Lost and Found Husband Sheri Whitefeather,2013-09-17 What happens when an adoptive daughter finds love for her estranged biological parents Find out in this first Family Renewal title by Sheri WhiteFeather Reuniting with her daughter was a dream come true for Victoria Allen but when Kaley wanted to meet her father well all bets were off She would not could not allow the older and undoubtedly sexier Ryan to get under her skin But how could she deny their child a chance to know the man who d once captured her own heart When Ryan Nash opened the door to find his first love and their child on his doorstep he was surprised to find his feelings for Victoria were stronger than ever He now had the chance of a lifetime to right the wrongs of the past And maybe in the process build a family for the future Publisher description *Lost and Found* John James Kennedy,Yaojiang Shi,2019 In 1979 the Chinese government famously introduced The Single Child Policy to control population growth Nearly 40 years later the result is an estimated 20 million missing girls in the population from 1980 2010 In Lost and Found John James Kennedy and Yaojiang Shi focus on village level implementation of the one child

policy and the level of mutual noncompliance between officials and rural families Through in depth interviews with rural parents and local leaders they reveal that many had strong incentives not to comply with the birth control policy because larger families meant increased labor and income In this sober exploration of China s Single Child Policy throughout the reform period the authors more broadly show how governance by grassroots cadres with greater local autonomy has affected China in the past and the challenges for resolving center versus locality contradictions in governance that lie ahead
