Donald J. Horan

Loss Prevention Guide For Retail Businesses:

Loss Prevention Guide for Retail Businesses Rudolph C. Kimiecik, 1995 Copious illustrations and figures help you familiarize yourself with security hardware and unbiased evaluations make it easier to select the products that are right for your business End of chapter checklists and sample forms enable you to organize your approach to each security issue Kimiecik also provides helpful guidelines on how to spot detain interview and arrest suspected shoplifters evaluate checks and credit cards identify counterfeit currency thwart con artists and detect fraud of every stripe An important section on armed robbery shows you steps you can take to minimize your risk of robbery how to behave while a robbery is in progress and what to do once the robber has fled A similar section covers burglaries An entire chapter on internal loss prevention provides valuable tips on hiring trustworthy employees preventing and detecting employee theft and training staff members to be part of your security effort

Loss Prevention Guide for Retail Businesses Rudolph C. Kimiecik, 1995-02-06 In this invaluable guide retail security expert Rudolph Kimiecik examines a broad range of external and internal security problems and prescribes affordable sustainable solutions that will make a real difference in the safety security and profitability of your business From procedures for opening and closing your store making bank deposits and dealing with emergencies to selecting alarm and lock systems key control and deterrent lighting Kimiecik helps you pinpoint the areas in which you are most vulnerable and shore them up with a judicious mixture of common sense procedural control and reasonable expenditure

The Retailer's Guide to Loss Prevention and Security Donald J. Horan, 2024-11-01 The Retailer's Guide to Loss Prevention and Security is an introduction to retail security It covers the basic principles the various techniques and technologies available and the retailer's interaction with the police courts and the law Donald J Horan President of Loss Control Concepts Ltd lends to this book his vast experience in the retail business and as a loss control consultant Designated a Certified Protection Professional by the American Society for Industrial Security he is also a member of the International Association of Professional Security Consultants IAPSC He has directed and managed retail loss prevention programs all over the U S for major department stores and specialty chains and has provided his expertise to a host of client companies during his tenure with the National Loss Prevention Bureau Donald Horan's practical experience fills this book with all the tips strategies and procedures you need to create an effective loss prevention program Owners managers and security managers of small and medium sized retail operations security agencies individuals institutions and companies that give seminars on the topic and personnel in law enforcement and forensics will find this an essential text It will be extremely helpful to senior corporate executives to whom the loss prevention security function reports because it is their responsibility to determine whether loss prevention practices conform to the long term goals of the company Growing retail businesses and those contemplating future acquisitions for expansion will find the work invaluable The same can be said for turn around ventures or downsized businesses emerging from reorganization The book would also be easily adaptable for use in undergraduate

