Silent Sentinels A Reference Guide To The Artillery At Gettysburg

Martin Graham

Silent Sentinels A Reference Guide To The Artillery At Gettysburg:

Silent Sentinels George Newton, 2005-09-19 Artillery played an important and perhaps decisive role at the July 1863 Battle of Gettysburg. Although many hundreds of books have been published on the battle, few have focused on the artillery. *Silent Sentinels* fills this glaring gap in the literature. This well-written and illustrated study was designed for both the casual battlefield visitor and the serious scholar. The former will use *Silent Sentinels* to tour the battlefield, browse existing guns, ponder the many photographs, and learn more about artillery in general; the latter will find the extensive primary sources, diagrams, appendices of numbers and losses, and informative discussion of organization and tactics an indispensable reference resource. *Silent Sentinels* discusses in detail every gun type used at Gettysburg, the equipment needed to operate the guns, their organization, and the tactics employed by both Union and Confederate artillery men. In addition to a history of the artillery and how it was used, the author includes chapters on the park's collection of 436 guns, the pieces on display at the field today, how to identify the different types of cannon, and how to identify the date and place of manufacture. *Silent Sentinels* concludes with a driving tour of the battlefield, specially designed with the artillery in mind. This lovely historical guide, complete with detailed endnotes and bibliography, will be a welcomed addition to the growing Gettysburg titles.

[The New Gettysburg Campaign Handbook](#) J. David Petruzzi, Steven Stanley, 2011-07-11 *The New Gettysburg Campaign Handbook* is an informative full-color guide for American Civil War and Gettysburg enthusiasts of all ages. Authors J. David Petruzzi and Steven Stanley use clear and concise writing, broken down into short and easy-to-understand chapters, complete with original maps, modern and historic photographs, tables, charts, and artwork to narrate the history of the Gettysburg Campaign from the opening battle at Brandy Station in Virginia on June 9, 1863, to the escape of Gen. Robert E. Lee's Confederate Army of Northern Virginia across the Potomac River on July 14, 1863. Chapters include quotes of interest from participants, tables and charts of the ages and seniority ranking of the generals of both sides, weather observations during the battle, a stunning photographic study of the entire campaign, a discussion of the battle's myths and controversies, biographies of select officers, civilians, and battlefield photographers, trivia about the campaign, a comprehensive order of battle, a suggested reading list, and websites, and much more. As enjoyable to look at as it is easy to use, every casual and serious student of the Civil War and Gettysburg will want a copy of *The New Gettysburg Campaign Handbook* as a constant companion while reading other books on the campaign and even as a supplement and general field guide while walking the hallowed Pennsylvania ground.

About the Authors: J. David Petruzzi is an award-winning Civil War cavalry historian. He is the author of many articles for a wide variety of publications and has written or co-authored several books, including with Eric Wittenberg, *Plenty of Blame to Go Around: Jeb Stuart's Controversial Ride to Gettysburg* (Savas Beatie, 2006), with Wittenberg and Michael F. Nugent, *One Continuous Fight: The Retreat from Gettysburg and the Pursuit of Lee's Army of Northern Virginia, July 4-14, 1863* (Savas Beatie, 2008), and with Steven Stanley, *The Complete Gettysburg Guide: Walking and Driving Tours of the Battlefield Town*.

