Lost Decade:

Zimbabwes Lost Decade Lloyd Sachikonye, 2012-04-24 Zimbabwe occupies a special place in African politics and international relations and has been the subject of intense debates over the years. At independence in 1980 the country was better endowed than most in Africa and seemed poised for economic development and political pluralism. The population was relatively well educated, the industrial and agricultural bases were strong, and levels of infrastructure were impressive. However, in less than two decades Zimbabwe was mired in a deep political and economic crisis. Towards the end of its third decade of independence, the economy had collapsed and the country had been transformed into a repressive state. How can we make sense of this decline? How can we explain the lost decade that followed? Can the explanation be reduced to the authoritarian leadership of Robert Mugabe and the role of ZANU PF? Or was something defective about the institutions through which the state has exercised its authority? Or was it the result of imperialism, the West, and sanctions? *Zimbabwes Lost Decade* draws on Lloyd Sachikonye's analyses of political developments over the past 25 years. It offers a critique of leadership systems of governance and economic strategies and argues for democratic values and practices and more broad-based participation in the development process.

What America Lost: Decades That Made a Difference Sallie Ferrell Bolich, 2009-08-04 As the fifties ended, we were about to embark on a journey that would take our American society in a completely new direction. By reviewing history, we can identify how the tumultuous sixties chose our path while each decade beginning in 1950 and continuing through 2000 determined our course at that time. On this journey, many values and lifestyles experienced by the Baby Boomers were left behind, not passed on to their children, Gen X and Gen Y. The resulting new outlook profoundly influenced attitudes held by these emerging generations. The fascinating field of handwriting analysis serves as our GPS, which enables us to identify these attitudes, trace where we've been, and understand where society is today. Handwriting is an expression of self and attitudes resulting from personal experiences, social interactions, and events that made a significant impact. Reliving the journey with insight is made possible by studying handwriting samples obtained from high school yearbooks covering those five decades. Numerous historical and societal changes profoundly influenced attitudes of today. These attitudes mirror our culture. Handwriting analysis will not reveal precise societal changes; however, it will reveal how these changes impact attitudes.

Lost Decades in Growth Performance Y. Chu, 2015-04-20 There have been many noticeable incidents of lost decades in economic growth occurring in countries across the world. It has been found that in many economies the lost decade phenomenon persists even after the conventional set of contributing factors such as per capita income, fertility rate, life expectancy, rule of law, educational attainment, ratio of investment to national income, and openness have been taken into account. This book explains where and how these lost decades in economic growth occur in the world. The authors identify that dominant macroeconomic factors contributing to their occurrence are an abnormal supply of credits relative to national income and poor demand management. The study pays special attention to the cases of Japan.

South Korea and Taiwan exploring their specific cases and analyzing contributing factors While Japan suffered from excessive credit prior to the bubble bursting and from insufficient domestic demand subsequently Korea's growth has been stunted through structural imbalances between and within industries as well as through changes in the orientation of public policies from growth to equality Adversely reduced economic growth in Taiwan has led from its populism ridden democracy and mass media as well as from internal disputes over national identity *Lost Decades in Growth Performance* provides a revealing insight into the factors affecting economic growth across the world and will be an invaluable resource for anyone with an interest in global and Asian economics It also offers a fundamental source of reference for students and academics in general equilibrium models economic development and East Asian economies

