Los Angeles In Fiction:

Los Angeles in Fiction David M. Fine, 1984 **Imagining Los Angeles** David Fine, 2016-06-01 The literary image of Los Angeles has evolved since the 1880s from promotional literature that hyped the region as a New Eden to contemporary visions of the city as a perplexing sometimes corrupt even apocalyptic place that reflects all that is wrong with America In **Imagining Los Angeles** the first literary history of the city in more than fifty years critic David Fine traces the history and mood of the place through the work of writers as diverse as Helen Hunt Jackson Mary Austin Norman Mailer Raymond Chandler Joan Didion Carolyn See and many others His lively and engaging text focuses on the way these writers saw Los Angeles and used the image of the city as an element in their work and on how that image has changed as the city itself became ever larger more complex and more socially and ethnically diverse This is essential reading for anyone interested in the literature and changing image of Southern California

Los Angeles Peter Moore Smith, 2005 A beautiful neighbor's arrival and her eerie disappearance knocks Angel Veronchek's solitary reclusive life off balance and plunges him into the sinister world of Los Angeles nights a world of secrets that aren't meant to be told and people who aren't meant to be found

The Road to Los Angeles John Fante, 2010-05-18 I had a lot of jobs in Los Angeles Harbor because our family was poor and my father was dead My first job was ditchdigging a short time after I graduated from high school Every night I couldn't sleep from the pain in my back We were digging an excavation in an empty lot there wasn't any shade the sun came straight from a cloudless sky and I was down in that hole digging with two huskies who dug with a love for it always laughing and telling jokes laughing and smoking bitter tobacco

Crime Fiction John Scaggs, 2005 Provides a lively introduction to what is both a wide ranging and hugely popular literary genre Accessible and clear this comprehensive overview is the essential guide for all those studying crime fiction

Los Angeles Stories Robert Noyola, 2002-05-24 Los Angeles is a city of losers Robert Mitchum Fourteen million inhabitants in Los Angeles county in a battle for survival Three million people within the city limits of Los Angeles compete for jobs space food water air and are seduced and overwhelmed by exiting living in Los Angeles with too much luxury that exhausts the human spirit This is a collection of short stories about the characters that Robert Noyola knew and lived among during his years in Los Angeles The final story The Golden Triangle is an accurate fictionalization of the history of his hometown of Port Arthur Texas Where he finally returned after retiring in Los Angeles California then moving to El Paso Texas

American Women Writing Fiction Mickey Pearlman, 2014-10-17 American literature is no longer the refuge of the solitary hero Like the society it mirrors it is now a far richer many faceted explication of a complicated and diverse society racially culturally and ethnically interwoven and at the same time fractured and fractious Ten women writing fiction in America today Toni Cade Bambara Joan Didion Louise Erdrich Gail Godwin Mary Gordon Alison Lurie Joyce Carol Oates Jayne Anne Phillips Susan Fromberg Schaeffer and Mary Lee Settle represent that geographic ethnic and racial diversity that is distinctively American Their differing perspectives on literature and the

American experience have produced Erdrich's stolid North Dakota plainswomen Didion's sun-baked dreamers and screamers the urban ethnics Irish Jewish and black of Gordon Schaeffer and Barbara Oates's small town often violent neurotics Lurie's intellectual sophisticates and the southern survivors and victims male and female of Phillips Settle and Godwin The ten original essays in this collection focus on the traditional themes of identity memory family and enclosure that pervade the fiction of these writers The fictional women who emerge here as these critics show are often caught in the interwoven strands of memory perceive literal and emotional space as entrapping find identity elusive and frustrating and experience the interweaving of silence solitude and family in complex patterns Each essay in this collection is followed by bibliographies of works by and about the writer in question that will be invaluable resources for scholars and general readers alike Here is a readable critical discussion of ten important contemporary novelists who have broadened the pages of American literature to reflect more clearly the people we are