Stephen Coleman, 2017-07-19 A witty entertaining educational blend of travel memoir and Civil War history Scott L Mingus Sr award winning author of *Flames beyond Gettysburg* Gettysburg is a small charming city nestled in south central Pennsylvania but its very name evokes passion and angst enthusiasm and sadness For about half the year its streets are mainly empty its businesses quiet the weather cold and blustery For the other months however the place teems with hundreds of thousands of visitors bustling streets and shops and more than a handful of unique larger than life characters And then of course there is the Civil War battle that raged there during the first days of July 1863 at the price of more than 50 000 casualties Its monuments and guns and plaques tell the story of the colossal clash of arms and societies just as its National Cemetery bears silent witness to at least part of the cost of that bloody event Yet the author explains he did not fully appreciate the profound meaning of this mammoth battle its influential characters living and dead its deep meaning to our society until he visited this hallowed ground in person In this travelogue you can join him at a host of famous and off the beaten path places on the battlefield explore the historic town as it is today and learn fascinating facts and stories Also included are maps and caricatures provided by award winning cartoonist Tim Hartman **Gettysburg** Allen C. Guelzo, 2013-05-14 Winner of the Guggenheim Lehrman Prize in Military History An Economist Best Book of the Year A Kirkus Reviews Best Nonfiction Book of the Year The Battle of Gettysburg has been written about at length and thoroughly dissected in terms of strategic importance but never before has a book taken readers so close to the experience of the individual soldier Two time Lincoln Prize winner Allen C Guelzo shows us the face the sights and the sounds of nineteenth century combat the stone walls and gunpowder clouds of Pickett s Charge the reason that the Army of Northern Virginia could be smelled before it could be seen the march of thousands of men from the banks of the Rappahannock in Virginia to the Pennsylvania hills What emerges is a previously untold story of army life in the Civil War from the personal politics roiling the Union and Confederate officer ranks to the peculiar character of artillery units Through such scrutiny one of

history's epic battles is given extraordinarily vivid new life The Gettysburg Cyclorama Chris Brenneman, Sue Boardman, 2015-06-19 Thousands of books and articles have been written about the Battle of Gettysburg. Almost every topic has been thoroughly scrutinized except one: Paul Philippoteaux's massive cyclorama painting *The Battle of Gettysburg* which depicts Pickett's Charge, the final attack at Gettysburg. *The Gettysburg Cyclorama: The Turning Point of the Civil War on Canvas* is the first comprehensive study of this art masterpiece and historic artifact. This in-depth study of the history of the cyclorama discusses every aspect of this treasure which was first displayed in 1884 and underwent a massive restoration in 2008. Coverage includes not only how it was created and what it depicts but the changes it has undergone and where and how it was moved. Authors Chris Brenneman and Sue Boardman also discuss in fascinating detail how the painting was interpreted by Civil War veterans in the late 19th Century. With the aid of award-winning photographer Bill Dowling, the authors utilized modern photography to compare the painting with historic and modern pictures of the landscape. Dowling's remarkable close-up digital photography allows readers to focus on distant details that usually pass unseen. Every officer, unit, terrain feature, farm, and more pictured in the painting is discussed in detail. Even more remarkable, the authors reveal an important new discovery made during the research for this book in order to address suggestions from the viewers: the cyclorama was significantly modified five years after it was created to add more soldiers, additional flags, and even General George Meade, the commander of the Union Army. With hundreds of rare historic photographs and beautiful modern pictures of a truly great work of art, *The Gettysburg Cyclorama: The Turning Point of the Civil War on Canvas* is a must-have for anyone interested in the Battle of Gettysburg or is simply a lover of exquisite art. **Sickles at Gettysburg** James A. Hessler, 2009-06-25 Sickles is as dividing a figure in Civil War history as there is. In his masterful work, Hessler puts him out there with all his wrinkles. Confederate Book Review Winner of the Robert E. Lee Civil War Roundtable of Central New Jersey's Bachelder Coddington Literary Award, Winner of the Gettysburg Civil War Roundtable's Distinguished Book Award. By licensed battlefield guide James Hessler, this is the most deeply researched full-length biography to appear on this remarkable American icon. No individual who fought at Gettysburg was more controversial, both personally and professionally, than Major General Daniel E. Sickles. By 1863, Sickles was notorious as a disgraced former Congressman who murdered his wife's lover on the streets of Washington and used America's first temporary insanity defense to escape justice. With his political career in ruins, Sickles used his connections with President Lincoln to obtain a prominent command in the Army of the Potomac's 3rd Corps despite having no military experience. At Gettysburg, he openly disobeyed orders in one of the most controversial decisions in military history. Hessler's critically acclaimed biography is a balanced and entertaining account of Sickles' colorful life. Civil War enthusiasts who want to understand General Sickles' scandalous life, Gettysburg's battlefield strategies, the fighting within the Army of the Potomac, and the development of today's National Park will find *Sickles at Gettysburg* a must-read. The few other Sickles biographies available will now take a back seat to Hessler's powerful and

