Los Angeles the Enormous Village:

Los Angeles John Downing Weaver, 1980-01-01 *Aimee Semple McPherson and the Making of Modern Pentecostalism, 1890-1926* Chas H. Barfoot, 2014-09-19 Pentecostalism was born at the turn of the twentieth century in a tumble down shack in a rundown semi industrial area of Los Angeles composed of a tombstone shop saloons livery stables and railroad freight yards One hundred years later Pentecostalism has not only proven to be the most dynamic representative of Christian faith in the past century but a transnational religious phenomenon as well In a global context Pentecostalism has attained a membership of 500 million growing at the rate of 20 million new members a year Aimee Semple McPherson born on a Canadian farm was Pentecostalism s first celebrity its female Billy Sunday Arriving in Southern California with her mother two children and 100 00 in 1920 Sister Aimee as she was fondly known quickly achieved the height of her fame In 1926 by age 35 Sister Aimee would pastor America s largest class A church perhaps becoming the country s first mega church pastor In Los Angeles she quickly became a folk hero and civic institution Hollywood discovered her when she brilliantly united the sacred with the profane Anthony Quinn would play in the Temple band and Aimee would baptize Marilyn Monroe council Jean Harlow and become friends with Charlie Chaplain Douglas Fairbanks and Mary Pickford Based on the biographer s first time access to internal church documents and cooperation of Aimee s family and friends this major biography offers a sympathetic appraisal of her rise to fame revivals in major cities and influence on American religion and culture in the Jazz Age The biographer takes the reader behind the scenes of Aimee s fame to the early days of her harsh apprenticeship in revival tents failed marriages and poverty Barfoot recreates the career of this called and driven woman through oral history church documents and by a creative use of new source material Written with warmth and often as dramatic as Aimee herself the author successfully captures not only what made Aimee famous but also what transformed Pentecostalism from its meager Azusa Street mission beginnings into a transnational global religion **A Marmac Guide to Los Angeles and Northern Orange County** Inge, Arline, 2006 **Early Downtown Los Angeles** Cory Stargel, Sarah Stargel, 2009 Growing south from the plaza where the city of Los Angeles was founded as a tiny pueblo in 1781 the area now known as downtown L A was first developed in the late 1800s as a residential neighborhood complete with churches and schools As the population surged at the turn of the 20th century the downtown area was transformed into a busy business and entertainment center of shops banks hotels and theaters The explosion of the postcard craze in the early 1900s coincided with this period of downtown s tremendous growth toward a formidable metropolis This collection of vintage postcards offers a glimpse into the changing city through the 1940s **A. P. Giannini: Banker of America** Felice A. Bonadio, 2024-02-07 It is rare for a banker to win national acclaim or even recognition J P Morgan apart it is hard to think of a banker who achieved this kind of status A P Giannini had it on the West Coast but even though he remained a regional banker his influence was national Felice A Bonadio describes him as the Henry Ford of banking While recognizing that Giannini was no saint Mr Bonadio accepts him

at his own valuation as the people's banker There is no question that in creating the world's largest bank he greatly benefited California much of the state's explosive growth in this century having been financed by Bank of America And as Mr Bonadio points out by extending easy credit more broadly than anyone else he expanded the boundaries of life for millions To do so was his dream and the realization of it justifies the effort Mr Bonadio has put into this book William L O Neill The New York Times Giannini who began his career as a wholesaler of fruit and vegetables became a financial giant As early as 1920 his San Francisco bank had 220 000 depositors Competing bankers joined fundamentalist Protestant groups in charging him with fomenting a Catholic Italian plot to take over the West's financial institutions Giannini's 410 branch banking octopus did indeed engage in such tactics The author uncovered internal bank memos documenting quite ruthless attempts to capture the bank accounts of immigrant school children and women family members The investments which the Bank of America backed included the movie business In addition to becoming Walt Disney's first financial sponsor Giannini helped to subsidize the building of the Golden Gate bridge Bonadio gives one a real sense of what it meant for the warm hearted but sometimes volatile Giannini to help finance such huge enterprises Bonadio's narrative is direct and forceful The description of Giannini's personal character moves the story along skillfully Andrew Rolle Italian Americana By starting a bank and nurturing it into the biggest bank in the world Amadeo Peter Giannini became possibly the most spectacular entrepreneur of the early part of the twentieth century His story is inspiring and of interest to anyone who wants to understand the history of the West or the development of financial institutions in the United States This book should be a part of every complete library on the history of the west or financial history Lynne Pierson Doti The Journal of Economic History Until this biography appeared we have had to rely on a very old and limited account of the Bank of America Felice A Bonadio has made what appears to be thorough use of the bank's archives to go far beyond that old account He adds much to our knowledge of Giannini's enterprises which included not only his early ventures as a produce merchant but also his major involvement with the film industry throughout the 1920s and 30s Bonadio writes well and knows how to tell a story Richard M Abrams Pacific Historical Review Bonadio's accomplishment rests on the careful presentation of archival resources and of a large secondary literature The clarity of the story is reinforced through the use of extensive quotes a well documented business biography Gunther Barth Montana Magazine of Western History Those interested in the reconstruction of one financier's view of his world will find in Bonadio's book much to think about Kerry Odell The American Historical Review

