Pensare La Democrazia Antologia Dai Quaderni Del Carcere Biblioteca Einaudi:

Carlo Pisacane's La Rivoluzione Carlo Pisacane, 2010-10-04 Pisacane has been described in English text books and by a number of historians as a key person and in one case as one of the most intelligent leaders of the Risorgimento yet little has been written about him in English This work therefore aims to introduce this soldier writer freedom fighter and martyr of the Sapri Expedition to an English readership The introduction tells us about Pisacane's life and career including his part alongside Mazzini and Garibaldi in the Roman Republic It also surveys his written work which evidenced the development of his political thinking and culminated in his *Saggi storici politici militari sull'Italia* published posthumously between 1858-1860 *La Rivoluzione* later published separately was a call to avoid the mistakes of earlier bourgeois revolutions insisting on the need for an overtly socialist programme to involve the masses in a specifically Italian revolution Finally the introduction attempts to set the translated work in the context of post-Enlightenment political thought as well as contrasting Pisacane's approach with the mainstream nationalist and republican movements in Italy