evocative study of the man the general and the legacy of the Gettysburg battlefield that old Dan left America I highly recommend this book J David Petruzzii coauthor of Plenty of Blame to Go Around Jeb Stuart s Controversial Ride to Gettysburg **Pickett's Charge at Gettysburg** James A. Hessler, Wayne Motts, 2015-06-19 A battlefield guide to the sites and history of the climactic attack during the American Civil War s Battle of Gettysburg 150 years after the event the grand near suicidal attack against the Union position on Cemetery Ridge still emotionally resonates with Gettysburg enthusiasts like no other aspect of the battle On the afternoon of July 3 Confederate Gen Robert E Lee ordered more than 12 000 Southern infantry to undertake what would become the most legendary charge in American military history This attack popularly but inaccurately known as Pickett s Charge is often considered the turning point of the Civil War s seminal battle of Gettysburg Although much has been written about the battle itself and Pickett s Charge in particular Pickett s Charge at Gettysburg is the first battlefield guide for this celebrated assault After the war one staff officer perceptively observed that the charge has been more criticized and is still less understood than any other act of the Gettysburg drama Unfortunately what was true then remains true to this day The authors of this book two of Gettysburg s elite Licensed Battlefield Guides along with one of the Civil War s leading cartographers have corrected that oversight Grounded in the premise that no better resource exists for understanding this unique event than the battlefield itself Pickett s Charge at Gettysburg encourages its readers to explore this storied event from a wide variety of perspectives For the first time readers can march toward the Copse of Trees with Armistead s Virginians advance on the Confederate left with Pettigrew s North Carolinians or defend the Angle with Alonzo Cushing s gunners and thousands of Union soldiers There is much here to enrich the experience including dozens of full color original maps scores of battlefield and other historic photographs a unique mix of rare human interest stories a discussion of leadership controversies and a rare collection of artifacts directly related to the charge Pickett s Charge at Gettysburg is designed for readers to enjoy on or off the battlefield and will give Civil War enthusiasts an entirely new appreciation for and understanding of Gettysburg s third day of battle Extremely well done designed as a tour guide to the area of the battlefield where the famous July 3 1863 Confederate assault on the center of the Union Line took place the heart of any tour guide is maps and that feature is served up in exemplary fashion here far more than just maps The two text authors are battlefield guides and the detail provided is immense strongly recommended Civil War News [Protecting the Flank at Gettysburg](#) Eric J. Wittenberg, 2013-02-20 The award winning Civil War historian s study makes the case that Union cavalry had a tremendous effect on the course of the titanic battle J David Petruzzii author of The Complete Gettysburg Guide On July 3 1863 a large scale cavalry fight was waged on Cress Ridge four miles east of Gettysburg There on what is commonly referred to as East Cavalry Field Union horsemen under Brig Gen David M Gregg tangled with the vaunted Confederates riding with Maj Gen Jeb Stuart This magnificent mounted clash however cannot be fully appreciated without an understanding of what happened the previous day at Brinkerhoff s Ridge where elements of Gregg s division pinned down

