

Jennifer AFIFE

A black silhouette of a pregnant woman is shown in profile, facing left. The silhouette is set against a light gray background that has a subtle gradient, being slightly brighter in the center. The woman's head is tilted slightly down, and her hands are resting on her belly. The overall mood is contemplative and somber.

Lost Twin:

The Missing Twin Rita Herron, 2011-06-01 Detective Caleb Walker had taken on some tough cases for Guardian Angel Investigations but when Madelyn Andrews came to him claiming that her five year old daughter was able to communicate with her twin sister who d never made it home from the hospital Caleb was skeptical One glimpse at the beautiful single mother though and he couldn t walk away Now as he looked into what had really happened when Madelyn went into labor suspicious details were uncovered Details that prompted Madelyn to cling to him as pain consumed her And the deeper he dug the more invested Caleb became in their tiny family in their safety when danger penetrated their lives and in their salvation when he promised to bring a little girl home

The Lost Twin D.W. Harper, 2015-02-01 The saga continues as twins Kayla and Layla deal with the unexpected suicide of their mother Alice Her many years of lies and deception have torn apart their once devoted family and she has left behind the twins to deal with her trail of destruction It is a long and difficult year for the girls Their efforts to unburden their family and mend the outfall of distrust prove futile and they soon find themselves struggling with their devotion towards one another As the special twin bond between the sisters is ripped apart Layla feels compelled to do something desperate to stop that from happening

[The Twin Enigma](#) Vivienne Lewin, 2018-05-08 The book offers a unique in depth understanding of the twin relationship and the way in which twin development is affected by our attitudes to twins and our enduring fascination with them It explores our historical fascination with this subject and the origins of this excitement how our perceptions of twins reflect our own longing for a perfect soul mate and the effect this personal projection has on the development in twins It is a book written with the general reader in mind rather than experts Twins share a deep psychic bond that forms the core of their twinship but they are never identical Many factors will affect their development including the early mutual resonances and sensate experiences between them and parental and societal attitudes in raising them

Twin and Triplet Psychology Audrey C. Sandbank, 1999 Provides professionals with clear concise information from a range of professional settings on the special needs of multiples

The living twin Peter Bourquin, Carmen Cortés, 2024-06-11 Did you know that many people who are born as a single child began life accompanied by a brother or sister that died during pregnancy and vanished leaving no trace whatsoever And did you know that the frequency which this occurs is amazingly high It s a well known fact verified by science for some decades now that a 10% of babies who are born started their life as a part of a twin pregnancy and then lost their sibling during the first months of gestation This phenomenon had remained purely statistical until quite recently Only in the last few years has psychology started to become interested in the effects that this experience may have on the surviving twin Wha might the consequences be of spending the first weeks or months of one s life with a twin in utero but then to suffer their loss and be born alone How can person process and assimilate this primary experience when frequently it is ignored and relegated to the unconscious levels of our self The answers to these and other questions constitute the core of

this book which also includes around fifty testimonies that enable us to listen firsthand to the multiple manifestations that result from the experience of being a lone twin *Hidden Twins* Olivia Lousada, 2018-03-26 This book finds itself being part of the rising tide of interest and investigation into the nature of relationship experience for siblings same sex twins and opposite sex twins It illuminates adult opposite sex twinship that has been undervalued and even hidden *Entwined Lives* Nancy Segal, 2000-04-01 Twins are nature's living laboratories Through them we are able to uncover new information concerning the genetic and environmental factors affecting who we are Studies using identical and fraternal twins hold the keys to understanding our intellectual abilities personality traits social attitudes and behavior In *Entwined Lives* Dr Nancy Segal brings together cutting edge information with illustrative case histories of twins and their families In addition to the fascinating stories of identical twins reared apart and reunited as adults Dr Segal provides insights into the unusual language patterns of twins how twin studies affect legal decisions the role of fertility treatments in twin and twinlike conceptions and more This groundbreaking book explores the ways in which twins enhance our knowledge of human behavioral and physical development while shedding new light on the nature nurture debate and on the burgeoning field of evolutionary psychology

Expanding Worlds Bryan Giemza, 2023-05-04 Bryan Giemza challenges the myth of the solitary genius both in scientific and humanistic endeavors and demonstrates how Cormac McCarthy is the exceptional figure whose work allows and encourages us to interrogate the marriage of the sciences and humanities Drawing from previously unsurfaced archival connections as well as a range of primary sources and interview subjects including those close to McCarthy Giemza places McCarthy's work within contemporary scientific discourse and literary criticism Timely and innovative in both content and structure the volume includes a biographical examination of the writer's love of science and the path that led him to the Santa Fe Institute

and offers a rare look behind its closed doors The book probes the STEM subjects with chapters focused on technology engineering and math within and throughout McCarthy s fictional universe and biography The final chapter explores McCarthy s friendship with Guy Davenport and their shared interest in creating a unified aesthetic theory alongside McCarthy s essays and most recent literary projects *The Passenger* and *Stella Maris* In arguing that science and art are connected by aesthetics Giemza confirms the profound truth of McCarthy s unwavering belief that There s a beauty to science and a language of human understanding that transcends words

Adopting the Beat of Term: An Mental Symphony within **Lost Twin**

In some sort of consumed by monitors and the ceaseless chatter of quick communication, the melodic beauty and psychological symphony produced by the written word often disappear into the background, eclipsed by the relentless noise and disturbances that permeate our lives. But, set within the pages of **Lost Twin** an enchanting literary treasure brimming with natural feelings, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, that interesting masterpiece conducts visitors on a mental journey, well unraveling the concealed tunes and profound influence resonating within each carefully crafted phrase. Within the depths of the emotional examination, we shall examine the book is central harmonies, analyze their enthralling publishing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
