how to close
