Los Angeles Girl:

Who's who in Los Angeles County ,1929 Los Angeles Magazine ,2006-02 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian

City Girls Valerie J. Matsumoto,2016-12-15 Even before wartime incarceration Japanese Americans largely lived in separate cultural communities from their West Coast neighbors The first generation American children the Nisei were American citizens spoke English and were integrated in public schools yet were also socially isolated in many ways from their peers and subject to racism Their daughters especially found rapport in a flourishing network of ethnocultural youth organizations Until now these groups have remained hidden from the historical record both because they were girls groups and because evidence of them was considered largely ephemeral In her second book Valerie Matsumoto has recreated this hidden world of female friendship and comradeship tracing it from the Jazz age through internment to the postwar period Matsumoto argues that these groups were more than just social outlets for Nisei teenage girls Rather she shows how they were critical networks during the wartime upheavals of Japanese Americans Young Nisei women helped their families navigate internment and more importantly recreated communities when they returned to their homes in the immediate postwar period This book will be a considerable contribution to our understanding of Japanese life in America youth culture ethnic history urban history and Western history Matsumoto has interviewed and gained the trust of many now old women who were part of these girls clubs

Los Angeles Magazine ,2004-03 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian

Los Angeles Magazine ,2005-02 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian

Those Girls Katherine J. Lehman,2011-09-27 Long before Carrie Bradshaw in Sex and the City there was Mary Richards in The Mary Tyler Moore Show Every week as Mary flung her

beret into the air while the theme song proclaimed You re gonna make it after all it seemed that young independent women like herself had finally arrived But as Katherine Lehman reveals the struggle to create accurate portrayals of successful single women for American TV and cinema during the 1960s and 1970s wasn t as simple as the toss of a hat Those Girls is the first book to focus exclusively on struggles to define the single girl character in TV and film during a transformative period in American society Lehman has scoured a wide range of source materials unstudied film and television scripts magazines novels and advertisements to demonstrate how controversial female characters pitted fears of societal breakdown against the growing momentum of the women s rights movement Lehman s book focuses on the single girl an unmarried career woman in her 20s or 30s to show how this character type symbolized sweeping changes in women s roles Analyzing films and programs against broader conceptions of women s sexual and social roles she uncovers deep seated fears in a nation accustomed to depictions of single women yearning for matrimony Yet as television began to reflect public acceptance of career women series such as Police Woman and Wonder Woman proved that heroines could wield both strength and femininity while movies like Looking for Mr Goodbar cautioned viewers against carrying new found freedom too far Lehman takes us behind the scenes in Hollywood to show us the production decisions and censorship negotiations that shaped these characters before they even made it to the screen She includes often overlooked sources such as the TV series Get Christie Love and Ebony magazine to give us a richer understanding of how women of color negotiated urban singles life And she reveals how trailblazing characters continue to influence portrayals of single women in shows like Mad Men This entertaining and insightful study examines familiar characters caught between the competing fears and aspirations of a society rethinking its understanding of social and sexual mores Those Girls reassesses feminine genres that are often marginalized in media scholarship and contributes to a greater valuation of the unmarried independent woman in America

Women Who Kill Men Gordon Morris Bakken, Brenda Farrington, 2009 The late nineteenth and early twentieth centuries were a revolutionary period in the lives of women and the shifting perceptions of women and their role in society were equally apparent in the courtroom Women Who Kill Men examines eighteen sensational cases of women on trial for murder from 1870 to 1958 The fascinating details of these murder trials documented in court records and embellished newspaper coverage mirrored the changing public image of women Although murder was clearly outside the norm for standard female behavior most women and their attorneys relied on gendered stereotypes and language to create their defense and sometimes to leverage their status in a patriarchal system Those who could successfully dress and act the part of the victim were most often able to win the sympathies of the jury Gender mattered And though the norms shifted over time the press attorneys and juries were all informed by contemporary gender stereotypes Mad Men, Women, and Children Heather Marcovitch, Nancy Batty, 2012-07-13 As rich and complex as The Sopranos or The Wire Mad Men demands a critical look at its narrative and characters as representative of both the period it depicts and of our memories and assumptions of the

