How his dreams come true to become a singer in spite of roadblocks set up by his family and society **Lorenzo De' Medici, the Magnificent** Alfred von Reumont, 1876 *The Subject of Revolution* Jennifer L. Lambe, 2024-08-27 From television to travel bans geopolitics to popular dance The Subject of Revolution explores how knowledge about the 1959 Cuban Revolution was produced and how the Revolution in turn shaped new worldviews Drawing on sources from over twenty archives as well as film music theater and material culture this book traces the consolidation of the Revolution over two decades in the interface between political and popular culture The subject of Revolution it proposes should be understood as the evolving synthesis of the imaginaries constructed by its many subjects including revolutionary leaders

activists academics and ordinary people within and beyond the island's borders The book reopens some of the questions that have long animated debates about Cuba from the relationship between populace and leadership to the archive and its limits while foregrounding the construction of popular understandings It argues that the politicization of everyday life was an inescapable effect of the revolutionary process as well as the catalyst for new ways of knowing and being

American Revolutions in the Digital Age Nora Slonimsky, Mark Boonshoft, Ben Wright, 2024-08-15 The interdisciplinary essays in *American Revolutions in the Digital Age* explore what digital tools can tell us about the late eighteenth and early nineteenth century United States and reveal how an understanding of the American past can make sense of our digital present By employing a host of innovative digital research methods these authors challenge long held assumptions about the American past In addition this collection uniquely demonstrates how contemporary anxieties about an array of topics including media disinformation patriarchy economic inequality and public memory can be better understood through careful considerations of early American history Open Access edition funded by Iona University

Biographical Sketches of Loyalists of the American Revolution Lorenzo Sabine, 1864 This book contains an historical essay and short biographies on those who stayed loyal to Britain during the American Revolution in the American colonies The essay focuses on the coming of the Revolution and the reasons for American rebellion or loyalism and the sparse biographies organized in alphabetical order offer what is known about the loyalist and their journey

Death or Liberty Douglas R. Egerton, 2009-01-13 In *Death or Liberty* Douglas R. Egerton offers a sweeping chronicle of African American history stretching from Britain's 1763 victory in the Seven Years War to the election of slaveholder Thomas Jefferson as president in 1800 While American slavery is usually identified with antebellum cotton plantations Egerton shows that on the eve of the Revolution it encompassed everything from wading in the South Carolina rice fields to carting goods around Manhattan to serving the households of Boston's elite More important he recaptures the drama of slaves freed blacks and white reformers fighting to make the young nation fulfill its republican slogans Although this struggle often unfolded in the corridors of power Egerton pays special attention to what black Americans did for themselves in these decades and his narrative brims with compelling portraits of forgotten African American activists and rebels who battled huge odds and succeeded in finding liberty if never equality only in northern states Egerton concludes that despite the real possibility of peaceful if gradual emancipation the Founders ultimately lacked the courage to end slavery

Journalism, Digital Media and the Fourth Industrial Revolution José Sixto-García, Alberto Quian, Ana-Isabel Rodríguez-Vázquez, Alba Silva-Rodríguez, Xosé Soengas-Pérez, 2024-09-03 The Fourth Industrial Revolution also known as Industry 4.0 is the fourth most important industrial stage that has occurred since the beginning of the Industrial Revolution in the 18th century This new revolution is characterized by combining cutting edge production techniques with intelligent systems that integrate with organizations and people Communication and journalism especially digital media face the challenge of integrating emerging technologies and practices or in test or developing technologies into