Examining Japan's Lost Decades Yoichi Funabashi, Barak Kushner, 2015-04-10 This book examines five features of Japan's Lost Decades the speed of the economic decline in Japan compared to Japan's earlier global prowess a rapidly declining population considerable political instability and failed reform attempts shifting balances of power in the region and changing relations with Asian neighbouring nations and the lingering legacy of World War Two Addressing the question of why the decades were lost this book offers 15 new perspectives ranging from economics to ideology and beyond Investigating problems such as the risk averse behaviour of Japan's bureaucracy and the absence of strong political leadership the authors analyse how the delay of loss cutting policies led to the 1997 financial crisis and a state of political gridlock where policymakers could not decide on firm strategies that would benefit national interests To discuss the rebuilding of Japan the authors argue that it is first essential to critically examine Japan's Lost Decades and this book offers a comprehensive overview of Japan's recent 20 years of crisis The book reveals that the Lost Decades is not an issue unique to the Japanese context but has global relevance and its study can provide important insights into challenges being faced in other mature economies With chapters written by some of the world's leading Japan specialists and chapters focusing on a variety of disciplines this book will be of interest to students and scholars in the areas of Japan studies Politics International Relations Security Studies Government Policy and History

The Global Women's Movement Peggy Antrobus, 2004 Of all the great social movements of the twentieth century it is the women's movement that looks set to continue to shape the course of social progress over the next generation This overview of the international women's movement by the well known feminist activist Peggy Antrobus asks where are women now particularly in the Third World in the struggle against gender inequality What are the issues from poverty to sexual and reproductive health to the environment that they face in different parts of the world What challenges confront the women's movement and what strategies are needed Rooted in the author's long experience in seeing these movements in a changing national and global context over the past decades this intervention will prove an invaluable aid to reflection and action for the next generation of women as they carry through the unfinished business of women's emancipation

Latin America and the Caribbean Brian W. Blouet, Olwyn M. Blouet, 2009-09-08 Updated and revised with many new detailed maps and

photographs this sixth edition enables geographers to explore the changes and major issues facing this dynamic region today The historical material has been streamlined in order to focus on contemporary issues Key environmental issues are highlighted in new boxes throughout the chapters The Systematic surveys have been restructured New profiles of Latin American countries and major issues are also covered This approach will help geographers visit the dynamic people and places of Latin America

The Fate of Africa Martin Meredith, 2005-07-05 Traces the history of Africa in the fifty years since the independence era began describing how the withdrawal of Europe's colonial powers influenced the African people and culture

The Land of the Rising Sun: A History of Japan from Ancient Times to the Modern Era Pasquale De Marco, 2025-07-11 From its ancient origins to its modern transformation Japan has captivated the world with its unique blend of tradition and innovation In this book we take you on a journey through the ages uncovering the stories of emperors and samurai artists and artisans and ordinary people who shaped the nation's destiny Discover the forces that have shaped Japanese society and culture From the influence of Confucianism and Buddhism to the impact of Western imperialism Japan's history is a tapestry of human endeavor and achievement We examine the rise and fall of dynasties the clash of civilizations and the birth of a modern nation state Witness Japan's role in world affairs from isolation to global power From its isolationist policies during the Edo period to its emergence as a major player on the global stage in the 20th century Japan's history is intertwined with the world's We delve into the events leading up to World War II the devastation of the atomic bombings and the remarkable recovery that followed Uncover the unique spirit of Japan a land of contrasts and contradictions From the cherry blossoms that bloom each spring to the bustling streets of Tokyo Japan is a land of beauty tradition and boundless potential We explore the contrasts and contradictions that make Japan so fascinating from its ancient temples to its modern skyscrapers from its traditional arts to its cutting edge technology This book is the ultimate guide to understanding Japan its history its culture and its people Whether you are a seasoned traveler a history buff or simply curious about one of the world's most fascinating countries this book has something for everyone With vivid storytelling and insightful analysis we bring Japan's past and present to life offering a deeper understanding of this remarkable nation If you like this book write a review

Japan's Quiet Transformation Jeff Kingston, 2004 The 1990s have been termed as Japan's lost decade to describe how the phenomenal growth in the Japanese economy ground to a halt and the country was crippled by enormous and ongoing political economic and social problems In responding to these unprecedented difficulties wide ranging reforms have been adopted including NPO information disclosure and judicial reform legislation Controversially this book argues that such reforms are creating a more robust civil society and demonstrate that Japan is far more dynamic than is generally recognized

