

# SECULAR LIVES, SACRED HEARTS

*Secular Lives, Sacred Hearts* contends that the traditional sociological view of secular Britain is misleading. The Church would understand its contemporary ministry and mission better, Alan Billings suggests, if it thought of the nation as 'culturally Christian'.

He encourages clergy and laity alike to take seriously those occasions when ministry is sought – such as baptisms, weddings and funerals – and to ponder what it is that 'cultural Christians' are looking for. Offering some clues based on small-scale research done in his own community, he argues for a recovery of the idea of the parish church as a sacred building, a focus of meaning and service for all within its boundaries.

Praise for the author's previous book, *Dying and Grieving: A Guide to Pastoral Ministry*:

'The important achievement of this book is to establish this cultural context [the changes in British society over the past 50 years] as the necessary ground for the good pastoral guidance it then offers.'

*Church Times*

'... a welcome addition to the field of pastoral care in the context of death, dying and funerals... I thoroughly recommend it.'
