

A close-up, high-detail illustration of a steampunk character. The character's face is pale and human-like, but heavily integrated with mechanical components. Large, circular gears are visible on the forehead and around the eyes. The eyes themselves are large, round, and have a golden-brown hue. The character has a small, dark, pointed nose and a slightly open mouth showing a small, dark, pointed tongue. The character's skin is cracked and worn, revealing underlying mechanical parts. The background is a dense, out-of-focus arrangement of various sized gears and mechanical parts, creating a complex, industrial aesthetic. The lighting is dramatic, highlighting the character's face against the darker, more intricate background.
