Lost Ark Found:

Quest for Discovery Richard Carl Bright, 2001-09-01 In 1985 researchers found Titanic resting on the ocean floor and the international buzz continues Now is there evidence that the world's other famous ship is perched on the snowy slopes of Turkey's Mt Ararat Is Noah's ark myth or reality Veteran explorer Richard Bright has spent two decades investigating the claims for the wooden vessel mentioned in the Bible Over a dozen expeditions to the site and countless hours in research make Bright an authority on the ship Genesis says preserved the life of eight humans and a cargo of animals during a global cataclysm This incredible book details the dramatic climbs political intrigue and sheer danger involved in a quest for the greatest archaeological treasure of all time Never before seen photographs expedition accounts and persuasive evidences point to a massive manmade abject hidden on remote Mt Ararat Read Quest for Discovery and make up your own mind

Stones Still Speak Amanda Hope Haley, 2025-09-23 When we first encounter the Bible we are taught its stories Adam and Eve Moses and the Red Sea David and Goliath Jonah and the whale and more When a story lacks the details we crave we fill in the blanks with what we've seen in movies read in books and been told by our Sunday school teachers But there's a better way to encounter the whole story of Scripture uncovering and understanding the ancient world and the people who experienced biblical events In Stones Still Speak Harvard trained archaeologist and theologian Amanda Hope Haley scrapes back 2 000 years of misguided cultural interpretations to reveal God's Word in its historical archaeological and literary contexts Far from a dry academic exercise this process explains how our misunderstandings developed and revitalizes the Scripture you thought you knew with the greater purpose of encouraging a more intentional rigorous study of the Bible in your daily life

The Lost Photographs Richard Carroll, 2011-07 Dr Matthew Lane has been in a lot of scrapes with his fellow archeologist Jim Morgan But neither is prepared for the trouble that lies in store as they search for what could be the biggest discovery in centuries Matt is convinced that the testimony from the Russian soldiers who swore they photographed Noah's ark protruding from the glacier in the summer of 1916 is true They claimed all the documentation measurements description of the interior cages and photographs were turned over to the czar just before the revolution A Russian immigrant Ann Tyler has carried her grandmother's secret with her for more than a decade She knows the hiding place of The Lost Photographs that could prove the existence of Noah's ark Has she finally found a trustworthy confidant When Ann joins Matt and Jim to search for The Lost Photographs they begin a journey none could have predicted Richard Carroll deftly weaves together this fast paced adventure based on the old stories of Russian soldiers discovering the ark on Mount Ararat Uncover the enduring enigma of the ancient ark and the crusade to conceal the truth

Noah And The Great Flood Jerry Blount, 2017-04-17 The apostle Peter warned us that in the last days before the end times there would be a new philosophy that would deny that there ever was a worldwide flood They would deny that God created the world the existence of God and the coming end time judgment by fire Today we see this taking place exactly as Peter had predicted This book provides proof

of a Biblical worldwide flood and backs it up with geological data The information in this book offers evidence of creation by an omnipotent God and a global flood as God s judgment of a sinful world It provides evidence as to what the earth was like before the flood It was a world which after creation God had declared very good Even after the fall of man it was still paradise compared with the world we know today The effects of catastrophic worldwide flood changed this planet drastically This book also offers extensive proof that disproves the theory of evolution New scientific discoveries are showing that evolution is impossible Also contained in this book is considerable scientific evidence showing that the earth is only a few thousand years old This book may go against much of the popular scientific views of today but it does so with the evidence to back it The Bible gave us the history as well as the future of this world The scientific and geological data that is available today fits well within that Biblical framework In fact it fits within the Biblical framework much better than any theories the evolutionary community has come up with as this book will show

The End Of Earth Philip N. Moore,2024-11-01 In this eye opening exploration discover how Moses ancient prophecies on Israel the coming of Jesus and the End Times have striking connections to modern day events Delve into how these timeless predictions align with the unexpected rise of Donald Trump Nostradamus cryptic visions and the eerie legacy of the Kennedy curse With meticulous research this book unravels a complex web of prophetic clues leading to the conclusion that the mystery surrounding the assassination of JFK and its aftermath has finally been solved Prepare to be astonished as you uncover the undeniable threads that tie together history s greatest mysteries with prophetic foresight Is it coincidence or is there a higher plan at work

Secret Cities of Old South America Harold T. Wilkins,2008-11-01 Monstrous beasts lost worlds vanished civilizations Amazon warriors even Atlantis and Noahs ark figure in this wondrous and rare book Hard to find in print before now this obscure 1952 work is an artifact itself of the postwar fascination with all things mysterious from flying saucers to ancient astronauts to the third eye In this wildly entertaining and more than a little bit preposterous document Wilkins takes us from mountain jungles to unexplored swamps on a search for the hidden secrets of old South America Seekers after the arcane and fans of the paranormal will delight in this odd and extraordinary volume British journalist and historian HAROLD T WILKINS 1891-1960 is also the author of *Mysteries of Ancient South America* 1945 and *Mysteries of Time and Space* 1958

Digging for Hitler David Barrowclough ,2017-01-20 During the 1930s in the build up to the Second World War the Nazis established a band of specialists the SS Ahnenerbe under the command of Heinrich Himmler and Hermann Wirth Their aim was nothing less than to prove the superiority of the Aryan race and with it the unique right of the German people to rule Europe The occult figured as a key feature in many of these increasingly desperate quack research efforts Part science part espionage and part fantasy Archaeological expeditions were sent to Iceland Tibet Kafiristan North Africa Russia the Far East Egypt and even South America and the Arctic The Nazi Ancestral Heritage Societys chief administrator was Dr Wolfram Sievers who cruelly conducted medical experiments on prisoners in concentration camps and was responsible for the looting of historic artefacts

Clarence J. Glacken,1976-08-24 In the history of Western thought men have persistently asked three questions concerning the habitable earth and their relationships to it Is the earth which is obviously a fit environment for man and other organic life a purposefully made creation Have its climates its relief the configuration of its continents influenced the moral and social nature of individuals and have they had an influence in molding the character and nature of human culture In his long tenure of the earth in what manner has man changed it from its hypothetical pristine condition From the time of the Greeks to our own answers to these questions have been and are being given so frequently and so continually that we may restate them in the form of general ideas the idea of a designed earth the idea of environmental influence and the idea of man as a geographic agent These ideas have come from the general thought and experience of men but the first owes much to mythology theology and philosophy the second to pharmaceutical lore medicine and weather observation the third to the plans activities and skills of everyday life such as cultivation carpentry and weaving The first two ideas were expressed frequently in antiquity the third less so although it was implicit in many discussions which recognized the obvious fact that men through their arts sciences and techniques had changed the physical environment about them This magnum opus of Clarence Glacken explores all of these questions from Ancient Times to the End of the Eighteenth Century **Do You Know**
