triumph over all my hardships and how I came out the other end The Zuzu Secret Miriam Chernick,2025-05-06 It's summer and Josie and Abe's family just moved to a new town. They each have secrets, one of which involves caring for a bearded dragon. For fans of *Out of My Mind* comes a heartfelt novel for kids ages 10 and up about sibling relationships, family struggles, disability, and getting what you want. 12-year-old Josie Sherman, an animal lover and aspiring vet, rescues a bearded dragon lizard. But her family's strict no-pets rule, because of her brother's disability, forces Josie to hide the lizard Zuzu in her bedroom. Abe, Josie's 15-year-old brother, is a huge Orioles fan and he has plans of his own. Abe lives with Prader-Willi syndrome, which restricts his independence. What secret risks will Abe take to reach his goals? Told in alternating points of view, *The Zuzu Secret* explores the challenge of balancing independence with deception. Josie and Abe both have things to learn about being truthful with themselves and with the people they love. *The Zuzu Secret* is much more than a book about a young person with a disability. It is a realistic, warm, beautifully told story of growing love and responsibility between sister and brother. Francisco X Stork, author of *Marcelo in the Real World* The Life of Maxine Holsinger Maxine Holsinger,2013-08-14 I'm writing this book at the ripe old age of seventy-five. This book has been inspired by God, and since I am trying to be obedient, who knows what will happen. With him, all things are possible. I'm sure he will allow me to finish this book, but if not, God's will be done. I hope you will enjoy reading this book.