A Richard Wright Bibliography Kenneth Kinnamon, Joseph Benson, Michel Fabre, Craig Werner, 1988-01-13 Any future biographical work on Richard Wright will find this bibliography a necessity academic or public libraries supporting a program of black culture will find it invaluable and it belongs in any library supporting American literature studies Richard Wright has truly been well served Choice The most comprehensive bibliography ever compiled for an American writer this book contains 1317 annotated items pertaining to Richard Wright It includes almost all published mentions of the author or his work in every language in which those mentions appear Sources listed include books articles reviews notes news items publishers catalogs promotional materials book jackets dissertations and theses encyclopedias biographical dictionaries handbooks and study guides library reports best seller charts the Index Translationum playbills and advertisements editorials radio transcripts and published letters and interviews The bibliography is arranged chronologically by year Each entry includes bibliographical information an annotation by the authors and information about all reprintings partial or full The index is unusually complete and contains the titles of Wright's works real and fictional characters in the works entries relating to significant places and events in the author's life important literary terminology and much additional information

Animals in Detective Fiction Ruth Hawthorn, John Miller, 2022-12-06 This book explores the vast array of animals that populate detective fiction If the genre begins as is widely supposed with Edgar Allan Poe's Murders in the Rue Morgue 1841 then detective fiction's very first culprit is an animal Animals moreover consistently appear as victims clues and companions while the abstract conception of animality is closely tied to the idea of criminality Although it is often described as an essentially conservative form detective fiction can unsettle the binary of human and animal to intersect with developing concerns in animal studies animal agency the ethical complexities of human animal interaction the politics and literary aesthetics of violence and animal metaphor Gathering its 14 essays into sections on ontologies ethics politics and forms Animals in Detective Fiction provides a compelling and nuanced analysis of the central role creatures play in this enduringly popular and continually morphing literary form

Afterlives of Abandoned Work

Matthew Harle, 2018-12-27 *Afterlives of Abandoned Work* considers the relevance of unfinished projects to literary history and criticism looking beyond famous posthumous work to investigate the abandoned everyday from scrapped plans and rejected ideas to half written novels or unfinished artistic works. It traces how the reading of abandoned creative endeavor whether arriving in the form of a rejection letter, a disagreement with a collaborator or the simple act of walking away from one's desk can change the way we think about cultural production, the creative process and the intellectual construction of everyday life. Over five distinct journeys through a variety of archives from major research libraries to the unique collections of individual enthusiasts, Matthew Harle draws surprising connections between literary studies, media studies and visual arts, exploring unfinished projects from Thomas Pynchon, Muriel Spark, B. S. Johnson, Harold Pinter and others. Rooted in literary criticism, *Afterlives of Abandoned Work* reads unbuilt buildings, unfilmed screenplays and unpublished novels and radio sketches as forms of text that can help us consider the enduring fragmentation and anecdotal construction of cultural form as well as expand literary criticism's approach to the archive.

The Columbia History of the American Novel Emory Elliott, 1991. Designed as a companion to *The Columbia Literary History of the United States*, this compilation of 31 major essays covers the American novel from the 1700s to the present, although the majority deal with the 20th century. Within each era, themes, genres and topics such as realism, gender, romance and technology are discussed in depth, as well as modern Canadian, Caribbean and Latin American fiction. Each essayist selects only the authors who best illustrate the topic, thus subtly skewing the view of the literary scene at that time. The volume also covers women, minorities, popular fiction and the book marketplace. ISBN 0 231 07360 7 59 95.

[The ^ADream Endures](#) Kevin Starr, 2002-11-28. What we now call the good life first appeared in California during the 1930s. Motels, home trailers, drive-ins, barbecues, beach life and surfing, sports from polo and tennis and golf to mountain climbing and skiing, sportswear, a word coined at the time, and sun suits were all a part of the good life, perhaps California's most distinctive influence of the 1930s. In *The Dream Endures*, Kevin Starr shows how the good life prospered in California in pursuits such as film, fiction, leisure and architecture and helped to define American culture and society then and for years to come. Starr previously chronicled how Californians absorbed the thousand natural shocks of the Great Depression, unemployment strikes, Communist agitation, reactionary conspiracies in *Endangered Dreams*, the fourth volume of his classic history of California. In *The Dream Endures*, Starr reveals the other side of the picture, examining the newly important places where the good life flourished like Los Angeles where Hollywood lived, Palm Springs where Hollywood vacationed, San Diego where the Navy went, the California Institute of Technology in Pasadena where Einstein went and changed his view of the universe and college towns like Berkeley. We read about the rich urban life of San Francisco and Los Angeles and in newly important communities like Carmel and San Simeon, the home of William Randolph Hearst, where each Thursday afternoon automobiles packed with Hollywood celebrities would arrive from Southern California for the long weekend at Hearst Castle. The 1930s were the heyday of the Hollywood studios and Starr brilliantly captures

