Relative Intimacy Fathers Adolescent Daughters And Modern American Culture:

Relative Intimacy Rachel Devlin, 2005 Celebrated as new consumers and condemned for their growing delinquencies teenage girls emerged as one of the most visible segments of American society during and after World War II Contrary to the generally accepted view that teenagers grew more alienated *Relative Intimacy* Rachel Devlin, 2006-03-08 Celebrated as new consumers and condemned for their growing delinquencies teenage girls emerged as one of the most visible segments of American society during and after World War II Contrary to the generally accepted view that teenagers grew more alienated from adults during this period Rachel Devlin argues that postwar culture fostered a father daughter relationship characterized by new forms of psychological intimacy and tinged with eroticism According to Devlin psychiatric professionals turned to the Oedipus complex during World War II to explain girls delinquencies and antisocial acts Fathers were encouraged to become actively involved in the clothing and makeup choices of their teenage daughters thus domesticating and keeping under paternal authority their sexual maturation In Broadway plays girls and women s magazines and works of literature fathers often appeared as governing figures in their daughters sexual coming of age It became the common sense of the era that adolescent girls were fundamentally motivated by their Oedipal needs dependent upon paternal sexual approval and interested in their fathers romantic lives As Devlin demonstrates the pervasiveness of depictions of father adolescent daughter eroticism on all levels of culture raises questions about the extent of girls independence in modern American society and the character of fatherhood during America s fabled embrace of domesticity in the 1940s and 1950s

New Fathers? Contemporary American Stories of Masculinity, Domesticity and Kinship Helena Wahlström, 2010-10-12 What do novels such as Annie Proulx s *The Shipping News* Michael Cunningham s *A Home at the End of the World* and Jayne Anne Phillips *MotherKind* have in common with films such as *Smoke* and *Mrs Doubtfire* This study explores the intersection of masculinity and domesticity in contemporary film and literature It argues that these texts produced since the 1990s address with some urgency the notion of new fatherhood in the United States They offer explorations of the idea that American fatherhood around the turn of the twenty first century is changing and they problematize the legitimacy of new fathers and alternative families in a national culture where the old patriarch and the nuclear family still often loom large in the imagination of many Americans **Unspeakable** Lynn Sacco, 2009-08-17 First place Large Nonprofit Publishers Illustrated Covers 2010 Washington Book Publishers Named one of the Top Five Books of 2009 by Anne Grant *The Providence Journal* This history of father daughter incest in the United States explains how cultural mores and political needs distorted attitudes toward and medical knowledge of patriarchal sexual abuse at a time when the nation was committed to the familial power of white fathers and the idealized white family For much of the nineteenth century father daughter incest was understood to take place among all classes and legal and extralegal attempts to deal with it tended to be swift and severe But public understanding changed markedly during the Progressive Era when accusations of

incest began to be directed exclusively toward immigrants blacks and the lower socioeconomic classes Focusing on early twentieth century reform movements and that era s epidemic of child gonorrhea Lynn Sacco argues that middle and upper class white males too molested female children in their households even as official records of their acts declined dramatically Sacco draws on a wealth of sources including professional journals medical and court records and private and public accounts to explain how racial politics and professional self interest among doctors social workers and professionals in allied fields drove claims and evidence of incest among middle and upper class white families into the shadows The new feminism of the 1970s she finds brought allegations of father daughter incest back into the light creating new societal tensions Against several different historical backdrops public accusations of incest against genteel men in the nineteenth century the epidemic of gonorrhea among young girls in the early twentieth century and adult women s incest narratives in the mid to late twentieth century Sacco demonstrates that attitude shifts about patriarchal sexual abuse were influenced by a variety of individuals and groups seeking to protect their own interests Children of a New World Paula S. Fass,2007 Focusing on the impact of globalization on children s lives in the United States and on the world stage this work examines children as both creators of culture and objects of cultural concern in America evident in the strange contemporary fear of and fascination with child abduction child murder and parental kidnapping Retiring Men Gregory Wood,2012-01-18 As life spans expanded dramatically in the United States after 1900 and employers increasingly demanded the speed and stamina of youth in the workplace men struggled to sustain identities as workers breadwinners and patriarchs the core ideals of twentieth century masculinity Longer life threatened manhood as men confronted age discrimination at work mandatory retirement and fixed incomes as recipients of Social Security and workplace pensions They struggled to somehow sustain manliness in retirement a new phase of life supposedly defined by the absence of labor Ironically retiring men pursued ways to stay productive retirees created new daily routines of golf and shuffleboard games tinkered with tools in garages attended social club meetings armed themselves for hunting and fishing excursions and threw themselves into yard work Others looked for new jobs or business ventures Only unending activity could help to ensure that the golden years would be good years for older men of the twentieth century Home Movies Claire Jenkins,2015-04-06 The American family has long been at the centre of the typical Hollywood narrative But the depiction of the nuclear family within contemporary mainstream US cinema has not yet been closely studied Home Movies addresses this oversight by assessing recent cinematic representations of the family in terms of cultural politics and representations of gender sexuality race and class Focusing on a diverse range of popular films from Meet the Parents to The Incredibles Claire Jenkins analyses the father daughter relationship within sequels and series Meryl Streep s embodiment of the mother the superhero family and extraordinary manifestations of the ordinary family disaster films which depict the president as father mom coms and Hollywood s representations of the non traditional family She combines film studies gender studies and family history to demonstrate the complexities of Hollywood

Decker, 2014-11-05 The experiences of African women in the era before independence remain a woefully understudied facet of African history This innovative and carefully argued study thus adds tremendously to our understanding of colonial history by focusing on women s education professionalization and political mobilization in the East African islands of Zanzibar **ReFocus: The Films of Delmer Daves** Matthew Carter, 2016-05-25 From *Destination Tokyo* 1943 to *The Battle of the Villa Fiorita* 1965 Delmer Daves was responsible for a unique body of work but few filmmakers have been as critically overlooked in existing scholarly literature Often regarded as an embodiment of the self effacing craftsmanship of classical and post War Hollywood films such as *Broken Arrow* 1950 and *3 10 to Yuma* 1957 reveal a filmmaker concerned with style as much as sociocultural significance As the first comprehensive study of Daves s career this collection of essays seeks to deepen our understanding of his work and also to problematize existing conceptions of him as a competent conventional and even naive studio man **A Companion to Dwight D. Cold War American Literature and the Rise of Youth Culture Denis Jonnes,2014-09-04 Demands placed on many young Americans as a result of the Cold War give rise to an increasingly age segregated society This separation allowed adolescents and young adults to begin to formulate an identity distinct from previous generations and was a significant factor in their widespread rejection of contemporary American society This study traces the emergence of a distinctive post war family dynamic between parent and adolescent or already adult child In depth readings of individual writers such as Arthur Miller William Styron J D Salinger Tennessee Williams Vladimir Nabokov Jack Kerouac Flannery O Connor and Sylvia Plath situate their work in relation to the Cold War and suggest how the figuring of adolescents and young people reflected and contributed to an empowerment of American youth This book is a superb research tool for any student or academic with an interest in youth culture cultural studies American studies cold war studies twentieth century American literature history of the family and age studies

The Waltons Mike Chopra-Gant,2013-04-16 The period in which *The Waltons* appeared on television screens was socially and politically volatile a testing time in which Americans grappled with stagflation rising oil prices defeat in Vietnam political corruption at the highest levels and the aftermath of the seismic political shifts that originated in the countercultural movements of the preceding decade In this fascinating book Mike Chopra Gant demonstrates how the Waltons offered 1970s America a reassuring vision of itself at this turbulent time and displayed a nostalgic desire for a return to traditional conservative and paternalistic family values in the face of the shifts taking place in society He examines its deployment of key myths of Americanness and positions the vision of family life offered by the show in the context of changing images of the family on television from the conformity of the 1950s family in shows like *Father Knows Best* through the strange families of the 1960s such as *The Munsters* and *The Addams Family* and through to contemporary representations exemplified by the dysfunctional families of *The Simpsons* *Family Guy* and *American Dad* He also explores the show s representations of masculinity through three generations of men and its ambiguous depiction of strong women whose demands for equality are met by apparent concessions that actually amount to a regressive restoration of female domesticity

The Warrior Image Andrew J. Huebner,2011-12-01 Images of war saturated American culture between the 1940s and the 1970s as U S troops marched off to battle in World War II the Korean War and the Vietnam War Exploring representations of servicemen in the popular press government propaganda museum exhibits literature film and television Andrew Huebner traces the evolution of a storied American icon the combat soldier Huebner challenges the pervasive assumption that Vietnam brought drastic changes in portrayals of the American warrior with the jaded serviceman of the 1960s and 1970s shown in stark contrast to the patriotic citizen soldier of World War II In fact Huebner shows cracks began to appear in sentimental images of the military late in World War II and were particularly apparent during the Korean conflict Journalists filmmakers novelists and poets increasingly portrayed the steep costs of combat depicting soldiers who were harmed rather than hardened by war isolated from rather than supported by their military leadership and American society Across all three wars Huebner argues the warrior image conveyed a growing cynicism about armed conflict the federal government and Cold War militarization

Pageants, Parlors, and Pretty Women Blain Roberts,2014-03-17 From the South s pageant queens to the importance of beauty parlors to African American communities it is easy to see the ways beauty is enmeshed in southern culture But as Blain Roberts shows in this incisive work the pursuit of beauty in the South was linked to the tumultuous racial divides of the region where the Jim Crow era cosmetics industry came of age selling the idea of makeup that emphasized whiteness and where in the 1950s and 1960s black owned beauty shops served as crucial sites of resistance for civil rights activists In these times of strained relations in the South beauty became a signifier of power and affluence while it reinforced racial strife Roberts examines a range of beauty products practices and rituals cosmetics hairdressing clothing and beauty contests in settings that range from tobacco farms of the Great Depression to 1950s and 1960s college campuses In so doing she uncovers the role of female beauty in the economic and cultural modernization of the South By showing how battles over beauty came to a head during the civil rights movement Roberts sheds new light on the tactics southerners used to resist and achieve desegregation

imbibe ideas from the outside world but generated ones of their own In illuminating seemingly resigned patients in these settings it makes a call to reconsider the philosophical possibilities within resignation **GirlTalk / GodTalk** Joyce Mercer,2008-04 In this refreshing account of the faith lives of adolescent girls and the roles parents play in shaping that faith 50 girls from 12 different denominations tell deeply personal stories about what it means to be young female and Christian

The Camp Fire Girls Jennifer Helgren,2022-12 Through the lens of America s first and most popular girls organization Jennifer Helgren traces the role and changing meaning of American girls citizenship across critical intersections of gender race class and disability in the twentieth century United States