The Smartest Portfolio You'll Ever Own Daniel R. Solin, 2012-09-04 Acclaimed and bestselling author Dan Solin shows you how to create a SuperSmart Portfolio that follows the same strategies used by the most sophisticated investment advisers in the world but previously unavailable to most do it yourself investors Providing the

The Japanese Literary Spectrum Pasquale De Marco, 2025-07-11 The Japanese Literary Spectrum explores the rich and diverse world of Japanese literature from its ancient oral traditions to its modern manifestations This comprehensive guide examines the major periods of Japanese history the key literary genres and movements and the works of some of the most celebrated Japanese authors Through a detailed analysis of literary texts historical documents and cultural artifacts this book offers a deeper understanding of the development themes and significance of Japanese literature It explores how Japanese literature has been influenced by other cultures as well as its own unique contributions to world literature This book also delves into the challenges of translating Japanese literature into English examining the linguistic and cultural barriers that must be overcome to convey the essence and beauty of the original works It discusses the role of translation in promoting cross cultural understanding and appreciation of Japanese literature Whether you are a student a scholar or simply a curious reader The Japanese Literary Spectrum provides a comprehensive overview of the field offering insights into the rich and multifaceted world of Japanese literary expression If you like this book write a review

The Economics of SME Finance Ichiro Uesugi, 2025-06-18 This book uses multiple data sources to comprehensively examine issues related to small and medium enterprise SME finance in Japan The first feature of the book is that it empirically examines issues that are important not only for Japan but also for other countries These issues include zombie firms the expansion of the bank lending market across regions the role of loan guarantees during economic crises competition between state owned banks and private financial institutions and the impact of bank mergers The second feature of the book is that it presents and makes available to researchers statistical data on SME finance that were previously unavailable due to a lack of accurate and detailed data sources The book shows for the first time in Japan the extent of concentration at the prefecture level in both loan and deposit markets over a 15 year period It also shows for the first time not only in Japan but also in other countries an indicator of the flow of funds between regions via loans and deposits providing new insights into the role of regional fund allocation These findings will be of interest not only to researchers interested in Japan but also to those in both developed and emerging economies interested in the evolution of SME finance

Commercial Law in East Asia Roman Tomasic, 2017-07-05 The shift of economic gravity towards East Asia requires a critical examination of law s role in the Asian Century This volume explores the diverse scholarly perspectives on law s role in the economic rise of East Asia and moves from general debates such as whether law enjoys primacy over culture state intervention or free markets in East Asian capitalism to specific case studies looking at the nature of law in East Asian negotiations contracts trade policy and corporate governance The collection of articles exposes the clefts and cleavages in the scholarly literature explaining law s form function and future in the Asian Century

Growth and External Debt Management H.W. Singer, Soumitra Sharma, 1989-06-18 This volume contains a series of 21 papers presented at the

International Conference of Economists held at the University of Zagreb Yugoslavia The contributors discuss policy issues of macro economic management and offer general and overall approaches to the debt and growth problems of the 1980s

Language Policy, Culture, and Identity in Asian Contexts Amy B.M. Tsui, James W. Tollefson, 2017-09-25 Bringing together scholarship on issues relating to language culture and identity with a special focus on Asian countries this volume makes an important contribution in terms of analyzing and demonstrating how language is closely linked with crucial social political and economic forces particularly the tensions between the demands of globalization and local identity A particular feature is the inclusion of countries that have been under represented in the research literature such as Nepal Bangladesh Brunei Darussalam Pakistan Cambodia Vietnam and Korea The book is organized in three sections Globalization and its Impact on Language Policies Culture and Identity Language Policy and the Social Re construction of National Cultural Identity Language Policy and Language Politics The Role of English Unique in its attention to how the domination of English is being addressed in relation to cultural values and identity by non English speaking countries in a range of sociopolitical contexts this volume will help readers to understand the impact of globalization on non English speaking countries particularly developing countries which differ significantly from contexts in the West in their cultural orientations and the way identities are being constructed Language Policy Culture and Identity in Asian Contexts will interest scholars and research students in the areas of language policy education sociolinguistics applied linguistics and critical linguistics It can be adopted in graduate and advanced undergraduate courses on language policy language in society and language education

