THE FASTING CURE Upton Sinclair, 2024-01-17 In Upton Sinclair's *The Fasting Cure* the author delves into the benefits of fasting as a means of healing and rejuvenation. Written in a clear and engaging style, Sinclair's exploration of fasting as a cure for illnesses is presented with a blend of scientific research and personal anecdotes. The book is set in the early 20th century and reflects the growing interest in alternative medicine during that period. Sinclair's literary talent shines through in his ability to present complex medical concepts in an accessible manner, making the book a valuable resource for both scholars and general readers interested in the history of medicine. Additionally, Sinclair's advocacy for natural healing methods adds depth to the text, making it a compelling read for those interested in holistic health practices. *The Fasting Cure* is a thought-provoking and informative book that sheds light on a lesser-known aspect of Sinclair's literary repertoire.

Metabolism Reset Diet: 2 Books in 1 Mary Nabors, 2021-10-29 If you want to become healthier, bulk up, and eat clean, then keep reading. For years it has been believed that bodybuilders couldn't follow a vegan diet. People assume that in order to gain muscle, that you have to eat animal products because for many, animal products are the only decent source of protein. While it is true that you need protein to build muscle, you can get plenty of protein from plant sources. As a dietitian, I want to help you make the changes to your diet that you want to and still do the workouts you love. There are a lot of myths out there about veganism and bodybuilding, and if you are a bodybuilder who wants to eat vegan, you may find it hard to figure out how to do so. People choose veganism for many reasons, and the reason you want to switch to this new diet isn't important. The only thing that is important is that yes, you can eat vegan and be a bodybuilder. I want to help prove to you that you can have all the energy you need as well as the protein to be a successful bodybuilder and reach the gains that you have been striving for. In this book, you will find:
