Rommel's Last Battle Samuel W. Mitcham, 1983-05-01 The Desert Fox and the Normandy campaign **Rommel's Last Battle** Samuel W. Mitcham, 1983-01-01 Discusses the role of the legendary Desert Fox in establishing resistance to the Allied invasion of Europe and examines Rommel's part in the scheme to assassinate Hitler **Rommel's Last Victory** Martin Blumenson, 2021-11-21 This book first published in 1968 examines the disastrous defeat suffered by inexperienced American troops newly landed in North Africa at the hands of Rommel The news of Kasserine shocked the United States militarily and politically and led to swift changes in equipment and tactics This book traces the battle through to its aftermath in a remarkable piece of battlefield investigation *Manchester Evening News* *Rommel* Ian F. W. Beckett, 2013-12-02 How should history judge the life and career of Erwin Rommel the most famous German general of the Second World War seventy years after his death on 14 October 1944 In his own time and in the years immediately after the war his reputation as a great and chivalrous commander grew to the point where it took on almost legendary proportions and the legend is still with us today His apparent support for the plot to remove Hitler from power in 1944 and the manner of his death committing suicide in order to protect his family from Nazi retribution further enhanced his image as an honourable professional soldier But does he deserve this legendary status Can his exploits as a soldier and commander and his conduct of the war be separated from the aggressive aims of Hitler and the Nazis whom he and the German army served These are among the key questions Ian Beckett and his team of expert contributors seek to answer in this stimulating and timely study of Rommel and his legacy They look critically at every stage of Rommel's brilliant career from the early fame he achieved as a daring young officer fighting on the Italian front in the First World War through his exploits as a panzer leader during the German invasion of France in 1940 and his generalship in the Western Desert when he commanded the German and Italian forces fighting the British These achievements and the publicity that went with them gave him an extraordinary perhaps overinflated reputation within Germany and among the opposing Allies As featured in *Cornwall Today* **Erwin J.E. Rommel** Earle Rice (Jr.), 2013 Describes the life and career of Erwin Rommel field marshal under Hitler during World War II who is particularly remembered for his role in the campaign in northern Africa *Remember D-Day* Ronald J. Drez, 2015-07-14 Discusses the events and personalities involved in the momentous Allied invasion of France on June 6 1944 *Northwest Africa: Seizing the Initiative in the West* George Frederick Howe, 1957 Northwest Africa George Frederick Howe, 1991 The assault on North Africa on 8 November 1942 led to a bitter conflict that finally culminated in the defeat of the Axis forces in Tunisia seven months later The campaign was for the U S Army a school in coalition warfare and an introduction to enemy tactics

Based on an extraordinary true story and soon to be a major film produced by and starring Benedict Cumberbatch The War Magician is the remarkable tale of the man who used the powers of illusion to fight the Nazis and created the most remarkable feat of legerdemain since the Trojan Horse How an Illusionist Changed the Course of World War II When England went to war against Hitler in 1939 it mobilized its entire military and industrial resources But there was no place in that vast army for legendary stage magician Jasper Maskelyne whose family was renowned for creating modern theatrical illusions Maskelyne was determined to fight the Nazis using his only weapon he intended to apply the techniques of popular magic to the battlefield Initially ignored and ridiculed by the staid military leadership he eventually cajoled his way into the Camouflage Section and was sent to the western desert where he created a new type of warfare With his small group of artists the Magic Gang Maskelyne designed and developed ingenious weapons then tricked the Desert Fox General Rommel and his fabled Afrika Korps into believing there were tanks and battleships where there were none concealed the Suez Canal and even successfully moved Alexandria harbor But it required all his skills to pull off perhaps the largest and most complex magic trick in history As General Bernard Montgomery told Maskelyne on the eve of the Battle of El Alamein The entire war will turn on what happens here What I am about to ask you to do is impossible It can t be done but it must be done I hope you ve brought your magic wand with you This is the fact based story of the illusion that won the war in the desert The
