Lost Years:

The Lost Years Sonja B'Field, 2011-10 This is a true story inspired by my Lord and Savior Jesus Christ It will touch you deep inside your heart and soul Sonja B Field had a tough childhood with a child molesting and abusive step father and a mother who struggled to raise her seven children From age seven she remained devoted to her mother and her siblings Yet as she grew up she wanted nothing more than to escape her abusive childhood She dreamed of the day when she would have her own life with some tall and handsome man who would love her unconditionally When she finally meets Jansen she falls madly in love with him and he sweeps her off her feet and away from her hometown to an unfamiliar country where she would soon find nothing but torment and abuse at the hand of the man she trusted It was like living her childhood all over again

Ten Lost Years, 1929-1939 Barry Broadfoot, 2013-04-23 Hundreds of ordinary Canadians tell their own stories in this book They tell them in their own words and the impact is astonishing As page after page of unforgettable stories rolls by it is easy to see why this book sold 300 000 copies and why a successful stage play that ran for years was based on them The stories and the 52 accompanying photographs tell of an extraordinary time One tells how a greedy Maritime landlord ho tried to raise a widow s rent was tarred and gravelled another how rape by the boss was part of a waitress s job Other stories show Saskatchewan families watching their farms turn into deserts and walking away from them or freight trains black with hoboes clinging to them criss crossing the country in search of work or a man stealing a wreath for his own wife s funeral Throughout this portrait of the era before Canada had a social safety net there are amazing stories of what Time magazine called human tragedy and moral triumph during the hardest of times In the end this is an inspiring uplifting book about bravery one you will not forget

The Lost Years of Jesus Elizabeth Clare Prophet, 2020-12-22 Reads like a detective thriller It picks you up and never lets go of you Jess Stearn bestselling author of Edgar Cayce The Sleeping Prophet Ancient texts reveal that Jesus spent 17 years in the Orient They say that from age 13 to age 29 Jesus traveled to India Nepal Ladakh and Tibet as both student and teacher For the first time Elizabeth Clare Prophet brings together the testimony of four eyewitnesses and three variant translations of these remarkable documents She tells the intriguing story of how Russian journalist Nicolas Notovitch

discovered the manuscripts in 1887 in a monastery in Ladakh Critics proved they did not exist then three distinguished scholars and educators rediscovered them in the twentieth century Now you can read for yourself what Jesus said and did prior to his Palestinian mission It s one of the most revolutionary messages of our time Malawi's Lost Years (1964-1994) Mwakasungura, Kapote, Miller, Douglas, 2016-08-10 Malawi is a small and poorly known country but the crimes committed against its people by the brutal dictatorship of Dr Hastings Kamuzu Banda are a part of our shared human history It is about what happens when governments turn state violence on their own people with impunity The book gives voice to Malawians who were arbitrarily imprisoned who fled for their lives into exile or who suffered silently under the regime s state sponsored terror from 1964 to 1994 These are not easy stories for the victims to tell and people in power do not want them to be made public To add to the indignity endured by the regime s victims Malawi s current leadership has been rehabilitating Banda s image and honouring him despite well documented reports of atrocities and abuse of human rights Nevertheless even unpleasant history must be openly faced discussed and acknowledged to provide lessons for the future The book helps redress this one sided revision of Malawian history Fifty years after independence the Malawi people continue to suffer in absolute poverty and in greater numbers than ever because the lessons of history from Malawi s lost years have not been learned **Marcellus of Ancyra and the Lost Years of the Arian Controversy 325-345** Sara Parvis, 2006-03-02 Is it true as has often been claimed in recent years that there was no real controversy in the period immediately following the Council of Nicaea Sara Parvis in this lively and meticulous study argues not She shows that the two opposing parties which had formed in support of Alexander of Alexandria and Arius in the years before Nicaea continued their activities afterwards targeting one another with ruthless zeal at a series of synods which may look neutral but are revealed to be demonstrably partisan Only the deaths of all the original party leaders except Marcellus of Ancyra and the rise of Athanasius broke the impasse which followed and allowed new political and theological configurations to form The Lost Years Stacey Ritz, 2019-03 We may not control our circumstances but we can control our choices WE ARE ALL COLLECTING MEMORIES moments that stay with us forever imprinted on our hearts and minds We store these moments letting them shape who we are and who we become But what do we do with the unwanted memories the ones that haunt us At thirty two Rainie Amburger has pushed everyone from her past aside to start a new life She is finally dating someone who might be the one Despite her past she has created a life that allows her to be in control and surrounded by those she can trust at her Kentucky Farm Rescue and Sanctuary Estranged for years Veronica Jorgenson never forgot her older sister Rainie Her married life with Andrew is full of smiles and pleasantries But Veronica learns that smiles can be deceptive After several odd events she is beginning to wonder what Andrew may be hiding behind his jovial smile What she is uncovering about the truth of her perfect looking life places who she is and what she believes into question Nearly sixty Sarah Jayne has spent her life as a caretaker to her ailing husband She sacrificed her dreams and dignity to care for a man who could never be bothered to

properly care for himself When her husband is involved in a fatal accident despite having each gone their separate ways the incident brings the mother and her two daughters to the beaches of Corolla North Carolina There the three women are tested against their past and against their individual struggles And there with the backdrop of aquamarine waves Rainie runs into her childhood best friend and high school sweetheart Milo Rivers someone she thought she left behind fourteen years ago The Lost Years is the story of the bond between sisters of mothers and daughters and of finding the courage and strength to leave the past behind and welcome what lies ahead even when it looks vastly different than what was expected Ultimately The Lost Years is a story of hope love and connection in the face of fear and despair EDITORIAL REVIEWS Heartwarming It is a story full of hope love connection and strong women I didn't want the book to end Once again Stacey Ritz weaves a rich and delightful story What fantastic read This is a story full of triumph and hope I loved every character and found myself rooting for everyone in the story We are all faced with tragedies in our lives Our stories however are not based on these tragedies but in our response to each tragedy This is exactly what Stacey Ritz proves with her latest novel The Lost Years The author pulls you in with her fabulous storytelling and keeps you engaged through her emotional and heart warming characters You will not want to put the book down and may find yourself reading all night This was a wonderful story of hope and reconnection My favorite part of The Lost Years was the underlying message that we are all in charge of our lives I loved this book and will happily read more of Ritz's novels in the future Dayton Monthly Book Club I was intrigued from the beginning I thought this may be just another beach read but I was wrong What a fabulous story of hope and reconnecting with those you thought you may have lost forever It gives everyone hope that maybe if you are true to yourself that happy endings aren't just for fairy tales