period *Mad Men* Women and Children Essays on Gender and Generation edited by Heather Marcovitch and Nancy Batty focuses on women and children two groups that are not only identified together in this period women characters in this show are often treated as coddled children and the children look to their parents as models of adult behaviors but are also two groups who are beginning to gain political and social rights in this period The connections between the women of *Mad Men* early second wave feminism and contemporary third wave feminism and post feminism invite discussion in nearly every episode These characters are further contextualized in light of historical figures and events from the death of Marilyn Monroe and the assassination of Kennedy to the March on Washington and the bohemian counterculture Moreover the points of view of the children who are now adult viewers of *Mad Men* bridge the 1960s to the social and cultural concerns of today *Mad Men* Women and Children presents an examination of these characters and issues in light of 1960s feminist writers such as Betty Friedan and popular writers such as Helen Gurley Brown of historical events like the Civil Rights Movement and the Women's Liberation Movement and as lenses through which to view the sensibilities of the early 1960s *American Zeus*

Taso G. Lagos, 2018-01-13 Alexander Pantages was 13 when he arrived in the U S in the 1880s after contracting malaria in Panama He opened his first motion picture theater in 1902 and went on to build one of the largest and most important independently owned theater chains in the country At the height of the Pantages Theaters reach he owned or operated 78 theaters across the U S and Canada He amassed a fortune yet he could not read or write English In 1929 he was convicted of sexually assaulting a 17 year old dancer a scandal that destroyed his empire and reduced him to a pariah The day his grandest theater the Pantages Hollywood opened in 1930 he lay sick in a jailhouse infirmary His conviction was overturned a year later after an appeal to the California State Supreme Court but the question remains How should history judge this theater pioneer wealthy magnate and embodiment of the American Dream *From Back Alley to the Border* Alicia Gutierrez-Romine, 2020-11 In *From Back Alley to the Border* Alicia Gutierrez Romine examines the history of criminal abortion in California and the role abortion providers played in exposing and exploiting the faults in California's anti abortion statute throughout the twentieth century Focused on the patients who used this underground network and the physicians who facilitated it Gutierrez Romine provides insight into the world of illegal abortion from the 1920s through the 1960s including regular physicians as well as women and African American abortionists and the investigations scandals and trials that surrounded them During the 1930s the Pacific Coast Abortion Ring a large coast wide and comparatively safe abortion syndicate became the target of law enforcement agencies forcing those needing abortions across the border into Mexico and ushering in an era of Tijuana abortion tourism in the early 1950s The movement south of the border ultimately compelled the California Supreme Court to rule its abortion statute void for vagueness in *People v Belous* in 1969 four years before *Roe v Wade* Gutierrez Romine presents the first book focused on abortion on the West Coast and the U S Mexico border and provides a new approach to studying how providers of illegal abortions and their clients navigated this underground network

