enough times Many people unfortunately do not understand dialysis but all know that we have kidneys However author John Francis Wissler will wager that almost everyone knows someone who gives care for a friend mother or father a grandfather a grandmother a son daughter or a spouse and home hemodialysis patient In the United States alone caregiver value accounts for 265 billion per year In this book a story is told of the skills patience and stresses of one out of fifty million caregivers Wissler takes the reader on a tortuous journey of him as caregiver and his significant other Lois as care receiver with all the bumps and laughs in the road along the way No less important is the bureaucratic wrangling as the author relentlessly seeks the appropriate level of medical care for a woman in increasingly dire straits It is a compelling human interest educational nonfiction novel that NHHD caregiver Martha Washburn articulates is a required reading for everyone in government and the healthcare industry
