Cioccolanti, 2020-03-23 A popular introduction to Buddhism showing how Christians can understand and effectively dialogue with Buddhists Buddhism is a rapidly rising religion in the West but few Westerners know Buddhism from the inside Having grown up with Buddhism and Christianity Steve Cioccolanti highlights the similarities and builds bridges of understanding between the two major religions His account is studded with stories parables and illuminating observations This book is remarkably easy to read and Steve is an engaging and original guide Discover Buddhism the way it's actually lived not the way it's been presented in textbooks or by Hollywood Now you can learn the 2 most popular religions in 1 book A groundbreaking book Steve has an unusual insight into the Buddhist mind I would use it for our Bible College students Dr Wayne Cordeiro Pastor of New Hope Christian Fellowship a 10 000 member church in Hawaii From Buddha to Jesus is a clear exposition of both Buddha's search for truth and the foundations of Buddhist culture It then gives an account of how the Good News of Jesus can fulfill Buddhist law and deliver people from the drive of endless perfectionism A totally thought provoking work Rod Plummer Senior Pastor of Jesus Lifehouse Tokyo Steve's book From Buddha to Jesus is the best tool that I have found to find a common platform with Buddhists Although the book is primarily focused on Thai Buddhism the principles in the book can be used with Buddhists in Japan and with Buddhists in other countries I highly recommend it Rev Daniel Kikawa President of Aloha Ke Akua Ministries Pastor of Hilo Missionary Church One of the books that I really read from cover to cover I bought 10 copies and distributed them to my friends I was once a Buddhist and this book really opened up my eyes It is a must read for all Buddhists Eastern religion followers or even Christians who are looking for a way to reach

The Middle Way Dalai Lama,2009-08-10 The Dalai Lama opens The Middle Way with an elegant argument for the power of compassion in cultivating a happy life From there he connects core ideas of Buddhist philosophy to the truths of our shared condition His Holiness delivers a sparkingly clear teaching on how the Buddhist ideas of emptiness and interdependency relate to personal experience and bring a deeper understanding of the world around us In down to earth style this book sets forth a comprehensive explanation of the foundational teachings of the Mahayana tradition based on the works of two of Buddhism s most revered figures Using Nagarjuna s Middle Way the Dalai Lama explores Buddhist understandings of selflessness dependent origination and the causal processes that lock us in cycles of suffering He grounds these heady philosophical discussions using Tsongkhapa s Three Principal Aspects of the Path presenting a brief explanation of how to put ethical discipline wisdom and compassion into practice Through these beautifully complementary teachings His Holiness urges us to strive with an objective mind endowed with a curious skepticism to engage in careful analysis and seek the reasons behind our beliefs

Examine Your Faith! Pamela Christian,2013-07 Well meaning people want to believe that all roads lead to the same God and heaven But wanting something to be true is far different from truth lining up with reality Unless you make an intentional effort to examine what you believe and why you believe it it s quite possible you are living your life on the basis of a lie and don t know it What is truth Is it relative or

absolute Is it personal or universal What are the differences among the various religious faiths Can they be blended Are we creating faith a belief system that is impotent by trying to accept all religions as equal **Faith among Faiths** James L. adapted Buddhist religious practices to an American context Cheah offers a complex view of how the Burmese American community must negotiate not only the religious and racial terrains of the United States but also the transnational reach of the Burmese junta Race and Religion in American Buddhism marks an important contribution to the study of American Buddhism as well as to the larger fields of U S religions and Asian American studies