Research Handbook on Competition and Corporate Law Florence Thépot, Anna Tzanaki, 2025-07-15 This is an open access title available under the terms of a CC BY NC ND 4.0 License It is free to read download and share on Elgaronline thanks to generous funding support from the Lund University Library This Research Handbook adopts an interdisciplinary approach to examine the nexus between competition law and corporate law engaging with legal systems across the Americas Asia and Europe It explores topical issues at the intersection of these subjects such as the purposes underpinning competition and corporate law the boundaries of the firm corporate organisation and its effects on competition and the interplay between corporate governance compliance and antitrust enforcement Contemporary Japan Jeff Kingston, 2011-06-28

Contemporary Japan History Politics and Social Change since the 1980s presents a comprehensive examination of the causes of the Japanese economic bubble in the late 1980s and the socio political consequences of the recent financial collapse Represents the only book to examine in depth the turmoil of Japan since Emperor Hirohito died in 1989 the Cold War ended and the economy collapsed Provides an assessment of Japan's dramatic political revolution of 2009 Analyzes how risk has increased in Japan undermining the sense of security and causing greater disparities in society Assesses Japan's record on the environment the consequences of neo liberal reforms immigration policies the aging society the US alliance the Imperial family and the yakuza criminal gangs Selected as a 2011 Outstanding Academic Title by CHOICE **Hemingway,**

Fitzgerald and the Muse of Romantic Music Nicole J. Camastra, 2023-12-11 Both Ernest Hemingway and F Scott Fitzgerald grew up in the Midwest and were strongly influenced by Romantic music anchored by the aesthetic tastes of the German immigrants who settled across that region Hemingway's ear for form and Fitzgerald's penchant for lyricism stem from early and frequent exposure to such masters as Johannes Brahms and Franz Schubert Nostalgia is typically associated with romanticism and the acoustic longing found in Hemingway and Fitzgerald's fiction resonates with it characterized in the narrative voices in Hemingway's *Winner Take Nothing* Fitzgerald's *Tender Is the Night* and other of their fiction from the early thirties Understanding that each writer has his own kind of musical biography charts new ways to read material we already think we know Reading their work within a musico historical context means acknowledging it as an extension of the 19th century it means reading them as Romantic Modernists This work reads each author's prose musically considering how Romantic music inspired their craft and distinguished their work through the pivotal juncture of the early to mid 1930s when each man faced an artistic crisis of conscience Initial chapters provide background information in music history Following chapters focus on how the life of each author was shaped by music and how they worked with specific influences that grew out of steady interactions with it evidence of which is found in archival documents and collections [The East Asian Model](#) Hyungkee Kim, 2023-02-24 Hyungkee Kim analyses the model of East Asian development as it existed during periods of high growth and how it was transformed by pressures from both the Washington consensus and its own internal contradictions Many have discussed the successes and failures of the East Asian model but Kim is concerned rather with the story of its transformation and its long term sustainability He uses a Five Sector Model which focuses on the state corporate financial labour and foreign sectors to identify the core of East Asian model and examine the variants in Korea Japan and China He also outlines the distinctions between the East Asian model and Western development models including the Anglo American Rhine and Nordic models He analyses in detail the institutional changes such as marketization privatization liberalization and flexibilization that have transformed the East Asian model Highlighting the major problems that emerged from the transformation of the East Asian model Kim assesses its prospects for economic social and ecological sustainability and proposes an agenda for institutional reforms An essential reading for scholars of East Asian political economy [The Coal Trap](#) James M. Van Nostrand, 2022-07-21 A cautionary tale for the many other jurisdictions around the world that are resisting the transition to clean energy resources