Murder at the Sleepy Lagoon Eduardo Obregón Pagán, 2009-06-03 This is a superior work Pagan succeeds in using the Zoot Suit Riot as a lens by which to illuminate a forgotten slice of American culture and race relations during the 1940s This is an important contribution to our understanding of race relations in World War II America David Montejano University of California Berkeley The notorious 1942 Sleepy Lagoon murder trial in Los Angeles concluded with the conviction of seventeen young Mexican American men for the alleged gang slaying of fellow youth Jose Diaz Just five months later the so called Zoot Suit Riot erupted as white soldiers in the city attacked minority youths and burned their distinctive zoot suits Eduardo Obregon Pagan here provides the first comprehensive social history of both the trial and the riot and argues that they resulted from a volatile mix of racial and social tensions that had long been simmering In reconstructing the lives of the murder victim and those accused of the crime Pagan contends that neither the convictions which were based on little hard evidence nor the ensuing riot arose simply from anti Mexican sentiment He demonstrates that instead a variety of pre existing stresses including demographic pressures anxiety about nascent youth culture and the war effort all contributed to the social tension and the eruption of violence Moreover he recovers a multidimensional picture of Los Angeles during World War II that incorporates the complex intersections of music fashion violence race relations and neighborhood activism Drawing upon overlooked evidence Pagan concludes by reconstructing the murder scene and proposes a compelling theory about what really happened the night of the murder

Rope Michael Newton, 1998 In 1958 a shy young man with few social skills sped along the Santa Ana freeway out of L A headed to the desert with his date huddled in the passenger seat beside him In his pockets Harvey Glatman had a gun and a length of rope Drunk on power arousal and rage Harvey also had a plan And beneath the desert stars by the light of the moon he carried out his ordeal of unimaginable cruelty using his body a camera and his rope Months later after one of his inhuman attacks went awry Harvey s torture killings were described to a shocked and silent California courtroom Michael Newton vividly recounts the horror of Glatman s murders and explains how his crimes weren t about killing raping and torturing at all they were all about the rope

The King Of California Mark Arax, Rick Wartzman, 2005-02-16 The fascinating story of a cotton magnate whose voracious appetite for land drove him to create the first big agricultural empire of the Central Valley of California and shaped the landscape for decades to come J G Boswell was the biggest farmer in America He built a secret empire while thumbing his nose at nature politicians labor unions and every journalist who ever tried to lift the veil on the ultimate factory in the fields The King of California is the previously untold account of how a Georgia slave owning family migrated to California in the early 1920s drained one of America s biggest lakes in an act of incredible hubris and carved out the richest cotton empire in the world Indeed the sophistication of Boswell s agricultural operation from lab to field to gin is unrivaled anywhere Much more than a business story this is a sweeping social history

that details the saga of cotton growers who were chased from the South by the boll weevil and brought their black farmhands to California. It is a gripping read with cameos by a cast of famous characters from Cecil B DeMille to Cesar Chavez. **El Pueblo** Jean Bruce Poole, Tevvy Ball, 2002. Founded in 1781 by pioneers from what is today northern Mexico, El Pueblo de Los Angeles mirrors the history and heritage of the city to which it gave birth. When the pueblo was the capital of Mexico's Alta California, the region's rancheros came here to celebrate mass or to attend fiestas in the historic Plaza. Following California's statehood in 1850, the pueblo for a time ranked among the most lawless towns of the American West. American speculators, wealthy rancheros, and Italian wine merchants crowded its dusty streets. The town's first barrio and the vibrant precincts of Old Chinatown soon grew up nearby. As Los Angeles burgeoned into a modern metropolis, its historic heart fell into ruin to be revitalized by the creation in 1930 of the romantic Mexican marketplace at Olvera Street. Here two years later David Alfaro Siqueiros painted the landmark mural *América Tropical*, whose story is a fascinating tale of art, politics, and censorship. In the decades since, the pueblo has remained one of Southern California's most enduring and most complex cultural symbols. **El Pueblo** vividly recounts the story of the birthplace of Los Angeles. An engaging historical narrative is complemented by abundant illustrations and a tour of the pueblo's historic buildings. The book also describes initiatives to preserve the pueblo's rich heritage and considers the significance of its multicultural legacy for Los Angeles today. **Land of Smoke and Mirrors** Vincent Brook, 2013-01-22. Unlike the more forthrightly mythic origins of other urban centers—think Rome via Romulus and Remus or Mexico City via the god Huitzilopochtli—Los Angeles emerged from a smoke and mirrors process that is simultaneously literal and figurative: real and imagined material and metaphorical, physical and textual. Through penetrating analysis and personal engagement, Vincent Brook uncovers the many portraits of this ever enticing, ever ambivalent, and increasingly multicultural megalopolis. Divided into sections that probe Los Angeles's checkered history and reflect on Hollywood's own self-reflections, the book shows how the city, despite considerable remaining challenges, is finally blowing away some of the smoke of its not-always-proud past and rhetorically adjusting its rear-view mirrors. Part I is a review of the city's history through the early 1900s, focusing on the seminal 1884 novel *Ramona* and its immediate effect, but also exploring its ongoing impact through interviews with present-day Tongva Indians, attendance at the 88th annual *Ramona* pageant, and analysis of its feature film adaptations. Brook deals with Hollywood as geographical site, film production center, and frame of mind in Part II. He charts the events leading up to Hollywood's emergence as the world's movie capital and explores subsequent developments of the film industry from its golden age through the so-called New Hollywood, citing such self-reflexive films as *Sunset Blvd.*, *Singin' in the Rain*, and *The Truman Show*. Part III considers LA noir, a subset of film noir that emerged alongside the classical noir cycle in the 1940s and 1950s and continues today. The city's status as a privileged noir site is analyzed in relation to its history and through discussions of such key LA noir novels and films as *Double Indemnity*, *Chinatown*, and *Crash*. In Part IV, Brook examines multicultural Los Angeles. Using media texts as signposts, he maps

