Mirrors Kill:

Mirror, Mirror J.R. Pestel, 2022-12-02 If you're a fan of television shows like Buffy the Vampire Slayer or Supernatural this is the perfect read for you. Readers Favorite. The war in hell continues to claim the souls of innocent humans. Now the war comes close to home for Johann Gunter and his demon hunting partner Robert Durling. They must leave Johann's home in Mesa, Arizona, and together with Johann's sister Theresa travel to the town of Snowflake, Arizona. While conducting their investigation, the trio ends up spending a night in the Sheriff's Department jail where they gain a very unexpected ally.

Broken Mirrors Elias Khoury, 2016-02-09 Karim Chammas returns to Lebanon, his family, and his past after ten years of establishing a new life in France. Back in Beirut, Karim reacquaints himself with his brother Nassim, now married to his former love Hind, and old friends from the leftist political circles within which he once roamed under the nom de guerre Sinalcol. By the end of his six-month stay, he has been reintroduced to the chaos of cultural, religious, and political battles that continue to rage in Lebanon. Overwhelmed by the experiences of his return, Karim is forced to contemplate his identity and his place in Lebanon's history. The story of Karim and his family is born of other stories that intertwine to form an imposing fresco of Lebanese society over the past fifty years. *Broken Mirrors* examines the roots of an endemic civil war and a country's unsettled past.

Mirrors Jennifer C. Parker, 2013-04-15 Time travel into two different dimensions to discover two different hauntings that will change your psychological view of fear. After surviving life on the run as a blacksmith from an old murder mystery that he was unaware of, 10 years later Chester finds himself in a reality that leaked his haunted conscience into reality to torture his unrested soul through the eyes of a Gypsy he fell in love with on his journey. Every time he thought he was innocent, the haunting became stronger. Little did he know he was the haunting of 1920 and his love played a role that would change his life and societal views. Do you think you can solve the mystery? Or will you become another victim? After encountering a near tragic experience, Jake finds out about a world that appears to be an endangerment to his dimension through his nightmares. When the creatures transitioned into his dimension, they came as a warning in knowing that one day his world would become just like theirs. He finds out that he is the only one who can stop the puzzle behind the world's development from prevailing and prevent the supernatural force from taking over his dimension. Or did he? Based on the poem called *Mirrors* from my well-known book *Poetic Visions through the State of Mind*, this book takes your fear to its limits of looking into the eyes of the paranormal. The chilling feeling that this science fiction thriller will leave on your soul will alter your views on reality. Will you survive to make it to the end of the book? *The Burning Mirror* Sandy Yule, 2005

Besieged Ego Caroline Ruddell,2013-12-16 The Besieged Ego critically appraises the representation or mediation of identity in film and television through a thorough analysis of doppelgangers and split or fragmentary characters The prevalence of non autonomous characters in a wide variety of film and television examples calls into question the very concept of a unified knowable identity The form of the double and cinematic modes and rhetorics used to denote fragmentary identity is addressed in the book through a detailed analysis of texts drawn from a range of industrial historical and cultural contexts The doppelganger or double carries significant cultural meanings about what it means to be human and the experience of identity as a gendered individual The double also expresses in fictional form our problematic experience of the world as a social and supposedly whole and autonomous subject The Besieged Ego therefore raises important questions about the representation of identity onscreen and concomitant issues regarding autonomy and what it means to be human yet it also charts a generic account of the double onscreen Case studies include horror fantasy and comedy
