PRINCETON LEGACY LIBRARY

Lordship Of England

Jackson W. Armstrong

Lordship Of England:

The Life and Times of "England's Patriot King," William the Fourth John Watkins,1832 England's Navy Unarmed. A series of letters to the First Lord of the Admiralty, and in the Daily News, etc Edward Pellew Halsted,1864

The Lordship of England Scott L. Waugh,2016-04-19 This thorough examination of the feudal powers of English kings in the thirteenth and early fourteenth centuries is the only study to analyze the actual pattern of royal grants and the grantees use of their rights and to place them in the social context of marriage kinship and landholding within the English elite The royal rights known as feudal incidents included custody of a tenant s lands when he died leaving minor heirs the arrangement of the heir s marriage and consent to the widow s remarriage Scott Waugh shows how the king exercised those rights and how his use of feudal incidents affected his relations with the tenants in chief He concludes that royal lordship was of fundamental importance in reinforcing the power and prestige of the monarchy and in offering the king a valuable source of patronage English kings therefore devoted considerable effort to defining and institutionalizing their feudal authority in the thirteenth century It is also clear that families living under royal lordship were profoundly concerned about these rights especially since marriage was of such critical importance in providing for the smooth transfer of lands from one generation to another Given the hazards of life in the Middle Ages inheritance by minors was a frequent occurrence and the king s distribution of feudal incidents was therefore a delicate political problem It raised issues not only about royal finances and favoritism but also about the fate of families Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **A**

Vindication of a Passage of the Right Reverend the Lord Bishop of London in His Second Pastoral Letter Against the Misrepresentations of William Berriman, D.D. Samuel CHANDLER (D.D.),1734 *Intimate Letters of England's Kings* Margaret Sanders,2009-05-15 A fascinating glimpse into the most private thoughts of the kings of England from Henry VIII s love letters to Anne Boleyn to the execution of Charles I *England's Northern Frontier* Jackson W. Armstrong,2020-11-12 Explains the history of England s northern borderlands in the fifteenth century within a broader social political and European context *Parliamentary Papers* Great Britain. Parliament. House of Commons,1851

Genealogical and Heraldic Dictionary of the Peerage and Baronetage of the British Empire ,1850 **A**