In the post Dobbs moment *From Back Alley to the Border* shows us how little we have learned from history *Women in the Silent Cinema* Annette Förster, 2025-10-01 This magisterial book offers comprehensive accounts of the professional itineraries of three women in the silent film in the Netherlands France and North America Annette Förster presents a careful assessment of the long career of Dutch stage and film actress Adrienne Solser an exploration of the stage and screen careers of French actress and filmmaker Musidora and Canadian born actress and filmmaker Nell Shipman an analysis of the interaction between the popular stage and the silent cinema from the perspective of women at work in both realms fresh insights into Dutch stage and screen comedy the French revue and the American Northwest drama of the 1910s and much more all grounded in a wealth of archival research *Who's who Among the Women of California* Louis S. Lyons, Josephine Wilson, 1922 **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954**, 2003 *Pink Cars and Pocketbooks* Jessica A. Brockmole, 2025-01-14 A fascinating history of how the automotive industry and consumers battled to define what women wanted in a car Since the commercial introduction of the automobile US automakers have always sought women as customers and advertised accordingly How then did car culture become so masculine In *Pink Cars and Pocketbooks* Jessica Brockmole shares the untold history of women's relationship with automobiles a journey marked by struggle empowerment and the relentless pursuit of independence This groundbreaking work explores the evolution of women's automotive participation and the cultural shifts that have redefined their roles as drivers mechanics and consumers Brockmole traces the rise of gendered marketing of automobiles over the course of the twentieth century Auto companies created ads that conformed to commonly held ideas about women's relationships with automobiles As the century progressed marketing to women became less informative and even more gendered the automotive industry portrayed women as passengers props or reluctant drivers interested primarily in aesthetics And yet by the 1970s female drivers were communicating directly with each other forming clubs and teaching each other through women focused repair manuals By examining market research studies advertising archives trade journals women's magazines newspapers driving handbooks and repair manuals this book shows how women bought their way into the automobile and masculine car culture Brockmole uncovers the stories of pioneering women who defied conventions such as trailblazer Alice Ramsey the first woman to drive across the United States in 1909 and Barb Wyatt whose contributions to automotive manuals broke new ground Women have always been users of technology and this book illustrates how the auto industry evolved as well as how it chose not to evolve in response *American More! Level 3 Teacher's Book* Julie Penn, Günter Gerngross, Christian Holzmann, Peter Lewis-Jones, 2010-10-14 American MORE is a four level course from a highly respected author team that's bursting with features for lower secondary students Each level of American MORE contains 80-90 hours of class material With dedicated reading culture grammar vocabulary skills and cross curricular learning sections plus a wide range of flexible components you really do get more with American MORE The Teacher's Book

contains warm up activities detailed guidance on how to get the best out of the course answer keys and Extra idea sections for fast finishers *Los Angeles School Journal* ,1927 Educational Equity Karen Maschke,2013-09-13 Multidisciplinary focus Surveying many disciplines this anthology brings together an outstanding selection of scholarly articles that examine the profound impact of law on the lives of women in the United States The themes addressed include the historical political and social contexts of legal issues that have affected women s struggles to obtain equal treatment under the law The articles are drawn from journals in law political science history women s studies philosophy and education and represent some of the most interesting writing on the subject The law in theory and practice Many of the articles bring race social and economic factors into their analyses observing for example that black women poor women and single mothers are treated by the wielders of the power of the law differently than middle class white women Other topics covered include the evolution of women s legal status reproduction rights sexuality and family issues equal employment and educational opportunities domestic violence pornography and sexual exploitation hate speech and feminist legal thought A valuable research and classroom aid this series provides in depth coverage of specific legal issues and takes into account the major legal changes and policies that have had an impact on the lives of American women Women Swindlers in America, 1860-1920 Kerry Segrave,2014-11-26 Although female lawbreakers in the late 19th and early 20th centuries were rarely considered dangerous criminals there are many records of women participating in non violent crimes including shoplifting prostitution and fraud This work studies frauds and swindles perpetrated by women during that era and offers character studies of several key female swindlers including Ann O Delia Diss Debar Mabel Parker and Sarah Casselman among others Frauds covered include spiritually based crimes i e deceptive seances spirit writing and love crimes i e matrimonial racketeering as well as sob story panhandling counterfeiting faking wealth and pension fraud **UMTA-CA** ,1980 **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986** ,1987

While this might not be the Los Angeles Girl full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Los Angeles Girl eBooks, including some popular titles.

FAQs About Los Angeles Girl Books

What is a Los Angeles Girl PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Los Angeles Girl PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Los Angeles Girl**

PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I**

convert a Los Angeles Girl PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Los Angeles Girl PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file?

You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs?

Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
