Navarro,2023-01-26 Liturgical theology tends towards the anthropocentric focussing primarily on the behaviour of the worshippers The theology of Thomas F and James B Torrance however provides an alternative approach a Trinitarian and Christocentric study of liturgy which decentralises the

A New Creation in Christ T. Michael Christ, 2024-08-08 What is the most important book on sanctification For John Murray it was Walter Marshall's *The Gospel Mystery of Sanctification* William Cowper praised Marshall I think Marshall one of the best and most spiritual expositors of Scripture The Marrow men also commended Marshall Even Andrew Murray believed *Gospel Mystery* to be the one book admitted by all to be the standard on sanctification Marshall's enduring value is well established yet scarcely any resources explain Marshall's theology T Michael Christ's *A New Creation in Christ* fills this void by exploring Marshall's theology in the context of the antinomian and neonomian controversies of Marshall's day At a time when interlocutors were pushing one another to further extremes Marshall achieves balance because he grounds sanctification in the believer's union with Christ and deploys two limiting concepts that discourage using one error to refute the other He insists both that some measure of assurance of salvation must precede actual works of holiness refuting neonomians and that holiness is a necessary part of salvation countering antinomianism *A New Creation in Christ* explores how these limiting concepts translate into practical help for those who as Marshall says pursue holiness under the guilt and power of indwelling sin

Upon the Heart Hwarang Moon, 2015-07-17 How does liturgy impact the formation of faith The Protestant Church has traditionally emphasized human reason and doctrinal knowledge But there is another method with great formative power participation in liturgy Human beings gain important knowledge not only through traditional cognitively focused learning but also through practice and participation And because knowledge is wholistic an inability to express an idea in language does not necessarily signify an absence of knowledge This book shows how liturgy transmits knowledge that transcends human reason We repeat the liturgy in weekly public worship and its contents are inscribed on our minds and bodies Contrary to common belief this is also true for children and cognitively challenged individuals They may be unable to verbally express the contents of their faith in a way that satisfies normal adult expectations but these two groups of people are capable of rich religious experiences This book explores how welcoming them into experience and practice of worship and sacrament can benefit children cognitively challenged church members their families and the church community as a whole and makes us all a more inclusive community in Christ

Vinculum Amoris David Williams, 2004-05 Christianity is not just a set of moral commands It is not just belonging to a church It is not just remembering its founder of long ago It is all of these but far more it is a vital relationship with a living and loving God And it is the Holy Spirit third Person of the God head who makes this happen Vinculum amoris is Latin for bond of love which describes the essential activity of the Spirit Because the Spirit links us to God he saves us guides and empowers us He enlivens our worship such as in baptism and the Lord's Supper He stimulates our praying and gives gifts to deepen the quality of our lives and service to God Because he links us to God we are linked to each other in a deeper way Enriching yes And the more that we understand how the Spirit does it the deeper this enriching will be The author's prayer is that this book will do just that for God's people and for his Church

Family Worship John D. Garr, 2013-12-04 Family Worship offers solid solutions to the increasingly dysfunctional family in today's secularized society and it provides constructive suggestions to those who want to reestablish their homes on biblical foundations The Hebraic foundations for the Christian faith establish the home as a small temple This insight dramatically changes the dynamics of the home for those who believe in the God of the Bible and in his will for their lives The Christian family was always designed by God to be the center for social educational and spiritual growth and maturity a place of fellowship study and prayer Now you too can experience these same powerful dynamics that made the home the center of sanctity and security that it was for the biblical peoples Family Worship presents these vivid images of a rich biblically Hebraic tradition for Christians today The Domestic Temple A Temple of Blessing The Family Altar A House of Prayer A House of Study Temples in Time The Domestic Priesthood and The Domestic Church As you read this book you'll be amazed at how your own family life will be revolutionized and enriched simply by restoring biblically Hebraic dynamics to your home