courses in an accredited criminal justice or retail management program *The Retail Manager's Guide to Crime & Loss Prevention* Liz Martinez, 2004 The most thorough easy to understand counter crime guide for retail managers ever created Packed with succinct explanations of today's most popular crimes and proven identification and eradication strategies for eliminating them How to Start and Run Your Own Retail Business Irving Burstiner, Irving Bursteiner, 2001 This is a careful step by step guide to small business ownership Small Store Survival Arthur Andersen, LLP, 1997-01-14 Small Store Survival should challenge retailers' views of smallstore retailing by questioning key areas of business What is the vision for the store in 10 years How have the customers changed over the past few years How current are the managers about what customers genuinely like and dislike What is being done to attract, educate and motivate the best retail talent in the area How effective is the merchandising strategy What plans exist for succession The real lesson of this study is that the best retailers never stop learning They never stop growing They never lose their enthusiasm for the customers and the business And they never cease to revel in change and the chance to deal with it from the Executive Summary of Small Store Survival Small Store Survival Over the past decade thousands of small retail stores have fallen victim to overwhelming competition from huge discount chains determined to take in every retail dollar in sight But not everyone succumbs to the megastore invasion many small retailers grow and prosper in spite of this cutthroat competition How do they do it Even more important how can you do it Small Store Survival is the how to book that belongs behind the counter of every independent retail store It analyzes small store operation in detail and lays out optimal survival strategies and tactics for seven key areas of business practice that are critical to success customer service marketing merchandising store operations management human resources and finance Its clear and logical organization enables you to evaluate your business practices function by function identify strengths and weaknesses and develop action plans to improve operations in each of these crucial functions Written by a team of experts from Arthur Andersen LLP this guide presents detailed solutions and best practices culled from retailers' surveys site visits and industry research Its recommendations are applicable to a broad variety of retail formats including stores that specialize in apparel appliances books drugs health and beauty care products electronics hardware home and garden supplies pets and pet supplies as well as other specialty stores Numerous case studies illustrate the problems that plague many retailers and demonstrate ways you can overcome these obstacles and improve your business You'll learn how to Identify customer expectations and meet or exceed them at every turn Identify pursue and capture a distinct customer market Establish a vision and culture for your store plan where the company needs to go and take steps to get there Compete for quality employees and once you hire them keep them Establish budgetary controls and contain costs Negotiate effectively for favorable terms from vendors and suppliers The most successful retailers never stop learning growing and adapting to changing circumstances The hundreds of sound ideas presented in this study were developed and implemented by the most successful small store operators in the industry Here is your chance to learn and grow with them by

adapting these solutions to your own business needs *Retail Security and Loss Prevention* Read Hayes, 2014-06-28 RETAIL SECURITY AND LOSS PREVENTION is an invaluable reference for both retail and security professionals Using step by step plans this book helps the reader design and implement cost effective loss control programs It details an easy to follow proven process **Retail Crime, Security, and Loss Prevention** Charles A. Sennewald, John H. Christman, 2011-08-29 Retail Crime Security and Loss Prevention is destined to become the go to source of crime and loss prevention related information in the retail industry Written and edited by two nationally recognized retail security experts and enhanced with 63 contributions by others who contribute expertise in specialized areas this book provides over 150 definitions of loss prevention terms and discusses topics ranging from accident investigations counterfeit currency emergency planning and workplace violence to vendor frauds No other single work contains such a wealth of retail security information The co authors are Charles Chuck Sennewald CSC CPP former Director of Security at The Broadway Department Stores a major division of Carter Hawley Hale Stores Inc founder of the IAPSC and author of numerous security industry books and John Christman CPP former VP and Director of Security for Macy's West They have put in one book a wealth of information techniques procedures and source material relative to retail crime and loss prevention which will prove an invaluable reference work for professionals at all levels within the industry Tables current industry figures and statistics fully articulate the impact of loss prevention and theft in the retail setting Case examples from the authors own experience illustrate real world problems and connect theory to practice The most complete book available on retail security *Loss Prevention and the Small Business* John Robert Wyman, J. Robert Wyman, 1999-07-20 A reference for security professionals who work in or advise small businesses It addresses the reality of shoplifting fraud and embezzlement showing how each incremental loss eats away at profit and success and discusses how to develop and maintain a loss prevention strategy **Secrets of a Successful Loss Prevention Career** Herman Otis Laskey Jr., 2011-08-11 If you're a professional in the loss prevention field and want a long career then this guidebook is for you For almost two decades Herman Otis Laskey Jr has been saving companies time and money In this guide Laskey offers anecdotes and methods for loss prevention including detailed case studies about how he's uncovered internal and external thefts issues that all retail businesses must focus on to reduce losses ways to deter employees and customers from stealing tips on cutting costs when investigating crimes five secrets to a successful loss prevention career He also shares how the STINOR Method Loss Prevention can reduce shoplifting and employee theft by up to 95 percent This method has been used for more than fifteen years by thousands of retailers and restaurants In addition you'll learn how to focus on problem areas such as bathrooms and fitting rooms By thinking like a thief and equipping yourself with the knowledge of a longtime loss prevention professional you'll benefit from Secrets of a Successful Loss Prevention Career