Hollywood films and the society that surrounded the studios Starr offers an astute discussion of the European refugees who arrived in Hollywood during the period prominent European film actors and artists and the creative refugees who were drawn to Hollywood and Southern California in these years Igor Stravinsky Arnold Schoenberg Man Ray Bertolt Brecht Christopher Isherwood Aldous Huxley Thomas Mann and Franz Werfel Starr gives a fascinating account of how many of them attempted to recreate their European world in California and how others like Samuel Goldwyn provided stories and dreams for their adopted nation Starr reserves his greatest attention and most memorable writing for San Francisco For Starr despite the city's beauty and commercial importance San Francisco's most important achievement was the sense of well being it conferred on its citizens It was a city that magically belonged to everyone Whether discussing photographers like Edward Weston and Ansel Adams hard boiled fiction writers or the new breed of female star Marlene Dietrich Jean Harlow Bette Davis Carole Lombard and the improbable Mae West *The Dream Endures* is a brilliant social and cultural history in many ways the most far reaching and important of Starr's California books **To the Golden Cities** Deborah Dash Moore,1996 The first great modern migration of the Jewish people from the Old World to America has been often and expertly chronicled but until now the second great wave of Jewish migration has been overlooked After World War II spurred by a postwar economic boom American Jews sought new beginnings in the nation's South and West There they shaped a new postwar style of American Judaism for the second half of the twentieth century Today these sun soaked entrepreneurial communities contribute greatly to the American Jewish landscape In this book the vibrant Jewish culture of Los Angeles and Miami comes to life through Moore's skillful weaving of individual voices dreams and accomplishments The Cambridge Companion to the Literature of the American South Sharon Monteith,2013-08-19 Featuring essays written by an international team of experts this Companion maps the dynamic literary landscape of the American South Reading on Location Luisa Moncada,2016-12-01 From the charming city of Bath featured in Jane Austen's *Persuasion* to the Amazon of Mario Vargas Llosa's *La Casa Verde* this unique travel guide brings you to the places you've only read about Whether you want to learn more about a destination or follow in the footsteps of a favorite character *Reading on Location* helps you make the most of your trip Public Libraries ,1924 Murder Season Robert Ellis,2011-12-06 Detective Lena Gamble knows how to handle the hottest cases do it fast and keep her head down Because if it all goes south the department won't hesitate to make a scapegoat out of her So when she gets called to the scene of a double murder at Club 3 AM the latest A list hangout for Hollywood celebs she knows the fun is only beginning And she's not wrong It's just much worse than she imagined As expected one of the victims is club owner Johnny Bosco one of the most well connected men in Hollywood politics But the shocker comes when Lena sees the other victim twenty five year old Jacob Gant acquitted just days ago of murdering his sixteen year old neighbor after L A's latest trial of the century But are these victims of a father's righteous anger or is something bigger at play Robert Ellis delivers all the twists and turns fans have come to expect in this bestselling series with

plenty to spare in Murder Season his most outstanding white knuckled thriller yet A Companion to the Regional Literatures of America Charles L. Crow, 2008-04-15 The Blackwell Companion to American Regional Literature is the most comprehensive resource yet published for study of this popular field The most inclusive survey yet published of American regional literature Represents a wide variety of theoretical and historical approaches Surveys the literature of specific regions from California to New England and from Alaska to Hawaii Discusses authors and groups who have been important in defining regional American literature *Finding List of Books Except Fiction* Denver Public Library, 1903 **For What It's Worth** Janet Tashjian, 2012-07-03 The year is 1971 and the place is Laurel Canyon California Quinn a fourteen year old music encyclopedia writes a music column called For What It's Worth for his school paper But Quinn's world is about to change when he is faced with helping a war dodger and must make some tough decisions When he starts receiving cryptic Ouija board messages from Jim Morrison Janis Joplin and Jimi Hendrix all members of the 27 Club he knows he is in over his head Fortunately for Quinn his new girlfriend Caroline helps him get a grip and channel his inner self
