T. Russell,2009-12 Chatran is a host of many values even with his personal flaws While his convictions are absolute Chatran freely gives of himself to those that are honorable and respectful to him and to themselves He returns as good as he gets but his returns are in full Of Chatran s greatest values is the protection of women of all types and the protection of puppies children and cubs And like any father or protector Chatran will allow no threats to those that he loves and those that love him Above all else Chatran lives for family friends and a good time with them as often as possible Even if he has to violently move something or someone out of the way to enjoy them That is primarily due to the fact that Chatran has had a life filled with loss He s been on his own for more than 15 years and has been alone in all of that time Because of the Beast within Chatran has had to maintain a solitary existence among people unlike himself and he s done okay in that life But it hurts him One day while at work an event takes place that changes Chatran s life and launches him into his natural element Chatran learns to live and become one with his natural elemental form and embraces life and himself fully He also learns something far greater Because of that knowledge he offers and ultimately gives himself to others that have accepted him But he has to earn their respect and trust very quickly before he is lost within himself and is released without direction With the trust of the others Chatran will have the responsibility of their protection The question then becomes can

F. Dietrich, 2000-10 The terrorist bombs and guns going off in our world along with practically

every bit of political violence of the last forty years starting with the assassination of President Kennedy are part of a single man's demented plot to save the world through terror and a climactic apocalyptic act of sacrifice that will make the crucifixion of Christ look insignificant. Or so we are told by Wolf Berlin who has accidentally uncovered the mad plot on the Net. Who is Wolf Berlin? He is a man who has always wanted to found a new religion and who now is tempted by the mad genius, a long lost old friend, to be the Peter and Paul of what looks to be a very effective religion of the future, one that will bring the global peace. Wolf so hungers for it. After the dust settles that is. Whether Wolf agrees to it or not, the Apocalypse is scheduled for the near future. Wolf struggles with his decision to either try to stop the mad plot or join it as the Doomsday clock ticks on.

Lost Wolf River. [A Novel.] Dwight Bennett Newton, 1953. Trouble rode the same weary road as cowboy Chick Bronson, a road that took him from one busted range to another. And finally, instead of the job he desperately needed, he found a jail cell at the end of the trail. From that time on, Bronson was the target of suspicions, threats, and merciless beatings at the hands of men who didn't even know him. It looked as if the trail was turning his way at last when he hired out to rancher Vince Kimbrough. But in the range war that suddenly ripped through the valley of Lost Wolf River, it was hard for him to know which side he should take. All he knew was that he had to take a stand somewhere and that gallons of blood would be shed before the valley would ever know peace again.

Liz was supposed to take a Greyhound to safety, easy peasy. But Hunters block her at every move and escape seems impossible. Trying to stay safe, she travels in wolf shape, a decision with significant consequences. First, Eric Moran was kicked out by his father. Now his grandfather has gone insane. Eric isn't sure which is worse. When he gets out of hospital and returns to his current home, his heart is breaking. Eric's desire to atone to Ben and Sylvia binds his fate to a shy little wolf, just as his grandfather's friends start hunting them both. Why is this happening to him? And why does he feel as if the wolf understands him much better than anyone he has ever known? Struggling to find her way back to herself, Liz is left with no option but to trust in Eric and hope that they can save each other.
