her and her husband Chris into a centuries old race for the truth that they may not win or survive **To Finish a Feud** M. Redding, 2025-09-22 There s something about a feud real or imagined that burrows deep into the bones of a story It s the heartbeat of legacy and loyalty of justice twisted by time and of grudges that refuse to die To Finish a Feud is not just the first installment in the Trace Newater series it s a time jumping mystery layered narrative that challenges how far the past can reach into the present Set against the backdrop of an old Kentucky blood feud and propelled forward by a modern day FBI agent with a knack for asking the wrong questions or maybe the right ones at the wrong time this book weaves history suspense and a touch of techno conspiracy into a story that grips from the first shot fired near a courthouse in 1882 to the digital footprints left by a missing man in 2025 At the center of it all is Trace Newater a protagonist who isn t afraid to dig through dust secrets or bureaucracy His journey into a cold case that shouldn t matter anymore reveals a lot more than old grudges it raises questions about time family and how much of ourselves we leave behind in the stories we don t tell So whether you re here for the slow burning history or the pulse of a present day investigation welcome The feud isn t finished yet but you re about to see how it begins People Die Kevin Wignall, 2004-02-01 A highly skilled and somewhat humble professional killer finds himself on the wrong end of a sniper s scope when someone within his own trusted inner circle targets him for assassination Reprint 15 000 first printing
