the Latter Days Vinson Synan, 2001 What in the World is God Doing asks Vinson Synan Evil has swept the earth in the twentieth century the bloodiest in human history Yet this century has also seen an astounding outpouring of the Holy Spirit Writing with both a historian's perspective and prophetic urgency Synan helps us understand our times Today God is giving great gifts in times of great trouble In the Latter Days describes the Pentecostal outpouring of the Holy Spirit in the twentieth century It is the greatest revival in human history It has touched millions of lives reached across denominational barriers restored spiritual gifts to Christian life and permanently reshaped Christianity The Pentecostal movement began humbly in a Kansas farmhouse and a shabby Los Angeles meeting hall It spread rapidly throughout the U S spawning several new fast growing denominations and within a few decades had taken hold in every continent Then in the 1960s even Pentecostal Christians were amazed when a neo Pentecostal movement erupted in the mainline Protestant denominations and the charismatic renewal unexpectedly appeared in the Catholic Church In the Latter Days tells the whole dramatic story of God's Pentecostal working our day a day of great evil and a day of great blessing Publisher's information **European Pentecostalism** William Kay, Anne Dyer, 2011-09-23 An interconnected account of the progress of the Pentecostal and charismatic movements in Europe has long been needed but has never before been attempted because of the diversity of languages spoken across the continent This book provides historical theological and sociological perspectives on European Pentecostalism *Subcultures and New Religious Movements in Russia and East-Central Europe* George McKay, 2009 Based on extensive ethnographic research this collection uses a variety of theoretical perspectives and methodologies to examine some of the many subcultures and new religious movements that have emerged in Central and Eastern Europe since the fall of communism **Religious Life in the Late Soviet Union** Barbara Martin, Nadezhda Beliakova, 2023-08-18 This book presents the first large overview of late Soviet religiosity across several confessions and Soviet republics from the 1960s to the 1980s Based on a broad range of new sources on the daily life of religious communities including material from regional archives and oral history it shows that religion not only survived Soviet anti religious repression but also adapted to new conditions Going beyond traditional views about a mere returned of the repressed the book shows how new forms of religiosity and religious socialisation emerged as new generations born into atheist families turned to religion in search of new meaning long before perestroika facilitated this process In addition the book examines anew religious activism and transnational networks between Soviet believers and Western organisations during the Cold War explores the religious dimension of Soviet female activism and shifts the focus away from the non religious human rights movement and from religious institutions to ordinary believers **Pentecost To The Present Book Three** Jeff Oliver, 2017-06-01 Without knowing the Holy Spirit's work in history we cannot possibly understand what He is doing today much less prepare for what He will do In this third and final installment the reader will learn how Charles Parham founded the modern Pentecostal baptism with speaking in tongues how Evan Roberts gained worldwide attention through the 1904-05 Welsh revival and how

William Seymour spearheaded an international Pentecostal movement from Azusa Street in Los Angeles in 1906 The reader will learn how Pentecostalism spawned new denominations national and international ministries global renewal movements and inspired innovators to take modern revivalism to a whole new level Then when Pentecostalism penetrated American Middle class Protestantism many observers began speaking of a third force in Christianity Meanwhile revolutionary changes in the Catholic Church opened the door for the Catholic Charismatic Renewal Then just as the charismatic movement was beginning to subside in America it went global as charismatic mega churches Bible schools and television networks took the message of renewal to the world The twenty first century has witnessed a dramatic shift in Christianity to the Southern Hemisphere fueled in part by the global rise of Pentecostalism with many new movements on the horizon