the legendary infantry of the Stonewall Brigade preventing it from participating in the fighting for Culp's Hill that raged that evening. After arriving at Gettysburg on July 2 and witnessing the climax of the fighting at Brinkerhoff's Ridge, Stuart knew that if he could defeat Gregg's troopers, he could dash thousands of his own men behind enemy lines and wreak havoc. The ambitious offensive thrust resulted the following day in a giant clash of horse and steel on East Cavalry Field. The combat featured artillery duels, dismounted fighting, hand-to-hand engagements, and the most magnificent mounted charge and countercharge of the entire Civil War. This fully revised edition of *Protecting the Flank at Gettysburg* is the most detailed tactical treatment of the fighting on Brinkerhoff's Ridge yet published and includes a new Introduction, a detailed walking and driving tour with GPS coordinates, and a new appendix refuting claims that Stuart's actions on East Cavalry Field were intended to be coordinated with the Pickett-Pettigrew-Trimble attack on the Union center on the main battlefield.

Maine Roads to Gettysburg Tom Huntington, 2023-06-14 From the author of *Searching for George Gordon Meade*, a study of how troops from Maine aided the Union Army's victory at the Battle of Gettysburg. Joshua Lawrence Chamberlain and his 20th Maine regiment made a legendary stand on Little Round Top during the Battle of Gettysburg in July 1863. But Maine's role in the battle includes much more than that. Soldiers from the Pine Tree State contributed mightily during the three days of fighting. Pious general Oliver Otis Howard secured the high ground of Cemetery Ridge for the Union on the first day. Adelbert Ames, the stern taskmaster who had transformed the 20th Maine into a fighting regiment, commanded a brigade and then a division at Gettysburg. The 17th Maine fought ably in the confused and bloody action in the Wheatfield. A sea captain turned artilleryman named Freeman McGilvery cobbled together a defensive line that proved decisive on July 2, and the 19th Maine helped stop Pickett's Charge during the battle's climax. Maine soldiers had fought and died for two bloody years even before they reached Gettysburg. They had fallen on battlefields in Virginia and Maryland. They had died in front of Richmond in the Shenandoah Valley, on the bloody fields of Antietam, in the Slaughter Pen at Fredericksburg, and in the tangled Wilderness around Chancellorsville. And the survivors kept fighting even as they followed Robert E. Lee's Army of Northern Virginia into Pennsylvania. In *Maine Roads to Gettysburg*, author Tom Huntington tells their stories. Praise for *Searching for George Gordon Meade*: An engrossing narrative that the reader can scarcely put down. Pulitzer Prize-winning historian James M. McPherson. Unique and irresistible. Lincoln Prize-winning historian Harold Holzer.

A Pocket History of the Civil War Martin Graham, 2011-08-20 A unique collection of facts, trivia, and lore about the US Civil War. Whether novice or buff, readers across the spectrum will find unique and entertaining bits of trivia, facts, and lore about key American Civil War battles and leaders. In *A Pocket History of the Civil War*, a collection of the unusual from author Martin F. Graham. From the identification of key troop locations during seminal battles of the Civil War to details about monuments, facts about Union and Confederate officers, readers will find myriad bits of fun and fascinating information in this unique collection. Quizzes peppered throughout the book allow readers to test their knowledge.

"The Devil's to Pay" Eric J. Wittenberg, 2014-10-19 An award-winning

Civil War historian's profile of the brilliant Union cavalry officer and the strategies he employed to prevent catastrophe at Gettysburg. The Battle of Gettysburg turned the tide of the Civil War. But the outcome of the decisive confrontation between North and South might have been dramatically different if not for the actions of Brig Gen John Buford, commander of the Union army's First Cavalry Division. An award-winning chronicler of America's War between the States and author of more than a dozen acclaimed works of historical scholarship, Eric J. Wittenberg now focuses on the iconic commanding officer known to his troops as Honest John and Old Steadfast. Wittenberg describes in fascinating detail the brilliant maneuvers Buford undertook to keep Gen Robert E. Lee's Confederate army at bay and later rescue what remained of the devastated First and Eleventh Corps. *The Devil's to Pay* celebrates the stunning military achievements of an unparalleled tactical genius at the onset of the Gettysburg Campaign and paints an unforgettable portrait of a quiet, unassuming cavalryman who recognized a possible disaster in the making and took bold action to avert it. Based on a wealth of information from primary sources, *The Devil's to Pay* includes pages of illustrations, maps, and photographs, as well as a walking and driving tour of the battlefield sites where America's history was made at a staggeringly high cost in blood. A comprehensive tactical study that is both scholarly and eminently accessible, it is an essential addition to the library of any Civil War enthusiast.

