Ten Lost Years, 1929-1939 Barry Broadfoot, 2013-04-23 Hundreds of ordinary Canadians tell their own stories in this book They tell them in their own words and the impact is astonishing As page after page of unforgettable stories rolls by it is easy to see why this book sold 300 000 copies and why a successful stage play that ran for years was based on them The stories and the 52 accompanying photographs tell of an extraordinary time One tells how a greedy Maritime landlord who tried to raise a widow's rent was tarred and gravelled another how rape by the boss was part of a waitress's job Other stories show Saskatchewan families watching their farms turn into deserts and walking away from them or freight trains black with hoboes clinging to them criss crossing the country in search of work or a man stealing a wreath for his own wife's funeral Throughout this portrait of the era before Canada had a social safety net there are amazing stories of what Time magazine called human tragedy and moral triumph during the hardest of times In the end this is an inspiring uplifting book about bravery one you will not forget
