Lost Scriptures Bart D. Ehrman, 2003-10-02 While most people think that the twenty seven books of the New Testament are the only sacred writings of the early Christians this is not at all the case A companion volume to Bart Ehrman's Lost Christianities this book offers an anthology of up to date and readable translations of many non canonical writings from the first centuries after Christ texts that have been for the most part lost or neglected for almost two millennia Here is an array of remarkably varied writings from early Christian groups whose visions of Jesus differ dramatically from our contemporary understanding Readers will find Gospels supposedly authored by the apostle Philip James the brother of Jesus Mary Magdalen and others There are Acts originally ascribed to John and to Thecla Paul's female companion there are Epistles allegedly written by Paul to the Roman philosopher Seneca And there is an apocalypse by Simon Peter that offers a guided tour of the afterlife both the glorious ecstasies of the saints and the horrendous torments of the damned and an Epistle by Titus a companion of Paul which argues page after page against sexual love even within marriage on the grounds that physical intimacy leads to damnation In all the anthology includes fifteen Gospels five non canonical Acts of the Apostles thirteen Epistles a number of Apocalypses and Secret Books and several Canon lists Ehrman has included a general introduction plus brief introductions to each piece This important anthology gives readers a vivid picture of the range of beliefs that battled each other in the first centuries of the Christian era

The Lost Books of the Bible Frank Crane, 2011-05 YOU will find between these covers all the ecclesiastical writings of
 early Christian authorities that are known to exist and yet were omitted from the authorized New Testament They are
 published here as a matter of record Whether they are canonical or not at least these writings are of very great antiquity
 Origins are noted in paragraphs at the front of each book This will enable the reader to form his own conclusions as to the
 genuineness of the writings These writings are a vivid picture of the minds of men in the post Apostolic period of the Church
 Discount the statements from the historical viewpoint as you will there remains in these gospels and epistles an earnestness
 of purpose and zeal to express a message similar to that of our authorized Bible An interesting question naturally arises as to
 why these writings were cast out in the selection of the material that has come down to us in the authorized version The
 compilation of the Bible was not an act of any definite occurrence It was a matter complicated and abstruse It was an
 evolution at the hands of Churchmen of various beliefs and purposes In the formulation of early church doctrines there was
 dissension personal jealousy intolerance persecution bigotry That out of this welter should have arisen the Bible with its fine
 inspiration would seem to present a plausible basis for belief in its Divine origin But who can deny that under such vicious
 and human circumstances much writing of as pure purpose and as profound sincerity as other that is included in the
 authorized Bible must have been omitted The story of the first council of Nice when Arius was commanded by the Bishop of
 Alexandria to quit his beliefs or be declared a heretic and his writings were ordered destroyed is eloquent of many things

that happened Good men were engaged on both sides of the ecclesiastical controversies **The Bible Cause** John Fea,2016
The Bible Cause chronicles the role that the American Bible Society has played throughout America s history from its
founding in 1816 to the present day as it has met the spiritual needs of Americans through the translation and publication of
the Bible