The World of the Civil War Lisa . Tendrich Frank, 2015-07-28. Covering everything from the arts to food and drink, religion, social customs, and technology, this two-volume set provides an in-depth, accessible look at the social, cultural, economic, and political aspects of the American Civil War. The American Civil War caused dramatic changes in every aspect of life and society, affecting combatants and noncombatants at all levels of the socioeconomic scale. *The World of the Civil War: A Daily Life Encyclopedia* offers an accessible and reliable reference for the major topics that defined American life during the nation's most tumultuous era. Taking a blended approach to history, this book covers the military and political history of the era and examines the social and human experiences of the war, thereby offering a comprehensive look at the Civil War era's most significant events, people, places, and experiences. The thematic organization of this encyclopedia helps readers to more readily explore related topics. The subject matter explored in some 250 entries includes religious beliefs and practices, rites of passage, soldiers' lives and experiences, rural and urban life, social structure of the Civil War era, aristocrats, landowners, and slaves, men's and women's roles and responsibilities, holidays, festivals, and other celebrations, tools, machinery, and inventions, and justice and punishment. Readers will come away with an understanding of many aspects of daily life during the Civil War era and gain appreciation for the vast differences between life today and 150 years ago.

Gettysburg Allen Guelzo, 2014-02-11. Winner of the Guggenheim Lehrman Prize in Military History, *An Economist* Best Book of the Year, *A Kirkus Reviews* Best Nonfiction Book of the Year. The Battle of Gettysburg has been written about at length and thoroughly dissected in terms of strategic importance, but never before has a book taken readers so close to the experience of the individual soldier. Two-time Lincoln Prize winner Allen C. Guelzo shows us the face, the sights, and the sounds of nineteenth

century combat the stone walls and gunpowder clouds of Pickett's Charge the reason that the Army of Northern Virginia could be smelled before it could be seen the march of thousands of men from the banks of the Rappahannock in Virginia to the Pennsylvania hills What emerges is a previously untold story of army life in the Civil War from the personal politics roiling the Union and Confederate officer ranks to the peculiar character of artillery units Through such scrutiny one of history's epic battles is given extraordinarily vivid new life **The Journal of Military History**, 2006 [Book Review Index](#), 2006 Every 3rd issue is a quarterly cumulation **The Complete Gettysburg Guide** J. Silent Sentinels A Reference Guide To The Artillery At Gettysburg Introduction

In the digital age, access to information has become easier than ever before. The ability to download Silent Sentinels A Reference Guide To The Artillery At Gettysburg has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Silent Sentinels A Reference Guide To The Artillery At Gettysburg has opened up a world of possibilities. Downloading Silent Sentinels A Reference Guide To The Artillery At Gettysburg provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Silent Sentinels A Reference Guide To The Artillery At Gettysburg has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Silent Sentinels A Reference Guide To The Artillery At Gettysburg. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Silent Sentinels A Reference Guide To The Artillery At Gettysburg. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize

reputable websites that prioritize the legal distribution of content. When downloading Silent Sentinels A Reference Guide To The Artillery At Gettysburg, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Silent Sentinels A Reference Guide To The Artillery At Gettysburg has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Silent Sentinels A Reference Guide To The Artillery At Gettysburg Books

1. Where can I buy Silent Sentinels A Reference Guide To The Artillery At Gettysburg books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