the history and contemporary situation of the city's major ethno-racial and other minority groups looking at such films as *Mi Familia* *Latinos Boyz N the Hood* *African Americans* *Charlotte* *Sometimes Asians* *Falling Down* *Whites* and *The Kids Are All Right* **LGBT** **Murder at the Sleepy Lagoon** , *Drylands* Peter Beaumont, 2014-04-08 *Drylands* which cover over half the world's area have witnessed rapid development, exploitation and change with the discovery of mineral reserves, urbanization and population growth. Environmental management is critical to the conservation and sustainable use of resources. This comprehensive text offers a systematic study of the physical nature of drylands and the history of human response to and uses of these harsh landscapes. Detailed case studies including urban as well as pastoral drylands from California to Soviet Central Asia, the Middle East, the Sahara and Australia contrast different management approaches and problems. The Giants and the Dodgers Andrew Goldblatt, 2015-10-05 The Giant Dodger rivalry was considered the best in baseball by 1890 and remains the game's oldest and most storied rivalry today. It's remarkable how often both teams have been good, how rarely they've both been bad, and how tenaciously the underdog has battled in between. Through 12 decades and in two sets of cities 3,000 miles apart, Giant and Dodger partisans have rooted so passionately against each other that just as during the Civil War, conflicting loyalties have divided neighbors and even families. This is the definitive account of the rivalry from its roots in amateur contests between New York and Brooklyn teams in the 1840s to its present incarnation in California's world-class cities. All the greats are here: Ward Ebbets, McGraw, Mathewson, Terry, Durocher, Reese, Robinson, Mays, Koufax, Drysdale, Marichal, Lasorda, Bonds. The book also examines the cities that have hosted the rivalry and devotes a special section to the move to California. The author argues compellingly that contrary to popular wisdom, the rivalry's best years came after the move. Levels of linguistic adaptation Jef Verschueren, 1991-01-01 This volume comprises the second part of selected papers of the International Pragmatics Conference in Antwerp, August 1987. *Nixon at the Movies* Mark Feeney, 2012-10-22 People will be arguing over Nixon at the Movies as much as for more than half a century the country at large has been arguing about Nixon. Greil Marcus: Richard Nixon and the film industry arrived in Southern California in the same year, 1913, and they shared a long and complex history. The president screened Patton multiple times before and during the invasion of Cambodia, for example. In this unique blend of political biography, cultural history and film criticism, Mark Feeney recounts in detail Nixon's enthusiastic viewing habits during his presidency and takes a new and often revelatory approach to Nixon's career and Hollywood's seeing aspects of Nixon's character and the nation's refracted and reimagined in film. *Nixon at the Movies* is a virtuosic examination of a man, a culture and a country in a time of tumult. Slate. By Feeney's count, Nixon, an unabashed film buff, watched more than 500 movies during the 67 months of his presidency, all carefully listed in an appendix titled *What the President Saw and When He Saw It*. Nixon concentrated intently on whatever was on the screen; he refused to leave even if the picture was a dud, and everyone around him was restless. He was omnivorous; would watch anything, though he did have his preferences. Only rarely did he watch R-rated or foreign films. He liked happy endings.

Movies were obviously a means of escape for him and as the Watergate noose tightened he spent ever more time in the screening room The New York Times

The Language of Love and Guilt Ruth Wodak, Muriel Schulz, 1986-01-01 Although mother and daughter are two central female roles they have rarely been investigated The relationship is specific certainly different than the mother son or father daughter relationships And this difference manifests itself in sex specific language behavior Despite eternal features of the mother daughter relationship its quality is affected by individual psychological and by sociocultural variables Thus investigations took place in two big cities with very different structures and traditions Vienna and Los Angeles This is the first cross cultural study which reflects and combines multiple linguistic socio psycholinguistic and text linguistic categories approaches and methods to be able to investigate such an important topic as family relationships and the place of women nowadays in our societies
